**PRAY FOR US!**

As we begin the school year we will be offering events almost every evening to engage the incoming class of freshmen and help them keep their faith alive in college. The Campus Minister, the FOCUS missionaries, and student leaders will be planning and preparing bible studies, events, retreats, and socials to reach these new students to share the Gospel of Jesus Christ with them through their words and actions.

Lastly, thank you to Diana Tucker and her team who will be providing food at all of our Wednesday night events!

## FULLY ALIVE MINISTRIES

Thank you so much for the opportunity to share my mission life with you! I am RoseE Lynch, and I'm with Fully Alive Ministries. Fully Alive seeks to build missionaries in communities and help everyone realize the call to mission. We do this by sending out a team of 4-6 missionaries to a parish community to identify the mission-minded leaders, put on events for the community, and form Środowisko.

"Środowisko" is the name of a group started by St. John Paul II before his papacy in which he brought people together to share life and adventures, and to grow together in faith and virtue. Through these Środowisko groups, combined with weekly and monthly events, more and more people are invited into formation, and the parish is left with a community of people pouring into each other and growing closer to the Lord.
