Dear Friends,

Thank you very much for listening to me last week at Mass and responding immediately with an open heart. Our collection last week was one of the best we have received for a while. At the same time two families gratefully gave me another $20,000.00. If we can continue that generosity every week, we can function well as a parish. Thank you again.

I told you in my first homily at St. Thomas More that Mary didn’t know what she was getting into when she said yes to God’s call. In the same way, I have to and will trust in God’s providence. I have been here as your pastor for just 9 weeks now. Today I am coming to you with a lot of humility and asking for your help. We are in dire need in two areas...CSA and weekend contribution.

Each year the Catholic Stewardship Appeal (CSA) provides us with an opportunity to help spread the Gospel of Jesus Christ and to build the Kingdom of God here in our parish and our diocese. Thousands join together in this appeal to help those in need among us and help fund the critical work of our diocese and its ministries. For many, it is a way of giving back for the many blessings they have received from God. The Diocese of Las Vegas assigns every parish a particular CSA assessment based on their annual income.

In January we embark this campaign in our parish. Our assessment for 2019 is $219,932.00. After the parish assessment is reached, 100% of any additional donations are returned as a rebate to our parish. As of today, $156,044.00 pledged by 429 families or individuals and have collected $122,199.00. As a result still we are behind of $63,898.00. If we failed to reach this goal, we have to pay the difference immediately with an open heart. Our collection last week was one of the best we have received for a while. At the same time two families gratefully gave me another $20,000.00. If we can continue that generosity every week, we can function well as a parish. Thank you again.

This year’s CSA theme, “In Your Light We See Light,” reminds us of our mission to be and bring Christ’s light to the world. Through our contributions to the Catholic Stewardship Appeal, we try to fulfill this responsibility by funding vital ministries and services in our diocese and our parish. Among these ministries are the promotion of Vocations, Seminarian Formation and care of priests, Faith Formation, Youth Ministry, Campus Ministry at UNLV, Catholic Charities, St. Therese Center, and support for Catholic Schools. These and many other services depend on our generous response to God’s call.

CSA also provides the opportunity to support our St. Thomas More family and parish ministries. St. Thomas More Catholic Community makes God’s love visible in so many exciting ways.

One important and visible way is through our church building. As the house of God and the house of the People of God, it is the place where we gather to meet God in Word, Sacrament, and Community. As such, it deserves our ongoing care and attention. Many of our parishioners brought to my attention the need of new carpets, a new sound system, new locks for the church doors and some shaded area for the front of the church.

In 24 months (September 26, 2021) we will celebrate the 25th Anniversary of the dedication of our beautiful church. In order to pay tribute to all that has been accomplished at our church since its dedication and prepare for this celebration and the many years to come, we would like to embark on a Parish Refurbishment Project. Any funds over our goal will be saved for this purpose.

Our parish has set a goal of 100% participation for this year’s Catholic Stewardship Appeal. We hope that every parishioner or parish household will fill out and return a pledge card. We ask that you prayerfully consider a pledge of $200 or more according to your blessings. This offering can be paid in four monthly installments ($50x4).

I would also like to present to you the current financial status of the parish...

Over the past few years, our income has declined and our expenses have gone up. Compared to summer around this time last year, we are down about $2,000.00 a week. Our weekly income now averages about $120,000.00 a month, while our expenses are much higher. Between salaries, health insurance, benefits and diocesan assessment, we need about $123,000.00 a month to operate and that is without bills and other expenses. I will publish the final finance statement within the next two weeks. We need over $35,600.00 a week in order to operate the church without using our savings.

I do not ask anybody to do something that I don’t do or believe in. I am not making a lot of money, but I am still willing to make a sacrifice. I plan to cut down on things, such as eating out. I will set aside that money for CSA and weekly contribution.

We, as a staff, already started negotiating contracts to cut down the expenses and we all agreed to be more conservative with our spending.

We realize this may be challenging for some of you, but we ask that you consider giving what you can and if you can double your usual contribution, it is greatly appreciated. If you are unable to give this year, please offer a prayer for the success of CSA or give of your time and talents to a ministry in need. We are grateful for all you do for our parish and pray that God continues to bless you and your loved ones.

Yours In Christ,

Fr. Bede Wevita
Pastor

The two-sided cards above are available at our parish or by mail.

The overall goal of CSA this year remains at $2,700,000.00. Each parish shares in that goal, and once the individual parish goal has been reached, 100% of the funds beyond that goal are rebated back to the parish.

Here is the breakdown of CSA funds:
- Vocations and Education & Care of the Priests (51%)
- Faith Formation (18%)
- Campus Ministry at UNLV (10%)
- Pastoral Outreach (15%)
- Leadership and Oversight of Catholic Education (6%)

Please join us in realizing “in your light we see light,” by helping to fund these many ways in which the light of Christ is shared. Thank you for your generosity. You enable care for and ministry to people all over the Diocese of Las Vegas.

GOSPEL MEDITATION
ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Can you imagine if Jesus threw a party? From the wedding feast at Cana, we know he wouldn’t let the wine run out. From this Sunday’s Gospel, we know there would be quite a lively array of guests! We also knew who the most important people would be - everyone. Jesus advises throwing a party that turns everything upside down. Everyone should assume they’re the least important attendee, and the guest list shouldn’t include the neighborhood “who’s who.” Rather, we should go looking for “the poor, the crippled, the lame, the blind” and hope they RSVP. Jesus describes a particular posture towards our own hospitality.

Parties are about the other people. "Do not recline at table in the place of honor." How often can small talk become a one-upmanship of job promotions, home renovations, and our children’s achievements? We’ve all been to parties where being the most interesting guest is the highest achievement. Yet so often, we know the best party guests are the ones who listen well to our stories. Whether we are guests or hosts, we have the opportunity to look on others with humility and awe.

Parties are opportunities to serve. Jesus advises us to be careful who we invite "in case they might invite you back and you have repayment." Does Jesus literally mean we shouldn’t invite our friends over? Of course not! But he does invite us to special consideration when we offer hospitality. When we invite people over to our home, what motivates us? Who we want to spend time with? Who we’d like to impress? These ultimately have only ourselves in mind. How about asking: Who could use some extra care right now? Who could benefit from a fun evening out? In other words, who can I serve?

LIVE THE LITURGY
INSPIRATION FOR THE WEEK

Humility is often misunderstood as feeling inferior about ourselves and carrying around feelings of unworthiness. For many, humility is not considered a strength of character but a negative attribute and sign of weakness. Conversely, in fact, authentic humility is found in the person who is firmly grounded in reality, able to be honest with him or herself, and in right relationship with others and God. A humble person understands his or her place in life and who they are. While placing themselves at the service of others, they are comfortable in their own skin and able to step aside and let others go first. Knowing our proper place in life, offering appropriate respect, and looking to the needs of others are things that will enhance our lives and the lives of our brothers and sisters. Are you humble?

Patients who feel supported experience less pain.

Studies show that when you feel encouragement from your doctor, it actually helps reduce pain. It’s a scientific fact that reminds us why humankindness is at the heart of everything we do at Dignity Health - St. Rose Dominican.

NEXT WEEKEND: BLOOD DRIVE SEPTEMBER 8TH, 2019

Why should I give blood? Who needs it?
Many have need for human blood and blood components. For instance, the new born baby, the cancer patient, the surgery patient, the burn patient, and of course the accident victim. Giving of yourself in the form of a blood donation for another person is one of the greatest gifts we, who are at least 17 years of age (no upper age limit) and are reasonably healthy, can give to another person. The summer vacations and Holidays put a great strain on the blood supply especially here in southern Nevada.

So, if you can, please make a donation in our STM Community Center on Sunday, September 8th from 7:00 AM to 2:00 PM

It only takes less than one hour to help save a life.
