Second Collection This Week for Catholic Relief Services

The Catholic Relief Services Collection supports Catholic Church organizations that carry out international relief and solidarity efforts. Programs include relief and resettlement for victims of persecution, war, and natural disasters; development projects to improve living conditions for the poor; legal and support services for poor immigrants; peace and reconciliation work for people suffering from violence; and advocacy on behalf of the powerless.

Envelopes are in the Gathering Space or you may make your donations online via our website>online giving.
Dear SJB Parishioners,

I would like to begin this letter by thanking all of our generous supporters of our 2019 Diocesan Developmental Drive. And in a special way, I would like to thank the Juan Diego Catholic Schools for helping us meet our drive goals at the end of the year with an extraordinary gift. Our Diocese can only move forward with its mission of proclaiming the Gospel of Jesus Christ through your generous donations and sacrificial support. Thank you!

Today, I also come to you with an appeal for the 2020 Diocesan Developmental Drive (DDD). The DDD annual drive is essential for funding and supporting Diocesan wide ministries. Some, but not all of these ministries include the following:

- Training of our Seminarians, the future priests of our Diocese - I am fruit of your generous support. Also, Tristan, currently a seminarian, is working with our youth group. He is currently germinating fruit.
- The permanent diaconate program – Deacon Jeremy is another example of the fruit of your generous support.
- Support for our poorest parishes and missions – these are our Catholic brothers and sisters right here in Utah. Your support helps them grow in their faith and be better disciples of Christ.
- Charity outreach to the poor and most vulnerable of our society – these ministries are the most basic of our Catholic faith.

Every year our parish gets assessed our portion and our share. We are extremely blessed here at St. John the Baptist Parish. This year our assessment is $127,700. At this time, we must remind ourselves of the parable of the Vigilant and Faithful Servants in Luke 12:48, “...much will be required of the person entrusted with much, and still more will be demanded of the person entrusted with more.”

At first glance, our amount might seem like a lot. But let’s take a different look at it. Let’s break it down. Look around you. There are people sitting in every pew. It turns out we have 4 sets of 21 pews, for a total of 84 pews. Let’s just say 2 families sit in each pew at mass. We also have 3 masses every weekend. So that means we have at least 504 families at masses this weekend. If each family would give just $255 to the DDD, we would meet our 2020 goal. Of course, I know not everyone can do this. So those that have been “entrusted with more”, please give “still more”.

Please remember. This appeal is not optional. Our parish will support our Bishop and our Diocese. If our DDD drive falls short, our parish pays the remainder from our savings.

As a sign that I am in solidarity with you and our Bishop, I will start by donating $1,000 dollars to our DDD fund – that is four families worth of giving! Our parish can meet this goal, we just have to desire it. I know I do. I support Bishop Solis and his pastoral plan which focuses us on the Eucharist and a loving community built on the love, truth, and mercy of God.

Please keep Bishop Solis, myself, our clergy and our entire Diocese in your prayers.

Yours in Christ,
Fr. Stephen Maria Tilley
St. John the Baptist Parish

The Bishop’s Office has made the following mandates for all parishes, due to the coronavirus situation.

- Holy Water fonts at entrances must be emptied to help avoid transmission of viruses.
- Suspend the cup of the Precious Blood for Communion
- Suspend shaking hands during the Sign of Peace
- Ministers must cleanse their hands prior to exercising their roles

Other common-sense suggestions that were included in the memo for ALL of us:

- Avoid physical contact if you are sick – stay home so not as to infect others with any viral illness. Those who are sick are dispensed of their obligations of going to Holy Mass on Sunday. You can pray at home and participate in the celebration of the Holy Mass through your TV or Internet.
- Wash hands frequently. Do not touch your eyes, nose, & mouth.
- Visit coronavirus.utah.gov for more information

Pray for those impacted by this virus: those who have died, those who are sick, and those who are caring for the sick.

Question: What was the genesis of the Stations of the Cross?

Answer:
The first “Stations of the Cross” were walked by Jesus himself on the way to Calvary. Known as the "Via Dolorosa" ("The Way of Suffering") or the "Via Crucis" ("The Way of the Cross"), it was marked out from the earliest times and was a traditional walk for pilgrims who came to Jerusalem. The early Christians in Jerusalem would walk the same pathway that Jesus walked, pausing for reflection and prayer. Later, when Christians could not travel to the Holy Land, artistic depictions of "The Way of the Cross" were set up in churches, or outside and Christians would walk from station to station, reading the Gospel account of the Passion, or simply praying and reflecting on each event. While the content or place of each station had changed, the intention was to make a mini-pilgrimage and follow--literally--in the footsteps of Jesus.

This devotion became better known in the Middle Ages, and the Franciscans are credited with its spread. Lent is a time when many people make the Stations and some churches present Passion plays or Living Stations. But anyone can pray the Stations at any time. It is a simple and personal reflection on the passion of Jesus and what it means to us.

DOMINICAN SISTERS OF MARY, MOTHER OF THE EUCHARIST VISITING

St John the Baptist Parish is pleased to be sponsoring the Dominican Sisters of Mary visit March 20-25. During their visit to Utah the Sisters will be participating and presenting at events around the Salt Lake Valley and in Park City.

Dominican Sisters of Mary – History and Background
The Dominican Sisters of Mary, Mother of the Eucharist were founded in 1997 to spread the witness of religious life across the country in response to St. John Paul II’s vision for a New Evangelization. In just over 20 years, the community has grown from four Foundresses to over 140 Sisters from 34 states in the United States, as well as Canada, with an average age of 33 years old.

The Sisters actively seek to spread the witness of religious life across the country in many ways, including talks to youth and college students, summer teaching missions, pro-life witness, and continued use of new ways to engage the culture.

Starting with a Motherhouse and two schools in Ann Arbor and Plymouth, Michigan, the Sisters have expanded nationally by establishing teaching missions at 22 other schools. The Sisters’ Disciple of Christ, Education in Virtue® program aims to educate young people and adults in living Christian virtue and nurture an encounter with the Person of Christ through His Word. Introduced in 2013, it is already in over 500 schools in 42 states and 8 countries.

SJB Portion of the Visit
The Sisters will be visiting SJB the weekend of March 21 & 22. Please Save The Date - March 21, we will be celebrating a special Mass at 11 am followed by a luncheon reception in Room A. They will also be attending each of the weekend Masses.
