St. Joseph Parish is a Stewardship Parish. A Catholic Steward actively participates and is involved with parish ministries, each according to their time and talents. Continue to regularly pray the stewardship prayer. Help us to place You, our loving Creator, first in our lives by becoming more prayerful and more focused on loving and caring for our families and our neighbors in need. Help us to hear Your call to be good stewards of all Your gifts by sharing them to accomplish Your will, that is the coming of Your kingdom here on earth.

Pastoral Council Candidates

Election - July 1st & 2nd, 2023 - Early voting is available

Please vote for three (3) or fewer candidates.
Ballots having more than 3 votes will be disqualified.

Natalie Brown

Natalie and her family, husband Matt, children AJ, Avery, and Nicholas, joined the parish in 2012.

Natalie's daughter Avery has been an altar server for a few years and Natalie will be starting as a reader this summer.

She comments on how friendly the parish is and the beauty of the church. "We have been fortunate to have priests challenge us to grow in our faith and reflect upon that."

She would like to see our parish grow with younger families and keep that welcoming attitude of the parish. She would also like to have more of those young families help our parish to flourish in many ways.

Paul Flescher

Paul has been a member of the parish for two years, having been a member of St. Nicholas parish while growing up. His parents are Michael & Paula Flescher. After spending some time in the seminary, he is now a teacher at FHSU.

The sacramental life is what drew him to St. Joseph Church; the liturgies, particularly the 10:30am Mass, and the prevalence of Reconciliation speaks volumes about the core of the parish.

Since becoming a member he has been leading the Adult education classes and helping make bread for the Lenten Soup Suppers. Paul feels the fellowship within the parish is very inviting and positive. He also believes that education and prayer groups are a very important part of the parish's life and would like to see this grow in the parish.

Karen Marsell

Karen and her husband, Doug, have been members of St. Joseph Church for 22 years. They are parents to three daughters and have been blessed with five grandchildren. During her time at the parish, she has been active as a reader, an Extraordinary Eucharistic Minister to the Homebound, a member of the O.C.I.A. team, and a member of the Order of the Secular Franciscans.

Karen enjoys the faithful, prayerful people of the parish with the church's rich traditional setting.

She would like to see more parishioners, who are not involved, become involved in at least one ministry, so that those volunteers we currently have do not get overburdened.

Andy Mattison

Andy has been a member of the parish for 42 years. He and his wife, Joyce have four children and four grandchildren. Andy and Joyce, have been active in the parish for many years as Extraordinary Eucharistic Ministers of Holy Communion and were also ministers to the Homebound for many years.

Over the years the parish has become like family, celebrating milestones like marriages and births.

Andy believes we need to get more people involved in the life of the parish, especially the youth. Everyone is busy these days, but the involvement in the parish by our parishioners needs to be strong. We need to find activities for our youth to participate in in order to carry on to the next generation.

Allen Rohr

Allen has been a member of the parish all his life. He works for the family business, Rohr Dirt Construction. He has helped our head of maintenance, Randy Gottschalk on a number of parish projects.

Allen is fond of the sense of tradition we have at St. Joseph Parish and our Eucharistic faith.

He would like to see more fallen away Catholics come back to the Church. He would also like our current parishioners to continue serving as strong examples of faith to our younger generation.

Amy Schaeffer

Amy has been a member of the parish for 26 years. She and her husband, Greg, have one child, Jacob, who is a Sophomore at TMP-M.

Amy is involved with the St. Joseph Food Pantry, Parish Activities committee, and she serves on the Stewardship and Heartland Stewardship Commissions. Amy would like to see our parish find ways to maintain our aging buildings and keep them in good condition for the next generation. She also sees a need to bring in younger families and get those whom we already have to step up and help with the various activities in the parish. St. Joseph is active and vital in our community and we need to sustain that.

STEWARDSHIP

Time...Talent...Treasure

The readings for the 11th Sunday in Ordinary Time provide us with profound insights into the essential aspects of living the stewardship way of life on our Christian journey.

In the first reading from Exodus, we witness the encounter between God and His chosen people at Mount Sinai. The Lord, through Moses, reminds the Israelites of His faithfulness and the covenant He has established with them. This reminds us of our vocation as stewards and disciples. They invite us to embrace the call to stewardship by recognizing our responsibility to care for God's creation and to generously share our gifts with others.

In our second reading from Romans, St. Paul beautifully articulates the depths of God's love for humanity. He reminds us that while we were still sinners, Christ died for us, reconciling us with God and offering us the gift of salvation. As stewards, we are called to gratefully recognize God's abundant love and respond by using our gifts and resources to build His kingdom. In our stewardship and discipleship, we discover the joy of participating in God's redemptive work, bringing hope and healing to a broken world.

The Gospel reading from Matthew recounts how Jesus is moved with compassion as He sees the crowds who are like sheep without a shepherd. He commissions His disciples, empowering them to continue His mission of healing and preaching the Kingdom of God. Like the Good Shepherd, we are called to have hearts filled with empathy and concern for those who are lost, suffering, or in need. Stewardship challenges us to extend a helping hand, offer comfort, and meet the physical, emotional, and spiritual needs of our brothers and sisters in Christ.

By living a life of stewardship and discipleship, we are challenged to move beyond our comfort zones, embracing the call to serve and witness to the transformative power of Christ's love. This requires a willingness to step out in faith, be empowered by the Holy Spirit, and to be instruments of God's grace and healing.

STEWARDSHIP PRAYER

God our Father, You are the source of life and every blessing.
All that we have comes from You. Help us to walk in your ways as faithful disciples of Jesus.

As good stewards of your many blessings teach us to receive your gifts gratefully, cultivate them responsibly, share them in justice and love with others, and return them with increase to You, our Father. We ask this through Christ our Lord, who came that we might have life, and have it abundantly.

Amen.

Hays CYO Fireworks Update

For those who were not at last weeks meeting you missed a breaking announcement. The following message is from Bill Meagher who I asked to help write a statement on behalf of the Salina Diocese Chancery. This decision was finalized last week and I'm able to share it today. I understand you will all have questions, I'll be happy to answer those privately. Rest assured that backup plans are already being set in motion. More info will be coming over the next few days. Keep eyes on your email and socials and CYO in your prayers! -Marc Hertel, Hays CYO Director

CYO members and families,

The Salina Diocese Chancery recently informed us that our insurance company would not allow us to sponsor our fireworks fundraiser. In a statement, Catholic Mutual says that while it does understand the excitement and valuable revenue that such events can bring, unfortunately, the risks associated with fireworks sales and possible litigation they open us up to are too significant of a concern.

While we may not be able to proceed with our fireworks fundraiser at this time, we are exploring alternative fundraising ideas and initiatives that will align with the safety guidelines and standards set forth by our insurance company.

We will figure out another way to raise the money we need to get our young people to NCYC. Thank you for your understanding, cooperation, and continued support!
-Bill Meagher, Director of Youth Ministry & Religious Ed

Introducing the Hays CYO & Jr CYO Summer Treat Stands!

While we may no longer be in the fireworks business, we wanted to offer the Hays community a chance to make their Independence Day shopping more enjoyable. You'll be able to stop by our two brand new locations for an exclusive treat, a cold drink, and more! We will have a snow cone machine located right outside the big red tent in the mall parking lot that you should all be familiar with. J-Day Displays offered Hays CYO a wonderful donation, and we are so thankful for their long-standing and continuous support of our program.

But that's not all! We will also have a cotton candy machine located in the Love's parking lot near the Fireworks Unlimited tent. They heard about the loss of our previous fundraiser and graciously offered Hays CYO a donation in our time of need.

So, stop by our Treat Stands during the 4th of July holiday and purchase some yummys for the whole family! All proceeds go to Hays CYO and Jr CYO for our various mission trips and more. Be sure to also stop into J-Day Displays and Fireworks Unlimited and show our awesome donors some love too!

Capstone Project for Upcoming Seniors

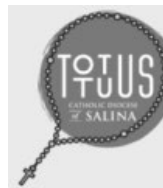

Seniors planning on working in teams for their Capstone project should let Mr. Binder AND Mr. Zachman know as soon as possible for class scheduling purposes. We will do our best to schedule students in the same class period that are working together on Capstone projects, but we cannot guarantee it will happen because of the challenges in scheduling all classes. The sooner we know who is teaming up for Capstone the better it is for us to work out schedules.
