### St. Vincent de Paul

In today's Gospel Jesus is quite clear in his message.  
*"bear fruit or be cut down."*

This Lent we are called to cultivate and fertilize our spiritual lives through prayer, fasting and almsgiving. Through your almsgiving you are performing a good work, far greater than you think. Know that your monetary contribution is multiplied by that which is placed by others in the envelopes addressed to St. Vincent de Paul. We thank you for your generosity and prayers without which we could not be able to continue our ministry to the poor.

### 5th Sunday Collection

Ten Percent of next Sunday's collection will be donated to St. Vincent de Paul.

## THE JUBILEE 2025 CORNER

Jubilee Year of Hope  
and upcoming events for Sacred Heart Parish.

The logo chosen for the Holy Year depicts four stylized and graceful figures, in four colors that recall the shades of the rainbow: red, orange, green, and blue. The choice of colors is not random, just as the color of sacred vestments throughout the liturgical year is not. Red symbolizes love, passion, and self-sacrifice, Christ's sacrifice and His boundless love for humanity, but also the fire of the Holy Spirit and His strength that animates Christians. Orange expresses joy, vitality, and enthusiasm, the light that illuminates the path of faith. Green is universally recognized as the color of hope, growth, and rebirth. Blue, finally, symbolizes faith, peace, and tranquility, evoking the sky and spirituality, and inviting contemplation and prayer.

The four figures represent humanity as a whole, in its differences and similarities. They proceed to embrace each other, expressing the solidarity and brotherhood that should unite the peoples of the world. Leading them is the red figure, clinging to a Cross formed by a black curve that ends, at the bottom, with an anchor. The Cross is not rigid, not static, but bends towards humanity as if to embrace it. As for the anchor, Monsignor Fisichella himself explained its meaning: *"As is known, the anchor has often been used as a metaphor for hope. The anchor of hope is the name given in seafaring jargon to the reserve anchor, used by vessels to perform emergency maneuvers to stabilize the ship during storms"* The sense of this symbol in the Jubilee logo is clear: it is precisely in the most difficult moments that we need to rely on an anchor that gives us security and guarantees salvation, and what better anchor than the **Cross, a symbol of Christ** and His infinite love for all of us? The presence of **small, agitated waves** at the bottom of the logo confirms the existence of dangers and obstacles, of those personal events and events of the world that make each of our lives not always easy.

Thus, the logo in its entirety takes on a clear meaning, and the Jubilee, with its twelve months of ceremonies and initiatives, becomes a **long pilgrimage** to be undertaken together, as brothers, towards salvation, guided by the Cross and the hope of salvation promised by God.

**AUTHOR OF THE JUBILEE 2025 LOGO** To choose the logo, an international competition was announced, with 294 participants from 48 different countries. The competition was not only aimed at graphic designers but at anyone who wanted to contribute by presenting their proposal. There were also many hand-drawn designs by children, and the age range of the participants ranged from 6 to 83 years. In the end, the three projects that reached the final selection were submitted to Pope Francis, for him to choose the one he deemed most suitable.

The winner was Giacomo Trevisani, a young graphic designer from Puglia, who explained his graphic choice and the study behind the creation of the logo with these words: *I imagined people of every color moving from every part of the earth towards a common future, and towards a Cross that is Jesus himself. I imagined the Pope leading humanity through a Cross that becomes an anchor, and us clinging to him, symbolizing pilgrims of all time."*
