## EVERYDAY STEWARDSHIP -

## The Light of the Moon

If you own a television that has been turned on at any point in the last month or so, chances are you've caught at least a scene or two of the 1946 classic film "It's a Wonderful Life."

If you're not familiar with the movie, it follows the life of George Bailey from childhood through adulthood. A dreamer by nature, George has big plans for himself that involve world exploration and adventure — but family and community obligations keep him tethered to the same spot on the map, leading an altogether ordinary life.

One of the most memorable scenes from that movie is of George dancing with his sweetheart Mary while they sing "Buffalo Gals — Won't you come out tonight/And dance by the light of the moon?"

That lyric always catches my ear. Of course, the moon doesn't have any light of its own. All the moon has is the ability to reflect the light that shines upon it.

The same holds for us, doesn't it? Our stewardship is purely a reflection of the grace granted to us by another. "Upon you the LORD shines," writes Isaiah, "and over you appears his glory." Every good action we will ever take begins in the mind of God. The fact that we have the honor of carrying it out on His behalf is a beautiful gift. It is God that makes our ordinary lives extraordinary.

In the end of the movie, George Bailey realizes that he had a far greater life because, instead of being the hero of his own story, he allowed himself to reflect goodness onto others.

**Remember — the magi didn't chart their own course. They merely followed the star.**

Matthew 19:14

**St. Elizabeth Ann Seton | January 4**

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph’s Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter’s Square by Pope Paul VI and was the first citizen born in the United States to be given the title of “saint.”

Sunday Missals are now available in the Parish Office For a donation of \$5

Office will be closed on **January 3rd** due to our holiday hours.

Pope Francis called for a Synod, which is a special kind of Council, on the subject of journeying together as a Church during these times. Part of the preparation for the Synod is the Diocesan Consultation, that is, engaging people in a conversation about journeying together better as a Church - and a deeper communion of life with Jesus and the faithful.

At St. Rose, we invite everyone to be part of this process by answering the **consultation questions**. Other options are; **big discussion groups** and **focus discussion groups**. Let us journey together as a Church; we need your voice, we need your stories, and your real-life experience of communion, participation, and mission.
