THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

LETTER FROM PASTOR

WHAT IS YOUR NEW YEAR RESOLUTION?

As I sat there in the lounge, in Doha (a few days ago) waiting for my long lay-over of twelve hours to come to an end before I board for Uganda, I began thinking about what my new resolution for the coming year 2022 would be. Several options came to my mind including those that I made and broke several times before. However, the most prominent new one that kept coming back over and over again was for me to have a perpetual adoration chapel established in our beloved St. Andrew the Apostle. Therefore, this is what I wish to embark on vigorously when I get back from my vacation early February 2022.

However, as I made my own resolution, I suspect most of you are also making your own as well. So, what is your new year resolution? If you do not, have any, St. Andrew, I want to propose one for you right now, but even if you have one, I still want to propose one for you, anyway. And the resolution is this: I.....will become more involved in the liturgical life of my parish in the year 2022!

I chose liturgical involvement as a resolution for you because the liturgy is very close to my heart. Liturgy is very intimately linked to the Eucharist since the liturgical life of the Church is essentially Eucharistic. Moreover, one of our strategic parish goals is Focus on the Eucharist. Each time when we come to Mass to participate in the liturgy of the Eucharist, we become part and parcel of the body of Christ, the Church. However, for us to have a complete experience of the Eucharist, apart from the priests and deacons, several other ministers are involved. These ministers include, Extraordinary Ministers of the Eucharist, Lectors, Sacristans, Ushers, Ministers of care, altar servers, among others.

Unfortunately, since the pandemic, we have been severely short of these ministers. We are actually struggling! So, today, I am reaching out to you all to invite you to consider becoming one of those ministers as part of your new year resolution. On the weekend of the 8th-9th we will be signing up volunteers to support our Parish during Mass in these areas. St. Andrew, we have always been known for our very welcoming disposition towards our visitors. Many of you have confided in me that they joined St. Andrews due to the warmth and welcoming you received the first time you came to the parish and also when on campus attending Mass. On that particular weekend, volunteers from the liturgy department, the parish council, the Stewardship council, the Knights, as well as the Current Ushers and Liturgy volunteers will be out in the Courtyard prior to and right after each of the Masses to invite and sign you up. They will be arriving 20 minutes early to Mass that weekend and staying another 20-30 minutes after their Mass to meet and invite you or members of your family to join. We will have refreshments and tables set up for each Mass...starting with 5pm Saturday as well as the 2pm Sunday which will have cookies and refreshments. After the 7am and 10 am Masses, we will have Donuts. I want to give you every opportunity to sign up with ease and at your own

convenience. Carol, our liturgy director will have sign-up sheets as well as training schedule so that we can sign up and schedule training at the same time.

Please, tune up for my usual Candid Monday Video Message for more details this coming Monday. Will you please consider my New Year Proposal for you? While assuring you of my love for you, St. Andrew, please keep me in your prayers as I head back home to Uganda to visit with my family and friends.

Happy and prosperous new year to you all!

- Fr. Robert

LAST WEEKS WORD OF THE WEEK

In case you missed last week's word of the week at Mass:

The Feast of the Holy Family

The devotion to the Holy Family was born in Bethlehem, together with the Baby Jesus. The shepherds went to adore the Child and, at the same time, they gave honor to His family. Later, in a similar way, the three wise men came from the East to adore and give honor to the newborn King with gifts of gold, frankincense, and myrrh that would be safeguarded by His family.

ADORATION CORNER (TEAM JESUS)

To facilitate our resolution to spend time with Jesus in the Blessed Sacrament, Fr. Josh Johnson proposes a method called the "Five Ws."

1. When will I spend time with Jesus in the Blessed Sacrament?
2. Where will I try to sit to be most conducive for me to grow in intimacy with Christ.
3. What will help me focus on the face of my God? (What will I bring with me to Adoration? What will I do with my cell phone?)
4. Who will hold me accountable for spending time with Jesus?
5. Why am I spending time with Jesus in Adoration of the Blessed Sacrament?
6. Broken and Blessed by Fr. Josh Johnson

The Power of Your Hour - Help Bring Loved Ones Back To Church

People heavily involved in the different Perpetual Adoration Programs throughout the world often report of a loved one, who had left the Church, coming back because of their involvement in Perpetual Adoration. Jesus will use many means to try to bring each of us to Heaven. He may be waiting for you to sign up for a Holy Hour of adoration to bring one of your loved ones back to the Church.

St. Thomas Beckett (1118 to 1170)

Martyr and Archbishop of Canterbury England
 St. Thomas Beckett, in his writings, indicates he was often in adoration before the Most Blessed Sacrament: "If you do not harken to me who have been wont to pray for you in an abundance of tears and with groanings not a few before the Majesty of the Body of Christ".

REFLECTIONS FOR ADVENT

REFLECTION - GOSPEL

January 2, 2022

The Epiphany of the Lord

In his Apostolic Exhortation, *The Joy of the Gospel*, Pope Francis references a thought from Pope Benedict XVI: "Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction." Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, "Thanks solely to this encounter or renewed encounter with God's love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being."

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved.

EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

Remember — the magi didn't chart their own course. They merely followed the star.
