Religious Education

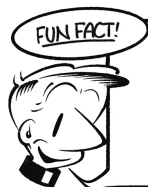

Sunday's Gospel continues with vineyard imagery. The story begins with a man who carefully plants a vineyard and then looks for help to tend it. The people he hires rebel against him. This parable points out the failure of Jesus' own people to accept him. In Catechism we did not use this part of the parable but concentrated on God's care for all Creation and our part in caring for it too. God wants his Church to bear fruit (Matthew 21:43).

Connecting Scripture and Doctrine

God, the Creator, made everything. God is good, so everything he made is good too. God loves everything he has made. God cares for his people and all of Creation. Every person is created by God. We show God our love and thanks for Creation when we take care of ourselves, all living things, and the earth. Good stewardship of Creation is part of the Church's mission. We state our belief in God, our Creator, when we pray the Creed at Sunday Mass..

Life's better when you stop to smell the roses.

Fun Fact! St. Thérèse of Lisieux was a young French woman whose gentle spirituality taught that each of us is like a flower in God's garden.
