"Why do you notice the splinter in your brother's eye, but do not perceive the wooden beam in your own?" Without adequate self-reflection, it's easy to become blind to our own faults. We go through life's motions as our bad habits linger or even increase. We may become increasingly impatient, we may avoid important tasks, we may neglect the emotional needs of our spouse. Perhaps, in the process, we find fault with those around us. In the words of Jesus, "remove the wooden beam from your own eye first."
