Fifth Sunday in Ordinary Time

Do you have enough? Many of us come from a nation of material abundance. We have all the things we could possibly need not only to survive, but to thrive - food, shelter, mental ability, income, access to medical care. Most people in human history lived with far less than we. So why are we so dissatisfied? Some Christians can be drawn to the "prosperity Gospel." This is the idea that following God will bring us material abundance in this life.

That surely seems to be the story of today's Gospel! Peter and his friends chose - with some faith - to put out their nets a final time at Jesus' command. "They caught a great number of fish and their nets were tearing. They signaled to their partners in the other boat to come to help them. They came and filled both boats so that they were in danger of sinking." What gift! What abundance! What prosperity! Peter and his friends caught more fish than they'd ever seen. Yet what is their response to this material abundance, this gift from God? They leave it behind. "When they brought their boats to the shore, they left everything and followed him."

Praying for God to meet our physical, material needs is not a bad thing! Jesus himself includes "give us this day our daily bread" in the prayer he teaches his disciples. The question is, how do we respond when our prayers are answered? Do we thank God briefly, or perhaps ignore Him completely and move on with our lives? Or do we respond as Peter did? "God? You showed up in an area that has no bearing on my eternal salvation. You gave me a gift I didn't even really need. You love me! You really do love me." Is our gratitude only surface level? We should allow ourselves, like Peter did, to respond with wonder, awe, and deeper discipleship.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Have you ever felt a compelling urge to respond to a situation and then found yourself questioning whether you should do so? Fear often takes hold of us, and we find ourselves making excuses for why it is better to just mind our own business. There is a voice within each of us that is saying, "Follow me". What does this prompting mean? The purpose of discipleship is not to secure our own station in life and enhance our comfort zone. Discipleship is about taking risks and venturing forth into the unknown, tending to the needs of others and being prophetic voices of change. We will not drink deeply of life until we listen to the voice of God within. When God asks, "Whom shall I send?", you should reply, "Here I am! send me!"

**EVERYDAY STEWARDSHIP -
 RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

Have you ever participated in various trust exercises, where you have to place your faith in others around you? Maybe it was falling backwards with your eyes closed while the person's voice speaking to you seemed to drift further away. Maybe it was jumping from a height into people's arms that didn't seem strong enough to catch you. These activities were supposed to show you the meaning of trust and help grow that trust in you for your comrades. Sometimes it worked. Other times, some prankster would actually let you fall, and then you learned to trust no one. So much for building up our ability to trust.
