Announcements

"40 DAYS FOR LIFE" was very successful, considering all the lockdowns, social distancing, fear and isolation, an amazing 475 children were spared their life through faithful warriors praying outside abortion clinics and Planned Parenthood facilities around the world. Six separate stories of twins being saved from death. Moms coming to vigils to thank the prayer warriors for being there. These moms and dads were able to hug and hold their tiny infants because of people like you and me who simply cared enough to come and fast and pray in person.

St. Augustine's has sponsored one hour a month for as long as I have been the Pro-life ministry leader. Participation goes up and down and has changed times several times. We will continue the second Thursday of the month **at 10:30am, which will be November 12.** I would like to get feedback from any of you who have participated in the past to see if this time is good or bad for you. Please contact me by email or text and let me know if the day of the week is good, the time, or the time of the month as well. We need more warriors.

Also, the Gabriel houses are in dire need of diapers especially size 6. If you would like to donate money or diapers let me know. God bless America! God protect the Catholic Church and may we see an end to abortion in the very near future.

Arquidiócesis de Denver Guía adicional para la Misa Publica

Ocupación: Teniendo en cuenta las normas locales, las iglesias y otras áreas utilizadas para la misa no deben exceder el 50% de su capacidad según el código de incendios.

Disminución de gérmenes: Los fieles deben abstenerse de tocar superficies innecesariamente, respetar el distanciamiento físico, utilizar desinfectante de manos cuando esté disponible, seguir las instrucciones sobre donde sentarse y quedarse en casa si están enfermos, si tienen síntomas o si recientemente estuvieron expuestos a alguien que dio positivo por el virus. Proteger la salud y el bienestar de los demás, no solo de uno mismo, es un deber moral. Las parroquias deben garantizar una limpieza adecuada y proporcionar desinfectante para las manos.

Suspensiones: Permanecerán suspendidos los actos de tomarse de las manos e intercambiar físicamente un signo de paz, el uso de agua bendita y la distribución de la Preciosísima Sangre.

Comunión: El ministro debe usar desinfectante de manos antes y después la distribución de la Sagrada Comunión. La hostia debe colocarse en la mano de tal manera que se evite el contacto de piel a piel. Si esto ocurre, se debe usar desinfectante para las manos antes de reanudar la distribución. La comunión en la lengua está permitida siempre y cuando ocurra lo siguiente:

- ◇ Los que la reciban en la mano y los que la reciban en la lengua no se mezclen.
- ◇ Los que deseen recibirla en la lengua deben esperar hasta que todos los demás la hayan recibido.
- ◇ Solo un ministro o una línea deberá distribuir en la lengua.
- ◇ Si el ministro se da cuenta de que su dedo ha tocado la boca o la lengua del comulgante, debe detener la distribución y desinfectar su mano antes de reanudar.

Mascarillas: Por observancia, precaución y caridad mutua, los fieles deben seguir usando su mascarilla al entrar, moverse, formarse para la comunión y salir de cualquier espacio interior.

Cantorales y misales: Debido a la dificultad de desinfectar los cantorales y los misales, se deben eliminar de las bancas. Si es necesario, se pueden utilizar materiales desechables de un solo uso.

Canto y coros: Se ha comprobado que cantar puede aumentar la propagación del virus, por lo tanto, los cantos de la congregación deben reducirse al mínimo. Si se utiliza un coro, este debe limitarse a 4 cantantes con un distanciamiento mayor y el uso de mascarillas.

Archdiocese of Denver Further Guidance for Public Mass

Occupancy: Taking into account local regulations, churches and other areas being used for Mass should not exceed 50% of their fire code occupancy.

Germ Mitigation: The faithful should refrain from unnecessarily touching surfaces, respect physical distancing use hand sanitizer when it is available, follow the directions for seating, and stay home if they are sick, symptomatic, or have recently been exposed to someone who has tested positive for the virus. Safeguarding the health and welfare of others, not just oneself, is a moral duty. Parishes should ensure proper cleaning and provide hand sanitizer.

Suspended: Hand holding, physically exchanging a sign of peace, use of holy water, and the distribution of the Precious Blood are all to remain suspended.

Communion: Hand sanitizer should be used by the minister before and after the distribution of Holy Communion. The host should be placed in the hand in a manner so as to avoid any skin-to-skin touching. Should this occur, hand sanitizer should be used before resuming distribution. Communion on the tongue is permitted so long as the following occur:

- ◇ Those receiving on the hand and those receiving on the tongue are not intermixed.
- ◇ All those who wish to receive on the tongue wait until everyone else has received communion.
- ◇ Only one minister/line distributes on the tongue.
- ◇ When the minister is aware that their finger has touched the mouth or tongue of the communicant, they are to stop distribution and sanitize their hand before resuming.

Masks: Out of compliance, caution, and charity for one another, the faithful should continue to wear face masks while entering, moving about, going forward for communion, and exiting all indoor spaces.

Hymnals & Missalettes: Because of the difficulty in sanitizing hymnals & missalettes they are to be removed from the pews. Disposable/single use aids can be produced if needed.

Singing & Choirs: It has been demonstrated that singing can increase the spread of the virus, thus congregational singing should be minimalized. If a choir is used, it should be limited to four singers with increased physical distancing and mask used.
