

*St. Matthew's Catholic Community is a place of welcome, worship and discernment, centered on Christ in the Eucharist. To cultivate holiness, we proclaim the Gospel, celebrate the sacraments, and accompany one another through life. We invite all to participate in the fullness of the Paschal Mystery, where we are healed and transformed by the life, death, and Resurrection of Jesus Christ, then sent into the world as living symbols of His presence.*

## MASS INTENTIONS

Due to diocesan protocols, we are strongly encouraging face masks and are designating the Parish Hall as a required face mask area. During the Sign of Peace, we recommend people use a no-touch gesture (e.g., bow, nod, wave, etc.) with those outside of their household. We are requiring those distributing Communion to wear masks.

**January 30, 2022**

**4th Sunday in Ordinary Time**

St. Oscar Romero (1917-1980) was a "Salvadoran Roman Catholic archbishop who was a vocal critic of the violent activities of government armed forces, right-wing groups, and leftist guerrillas involved in El Salvador's civil conflict (Encyclopedia Britannica)." As a voice of the voiceless, he was an outspoken champion of the poor who were the ones most affected by the civil unrest and violence. His advocacy provoked several attempts on his life. Nonetheless, St. Oscar Romero was convinced that before all else his faith in the resurrected Christ and the values of the Gospel trumped any earthly concern or worry. He walked with complete confidence and trust. On March 24, 1980, St. Oscar Romero was assassinated while celebrating Mass. Such is often the fate of those who challenge the socio-political agendas of the day.

We may look at the example of witness of St. Oscar Romero as something extraordinary. In one sense it is. Through the power of God, an ordinary human being did extraordinary things. But, in and of himself, St. Oscar Romero was simply a humble, loving servant of God. Oscar knew not only the power of love but the risk that comes when loving unconditionally. The beauty of God's message was able to shine in and through him because he was able to step out of the way and be a vessel. One can assume that for St. Oscar Romero, one's earthly life has no merit when faith, integrity, conviction, zeal and love are jettisoned. Fear and apprehension had no grip on this man who not only saw but spoke the truth.

Do we speak the truth? It makes us feel good to speak of God as love. But have we ever considered the ramifications of this radical message? There are assaults on human life occurring daily. More and more the value and worth of a human being is being reduced and minimized. We are becoming widgets in the production of life. In our whole simple humble ways, we too are called to be prophets. Knowing who you are and what is within your means to do, how can you make God's love real, stand up for what is right, and give witness to the sacredness of all that is around you?

### *First Corinthians and the Stewardship of Social Media*

"Love is patient, love is kind ..." As familiar as these words are, they never seem to stray into the territory of becoming trite or silly. At their core they communicate a truth about us and about our Creator that never fails to inspire.

But despite the fact that you've probably heard it at many weddings over time, First Corinthians isn't just for newlyweds. It wasn't written for married folks. It's for every single one of us, in every state of life and every social situation, in every country and culture and language across the globe.

Which means that First Corinthians is even for the online world. It's for Facebook and Twitter and Instagram and all the other platforms I'm forgetting (there seems to be a new one every day, doesn't there?).

A sense of division — whether rooted in politics, culture or anything else — is growing in our world, and it's never more obvious than when we observe interactions online. It is far easier, after all, to remember what love is when a human being of flesh and blood stands before us. When all we see is an avatar or a profile picture on a screen — especially accompanied by an opinion with which we vehemently disagree — even the most loving Christians can throw First Corinthians out the window.

As everyday stewards we know that we are charged to be not only gracious but grateful. We receive others but we also give thanks for what they bring to us — even if that's an opportunity to "strive eagerly for the greatest spiritual gifts."

So before the next time you post anything online, I suggest giving First Corinthians a read — and remember, love never fails.

— Tracy Earl Welliver, MTS

## WHY DO WE DO THAT? - CATHOLIC LIFE EXPLAINED

### Question:

I've heard people call Jesus' conception by the Holy Spirit being "immaculately conceived." Is that what the Immaculate Conception is?

### Answer:

While these two events are often confused, they are not the same thing. We celebrated the conception of Jesus on March 25th, the feast of the Annunciation. While that was surely miraculous, it isn't what we refer to as the "immaculate conception." The Immaculate Conception is Mary's conception, and we typically celebrate it on December 8th. If the 8th happens to be a Sunday, the Church moves the feast to December 9th. It is a holy day of obligation. Why does the Church consider it so important to celebrate?

Mary's conception is immaculate because she was conceived without original sin. The angel Gabriel acknowledges this when he hails Mary as "full of grace" (Luke 1:28). Scripture scholars identify several theological ideas that confirm this. In the Old Testament, the sacred, pristine Ark of the Covenant held the presence of God. The presence of God is now held within a new "arc" — the womb of Mary. Genesis 3 also prophesies of a woman who would oppose the devil and whose child would crush the devil's head. Christ is the "New Adam." This passage sets up Mary, then, as the "New Eve." Jesus and Mary are the beginnings of a new creation, one we all can participate in through the grace of our baptism. After all, God's love is more "original" than our sin!
