The Feast of the Epiphany of the Lord

Traditionally celebrated on January 6th, or the first Sunday after Holy Family, this Feast celebrates the culmination of the Christmas season by Christ being made known to the Gentiles through the visitation, primarily, of the Magi/Three Kings/Wise men. There is a common held tradition that on the feast of the Epiphany, one chalks their doorways commemorating the visitation of the three Kings, Caspar, Malchior, and Balthazar. There is a blessing that goes with this tradition and when written this year will say: "20+C+M+B+22."

Epiphany is also the celebration of the completion of the Christmas season, or the 12 days of Christmas. It's not just a pop culture song, but in fact, has very deep and ancient roots in the Catholic church. From the 16th through the 19th Century, it was forbidden for the practice of the Catholic faith in England, as a way to continue Catechesis, this song was developed.
