Religious Education

In the Gospel story of the two sons, each son made a choice about doing their father's will. God is our Father. He gives us free will. We do what God wants when we make loving choices. We do what we want when we make unloving and selfish choices.

FREE WILL Is the power to choose right and wrong and be responsible for one's own actions. God gives every human being the freedom to choose to accept or reject his gift of love. The first three of the Ten Commandments tell us how to love God.

1. I am the Lord your God: you shall not have other gods before me.
2. You shall not take the name of the Lord your God in Vain.
3. Remember to Keep holy the Lord's Day.
