## **May 2, 2021 - A letter from Father Ignatius Mazanowski**

Dear St. John Vianney parishioners,

My name is Father Ignatius Mazanowski and as of May 1, 2021, I became your parochial administrator/pastor. God-willing the Bishop of Phoenix will install me as pastor in the future. For now, I have all the rights and responsibilities as a pastor in my new role as administrator. I am excited and encouraged as I take on the role of pastoring St. John Vianney Catholic Church.

As you all already know, this time of pandemic has been challenging for all of us in many ways. The COVID-19 virus has taken the lives of many good people including family and friends. The Diocese and our parish have taken many precautions to keep everyone safe. I also serve the Diocese of Phoenix as the Director of Medical Ethics and I believe the Diocese did an excellent job and worked hard during the pandemic to keep everyone safe. I especially appreciate the wisdom the Diocese gave us through its COVID-19 guidelines. Thankfully, the pandemic is ending. In January of 2021, we reached a high of 390 deaths and over 13,000 new cases in one day in Arizona. According to the New York Times on April 25, 2021 there were 8 deaths and 661 new cases in Arizona due to the virus. At St. John Vianney, our plan is to implement a 3 Stage approach as we begin getting back to normal. We are continuing to work out the details and at the moment we can share with you some of the changes that will be implemented in Stage I. Please see the bulletin for more details.

I also want you to be aware that I along my parish staff are looking at and evaluating how we do ministry, how we do liturgy, and how we approach finances both at St. John Vianney and at the Chapel of the Holy Cross. As things develop, I will be sharing with you more details regarding each of these. I also welcome any input that you may have. My vision is that we would see a flourishing of many different ministries at St. John Vianney and the Chapel of the Holy Cross. I want us to have wonderful, beautiful, and prayerful times of worship together as we celebrate Mass and have times of Eucharistic adoration. I also thank you for all your generosity in the past, especially through your financial giving to the parish. St. John Vianney is fully dependent on your continued generosity and I am very grateful for all those who make the sacrifice to donate financially to the parish.

As some of you know, I am the oldest of 8 children and the oldest of 55 grandchildren. I come from a big Polish Catholic American family and one of the ways I see St. John Vianney Catholic Church is what I call a “family of families.” We each have our own individual family and we come together to make one family. Families care for and watch out for each other. Families are there when we are strong and healthy and when we are sick and declining. Families forgive each other and begin again especially when it is not easy. Families are honest with each other and are not afraid to say hard things out of love. Families pray and worship God together through the Sacraments of Baptism, Eucharist, Confession, Confirmation, Matrimony, and Anointing of the Sick. Families celebrate new life and mourn the passing of loved ones together.

Please help me to make St. John Vianney into the “family of families” that God desires. Know that I pray for you each time I celebrate mass and in my daily prayers and thank you for your prayers for me.

God bless you – Father Ignatius Mazanowski, Administrator of St. John Vianney

## LIVE THE LITURGY Inspiration for the week

Anyone familiar with gardening knows that proper and timely pruning is essential. The health of the plant depends upon it. An unpruned tree can quickly produce suckers that zap many of the essential nutrients from its body. Pruning requires patience and vision. Studies reveal that plants often respond defensively to being pruned, displaying reactions that are similar to hurt or discomfort. Pruning is not easy but necessary. A hard lesson for us to learn is that we also need to be pruned. We become far healthier when we allow God to stretch, refine, and form us into the best version of ourselves. The fruit that then comes from our vines will be more abundant, nutritious, and robust. Left to our own devices we can easily find ourselves running amuck and spiraling out of control. Without a proper vision and trust in the Master Pruner, we will never find the contentment we desperately desire. Nor will the work of the Gospel stand a chance of succeeding.

## COVID-19 new Guidelines for St. John Vianney Catholic Church

### Stage I

**Seating** – parishioners are encouraged to social distance, but we are not going to close off every other row. We ask you to have 6 ft (in front, behind, to the left and right) between you and non-family members. At the same time, we will continue having parishioners in each row and will no longer be blocking off rows.

**Dismissal** – when you dismiss at the end of Mass we ask that you social distance. This means we all need to be patient as we dismiss. We are no longer going to dismiss row by row, but ask that you social distance as you dismiss.

**Collection** – in the near future we will begin using collection boxes with extended handles. Those who are seated in the middle of the row can still leave their donation on the way out.

**Optional communion on the tongue** – there are some who have waited a year to receive communion on the tongue. Going forward this will be an option. Father Ignatius' communion line will be dedicated to those who want to receive communion on the tongue. You asked to kneel down on the kneeler to receive communion on the tongue.

More Stage I changes will be coming in the following weeks. Thank you for your patience and for helping to make St. John Vianney safe.

### *IMMACULATE CONCEPTION CATHOLIC SCHOOL NEWS,*

Immaculate Conception Catholic School is NOW Enrolling for the 2021-2022 school year. If you are interested in sending your children to ICCS please call or stop by the office to pick up an application. The school is already preparing for next year! Teachers will begin building their class rosters this month. A Catholic education is possible with the many scholarship opportunities available to help with tuition costs!

Part of the planning process to prepare for the coming year is accessing the needs of the school and finding ways to best serve our students going forward. Our current preschool equipment in our outdoor classroom and playground needs to be replaced with more durable, longer lasting items. Preschoolers learn by engaging in outdoor play, as these experiences are essential to young children's physical, cognitive and social-emotional development.

Due to covid the school has no opportunity to conduct fundraising events to provide the necessary funds for acquiring this equipment. The Preschool is asking for monetary donations to help meet our goal of \$9250 to obtain this equipment. Included in below are pictures of our current outdoor space and equipment that needs to be replaced, as well as pictures of the items that we are looking to acquire. Donations will be accepted at the school office. The school has been blessed in so many ways, God always provides. ICCS is incredibly grateful for the love and support of our parish community! God Bless!

## *Want to Get Away??*

*Immaculate Conception Catholic School will start selling raffle tickets for a choice of 3 -airfare included trips! Raffle tickets are sold in increments: 1 ticket for \$10, 3 tickets for \$25 and 10 tickets for \$75. **THE SOCIETY OF ST. VINCENT DE PAUL**

In the Gospel today, Jesus says "Whoever remains in me and I in him will bear much fruit, because without me you can do nothing." Indeed, by helping the poor we can "bear much fruit" and we find that with Jesus we can do everything.

Your gift to the Society of St. Vincent de Paul shows that you are indeed the disciple of Jesus as your gift will bring your love to those who live in fear and doubt, loneliness and dread.
