CHRISTMAS MESSAGE

The Incarnation of the Lord Jesus is God's providential act of breaking into time, space and human history. God who is not bound to any cosmological nor personal limitations, assumed human flesh and dwelt among us so that through His only Begotten Son, humanity would experience the divine presence in the most tangible and comprehensible way. Christmas is God's act of giving flesh, bone and blood to His unfathomable mystery.

Therefore, the message of Christmas is to remind the whole humanity that God is perpetually living in with us in the past, in the present and even beyond the end of time, space and human history. It's a Gospel truth that in our joys and lamentations, struggles and successes, pain and glory, God is the Emmanuel who is always with us.

This message must be told and retold over and over again. This is the Good News that gives comfort to the sorrowful, humility to the grateful and assurance to the doubtful.

Jesus is the perfect embodiment of God's unconditional love for humanity. Let us, in turn, continue to give birth to Jesus, in deed and creed, now and always. AMEN.

Merry Christmas Everyone!

Fr. Ariel
