Aid to Women Center would like to share that St. Henry parish was so generous and we are sincerely grateful.

The total raised was \$12,536.91 and there are additional baby bottles that were turned in late which we have yet to count.

Thank you for the support. Two weeks ago we had three women who came to us abortion-minded that had a change of heart and mind and are going to parent instead.

Anne Dennis

Psychics and Mediums

Question:

Are Catholics allowed to visit psychics? Why or why not?

Answer:

It's part of human nature to experience some sense of unease and fear about the future. This can lead some people to seek out the services of psychics or consult horoscopes or turn to other occult practices or resources (e.g. Ouija boards or tarot cards). The Catechism of the Catholic Church is very clear that Catholics should avoid such practices: "Consulting horoscopes, astrology, palm reading, interpretation of omens and lots, the phenomena of clairvoyance, and recourse to mediums all conceal a desire for power over time, history, and, in the last analysis, other human beings, as well as a wish to conciliate hidden powers. They contradict the honor, respect, and loving fear that we owe to God alone" (no. 2116).

Despite the uncertainties we might feel, we are called to have faith and trust in God, confident of God's desire for what is best for us. This means that we are called to surrender, to pray and to reflect on how we can best move into the future in hope, knowing that God is with us.

Psíquicos y Médiums

Pregunta:

¿Se les permite a los Católicos visitar psíquicos?
 ¿Por qué o por qué no?

Respuesta:

Es parte de la naturaleza humana experimentar cierta sensación de malestar y temor por el futuro. Esto puede llevar a algunas personas a buscar los servicios de psíquicos o consultar horóscopos o recurrir a otras prácticas o recursos ocultos (por ejemplo, tablas de ouija o cartas del tarot). El Catecismo de la Iglesia Católica deja muy claro que los católicos deben evitar tales prácticas: "Consultar horóscopos, astrología, lectura de la palma de la mano, interpretación de presagios y suertes, los fenómenos de clarividencia y el recurso a médiums, todo esconde un deseo de poder a lo largo del tiempo, la historia, y, en última instancia, otros seres humanos, así como el deseo de conciliar poderes ocultos. Contradice el honor, el respeto y el amoroso temor que le debemos sólo a Dios "(n. 2116). A pesar de las incertidumbres que podamos sentir, estamos llamados a tener fe y confianza en Dios, seguros del deseo de Dios de lo mejor para nosotros. Esto significa que estamos llamados a rendirnos, a orar y a reflexionar sobre cómo podemos avanzar mejor hacia el futuro con esperanza, sabiendo que Dios está con nosotros.

IN THE FOOTSTEPS OF JESUS

Coming Soon! A 3-part series on the life of Jesus presented by your pastor Fr. Kosco based upon Steve Ray's documentary on the life of our Savior.

Thursday evenings November 4, 11, 18 from **6:30-8:00pm** in the parish hall. Let's get back to basics and study the life of Jesus together as a parish.

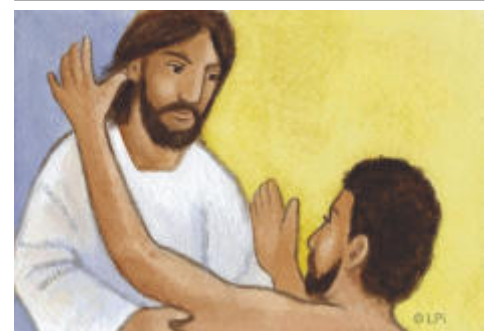

Tuesday November 2

Each year we invite parishioners to bring photographs of their loved ones who have died to place before the altar in the hall for our Mass for All Souls.

At this Mass, we read the names of all our parishioners whose funerals were held at St. Henry during the past year.

The Mass begins at 8:30am in the parish hall.
