LIVE THE LITURGY

Inspiration for the week

God shows up in unexpected ways! Just when we think we have God's agenda figured out, another surprise comes. Expecting to find God only in some places hinders us from finding Him everywhere. Who would have thought that a young boy's few loaves and fishes would feed thousands of people? The disciples were probably just as amazed as everyone else when this feast appeared before them. Sometimes, we find it difficult to believe that God can do amazing things with something small and simple. Yet, grasping this truth is really at the heart of understanding the power of the Eucharist. Having the Body and Blood of Christ made present for us is one amazing wonder. Actually being fed and nourished by that gift is another. Now being able to become what we have eaten, God can do tremendous things with the simple, humble gifts of our lives. All we have to do is realize that God dwells within us. When we do, then everyone we encounter and everything we do has the power to become a sacramental moment. When done with great love even the smallest gesture can be multiplied exponentially. Now, that's amazing!

GOSPEL MEDITATION - DEEPER UNDERSTANDING OF SCRIPTURE

July 25, 2021
17th Sunday in Ordinary Time

St. Oscar Romero said, "We cannot do everything, and there is a sense of liberation in realizing that. This enables us to do something and to do it very well. It may be incomplete, but it is the beginning, a step along the way, an opportunity for the Lord's grace to enter and do the rest."

There were a group of ladies many years ago who made quilts. They were beautiful creations reflecting inspirational designs artfully composed from the simple scraps of fabric each woman would bring to their individual pieces. There was no plan for the finished project as each finished work became the combined creation of what each woman contributed. They abounded in vibrant colors and dazzled the beholder with intricate patterns and their myriad textures. They were so beautiful that they became coveted family treasures passed from generation to generation. Those women never realized the power of their work. Countless babies rested in the comfort of those quilts warmly nestled in the legacy of tradition they were fortunate to inherit. They adorned countless homes with their beauty and brought joy and solace to many faces.

We cannot do everything. We are not meant to. Our work in life is to contribute our individual piece, a piece that reflects the unique thumbprint I claim as my own. We only have to do small things well. Then, as St. Oscar Romero reminds us, the Lord's grace will enter and do the rest. We have to trust that this is true just as those women trusted in the eventual beauty of their final work.

Eucharistic blessings are blessings that start small and multiply. We all come to life with only a few loaves of bread and a few fish. Not any single one of us has all that it takes to transform our world. Who knows what God will do with the little we have and how many will benefit from our kindness, compassion, wisdom, courage, conviction, love, warmth, zeal, faith, and hope? That young lad never dreamed that his few leftovers would do all that they did. God shows up in unexpected ways! Where would life's adventure and fun be if it were any other way? Being able to be part of bringing God's creative, transforming, healing to the world opens us up to wonder, awe, and excitement! We can all bring our little piece to the bigger work of God that can result in being a coveted jewel passed generation to generation. This is good news indeed!

Bread and wine transform into Christ's Body and Blood and we become what we eat. Trust that.

LAS LECTURAS Y CONMEMORACIONES SEMANALES - INVOLUCRAR A PARROQUIANOS EN MISA Y ORACIÓN DIARIO

25 de julio 2021
17º Domingo del Tiempo Ordinario

A partir de hoy, durante varios domingos, las lecturas del Evangelio no se tomarán de San Marcos sino del capítulo 6 de San Juan., en el cual podremos escuchar sobre el milagro de la multiplicación de los panes. Las gentes que acudieron al encuentro de Jesús y sus enseñanzas sintieron hambre. El Evangelio nos dice que, Jesús, pues, levantó los ojos y, al ver el numeroso gentío que acudía a él, dijo a Felipe: "¿Dónde iremos a comprar pan para que coma esa gente? (Juan 6:5). Enseguida, viene el diálogo de pregunta y respuesta entre Jesús y Felipe. Andrés se dio cuenta que un muchacho traía cinco panes de cebada y dos pescados. Pero, ¿qué es esto para tanta gente? Jesús dijo: "Hagan que se siente la gente (Juan 6:10). Enseguida, Jesús dio las gracias y repartió el pan entre los que estaban sentados. Lo mismo hizo con los pescados.
El milagro vino, todos comieron hasta saciarse y recogieron todavía doce canastas con lo que había quedado. Jesús es el Pan de Vida que se da como alimento para nuestra jornada. El Papa Francisco nos dice: "¡La multiplicación de los panes y de los peces es un signo del gran don que el Padre ha hecho a la humanidad: es Jesús mismo! El, verdadero pan de vida, quiere saciar no solamente los cuerpos sino también las almas. --- El Señor nos invita a no olvidar que, si es necesario preocuparse por el pan, todavía más importante es cultivar la relación con él, reforzar nuestra fe en él, que es el pan de vida, venido para saciar nuestra hambre de verdad, nuestra hambre de justicia, nuestra hambre de amor. (8/5/2018). Y durante este tiempo de pandemia, nuestra necesidad de sanar.
