Nativity News

When we unwrapped our nativity set last year we discovered a couple of the pieces had broken. A

nativity scene serves as a meaningful reminder of Jesus' birth and His humble origins. We have decided that we will be purchasing new 18 inch figures from Fontanini. These figures are made out of break resistant Polymer resin which should serve us for years to come. If you would like to contribute towards our new Nativity set you may do so by writing "Nativity" in the memo section of your check or putting cash in an envelope marked "Nativity". Donations can be placed in the offertory basket during Mass, brought to the Parish Office, dropped in the mail slot next to the Office door or mailed.

PLEASE LOCK YOUR CAR AND DO NOT LEAVE VALUABLES INSIDE!

Remember to lock your car and don't leave anything on display. An unlocked door or even an old coat on the back seat can be a temptation. Thieves will open a car or smash a window just to take a bag or box. They steal first and think about value later. On Oct. 15th items were stolen from a parishioner's unlocked car during Mass. If you happen to see any suspicious activity while in our parking lot please report it to an usher or staff member so that we can be watchful.

FULL OF THANKS

Special thanks to all who organized, volunteered and participated in our **Fall Clean Up Day** last Saturday and to those who have been giving their time to mow, plant, weed and prune through the summer months. We are blessed to have so many caring parishioners that help us to maintain our parish grounds. Thank you **ALL!**

The sessions will be held at 10:00 a.m. and 7:00 p.m.**

The Story and You

Sacred Conversations

Twenty-ninth Sunday in Ordinary Time

How embarrassing. Those wily, smarmy Pharisees thought they had the perfect trap for Jesus. They began by revealing that they already knew much about His extraordinary character. From His miracles and parables they had to admit that He didn't pander to people of any particular status, and that He was bluntly honest about the hypocrisies of those in religious power.

So, they began by flattering Him. No, YOU don't care what anybody thinks. YOU are pure as the driven snow. (Their sarcasm drips off the page.) And then they set their trap: we know that YOU wouldn't do anything unlawful for Jews to do, so, what about the tax demanded by the Romans? Would you pay it? Hmmm?

And then He set the trap for them. "Show me the coin used to pay the tax." And they took it out of their pockets. Jesus was kind not to humiliate them right there, but, when they thought about it later, they must have blushed. Jews were forbidden to carry Roman coins, because the coin that circulated in Israel at the time of Christ was stamped with not one but TWO images of the Roman emperors.

The front of the coin showed the head of Tiberius, and the back had the head of Augustus, with the Greek inscription, "God Augustus Caesar." So, for a Jew to carry a Roman coin it meant that that person was breaking the first commandment, "Thou shalt not have false gods before me."

Jesus doesn't ask them how they reconcile their public personas with the obvious hypocrisy of caving to the culture. We don't get to grin too hard, lest He should ask us the same question.

What parts of the culture are the most tempting for you?
