MESSAGE FROM FR. MIKE

Howdy,

Just a reminder: As you all know, the COVID problems continue and seem to be getting worse again. I worry that another “mutation or variant” will develop if we do not get this under control. With that said, I am again asking you to consider wearing masks as much as possible for your own safety and the safety of others. Also, please be aware of coughing and runny noses at Mass, especially among children. Our other parishioners get concerned if this occurs near them.

On another note, you know that I am involved with Nuestros Pequeños Hermanos (Our Little Brothers and Sisters), one of my good friends, Gustavo, a former pequeno, recently graduated from medical school and will be visiting the last week in January. I have invited him to briefly speak before the Masses, January 29-30. If you would like to support NPH, we will collect donations after Mass.

Dr. Gustavo will also join our Life Ten group and will join us for a “Family Night” with our Edge students, our RE students, and their families on Wednesday, February 2nd.

In Christ,

Fr. Mike

The Baby Shower event in December, 2021 at St. Bernard Church organized by the Sanctity of Life Ministry was a great gift to Life Choices Women’s Clinic! We would like to offer you and the Parishioners of St. Bernard a huge Thank You for the financial support and large supply of diapers, wipes, clothing and other baby items to stock our Baby Boutique and Stork Package programs which deliver an essential part of our mission to offer help, hope, and support to our clients who are facing an unplanned pregnancy.

Make Your Tax Dollars Work Miracles! Direct your AZ state taxes to a good cause. Take advantage of the AZ Foster Care Charitable Tax Credit, with a dollar-for-dollar credit on your state taxes. Your tax dollars can be redirected to Catholic Charities Community Services **to help foster children and families, at-risk children, youth and more.** You can get a credit for up to \$500 (single filer) and \$1,000 (joint filer). You can "stack it" on top of other credits too. St. Vincent de Paul

Next weekend is a fifth Sunday where we normally devote the second collection to St. Vincent de Paul in our parish. Since there is no second collection, you can donate to St. Vincent de Paul by putting your special St. Vincent de Paul envelope or check made out to *St. Vincent de Paul* in the church baskets at the entrances/exits. The money you give supports people primarily living in our parish boundaries who are struggling to pay rent, buy groceries and gas, and pay for utility bills.

Also, on the last weekend there will be receptacles in the Church entrances/exits for the collection of personal-sized toiletry items for the homeless. The SVdP facilities in Phoenix, which provide showers and barber services, are in constant shortage of such items. Needed personal or travel-sized items include: soap, shaving cream, disposable razors, shampoo, deodorant, toothpaste, toothbrushes, and hand sanitizers.

We appreciate all your support for the works of the SVdP Conference here at St. Bernard's. Your contributions help us help others.

“**Human rights are not a privilege conferred by government. They are every human being's entitlement by virtue of his humanity. The right to life does not depend, and must not be contingent, on the pleasure of anyone else, not even a parent or sovereign... you must weep that your own government, at present, seems blind to this truth.**”

A MESSAGE FROM FR. SIMON

We have been asked to help facilitate a roundtable discussion for the 2021-2022 Synod requested by Pope Francis. Bishop Olmsted is also asking all parishes to participate in this synodal journey. In short, we invite you to participate in a roundtable discussion in January to discuss different matters of the Church; Topics will range from the joys we experience of being Catholic to what are the areas for change for our Church and what steps can be taken. He will then present this document to Bishop Olmsted and he will then present it to the Holy Father.

We will have this roundtable discussion in January. It is a one-night event. We will also provide food and drinks. We just ask that you come with an open mind and open heart and be ready to share your discussion, please contact Ryan Ayala at rayala@stboc.org.

Walking with Moms In Need

At the beginning of March 2021, the Diocese of Phoenix joined the nationwide effort, **Walking with Moms In Need: A Year of Service**, from March 25, 2021 to March 25, 2022. Inspired by St. John Paul II's call to maximize our charitable efforts in building a culture of life, the intention of the Year of Service is to increase the Church's outreach and assistance to pregnant and parenting women in need.

After several meetings and in consultation with key parish leaders, the Walking with Moms Task Force discerned that one of the most practical ways to respond to mothers in need at St. Bernard of Clairvaux is by providing a ministry that creates a sense of family by formally recognizing babies on the way and introducing mom and baby to our parish community. We would like to provide a non-threatening way for relationship building. Participants may be ministered to by the team and develop a personal path forward in their own spiritual journey. The ministry's ultimate goal is to accompany moms in need – offer spiritual resources, offer a Meal Train for the expectant mother, offer babysitting (if family is comfortable), direct them to other Diocesan approved counseling services, and most importantly, help them develop a deeper relationship with Christ. If you would like to apply to be a mentor, please contact Ryan Ayala at rayala@stboc.org or visit our website at www.stboc.org

PLANT YOUR WORKS IN THE WORD

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message. When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively." Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be. Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God. We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship. There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.

—Tracy Earl Welliver, MTS

IS IT RIGHT TO SUE SOMEONE? ISN'T IT A WAY OF GETTING REVENGE?

Revenge is inflicting harm for harm's sake, the idea of an eye for an eye, a tooth for a tooth, and then some. There is often a fine line between justice and mercy, between compensation and forgiveness. Unfortunately, things can happen to us that cause harm, suffering, and damage, regardless of people's intentions. When someone is hurt, especially in such a way that special care or treatment is required, the cost of that care needs to be paid.

In a perfect world, those with special needs, handicaps, or disabilities would find the help and care they need, including those who are injured or hurt. But justice is not always forthcoming, and people are not always fair. So, using the legal system to right a wrong is sometimes the only option.

In some cases, it is the only way that people can get the help they need and deserve. However, frivolous lawsuits, or 'fishing for money' is not only unfair, but immoral as well. The law is there to protect people and making use of it when necessary is a good thing.
