He bent down and saw the burial cloths there, but did not go in. When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth that had covered his head, not with the burial cloths but rolled up in a separate place. - Jn 20:5-7

## **FR. JEREMY HAZUKA ~ PASTOR**

Dear parishioners of Saint Michael's,

Happy Easter from Father Rowan, Father Brouillette and me (Father Hazuka)! A BIG THANK YOU goes out to all who helped to make Holy Week a profound opportunity to meditate upon the mysteries of our salvation, especially as we continue to work with COVID concerns. All the people who helped – servers, lectors, acolytes, those who set up for the liturgies and who decorated, and our accompanists and cantors. I really appreciated your cooperation and participation. May the blessings of the Resurrection be truly yours! Alleluia!

Next Saturday, April 10, is **First Communion**. We will have a separate First Communion Mass at 6:30 p.m. to allow for extra family and friends to attend and to be seated comfortably without serious inconvenience. (There will be no “mask required” Mass.)

Next Sunday, April 11, is **Divine Mercy Sunday**. A special Holy Hour celebrating this day will be held at **3:00 p.m.** Please join us. Novena pamphlets will be available in the back of church.

The message of Divine Mercy is that God loves “all of us” no matter how great our sins. He wants us to recognize that His mercy is greater than our sins, so that we will call upon Him with trust, receive His mercy, and let it flow through us to others. Thus, all will come to share His joy. It is a message we can call to mind simply by remembering ABC.

**A – Ask for His Mercy.** God wants us to approach Him in prayer constantly, repenting of our sins and asking Him to pour His mercy out upon us and upon the whole world.

**B – Be merciful.** God wants us to receive His mercy and let it flow through us to others. He wants us to extend love and forgiveness to others just as he does to us.

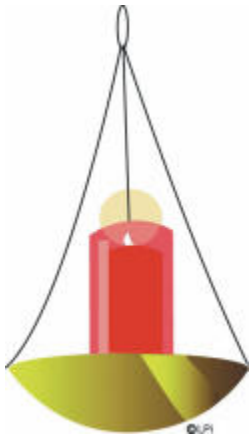

**C – Completely trust in Jesus.** God wants us to know that the graces of His mercy are dependent upon our trust. The more we trust in Jesus, the more we will receive.

Devotion to the Divine Mercy involves a total commitment to God as Mercy. It is a decision to trust completely in Him, to accept His mercy with thanksgiving, and to be merciful as He is merciful. Prayer pamphlets and cards are available in the back of Church.

As mentioned in last week's bulletin, the “rejuvenation” project will begin April 12 (after the morning Masses). Beginning April 13, Mass will be in Theisen Hall throughout the spring and summer months. Please be patient with this temporary move. It may take a couple weeks to get the hang of assembling and having Mass in the parish hall, and there may be some adjustments along the way. Links with information about the project are on the parish website. We also hope to provide picture updates for the project as it progresses.

Links for all the Lenten series sermons are available on our YouTube pages (accessible from the parish website). Thank you to the priests who spoke for the series.

God bless,  
Fr. Jeremy Hazuka

## Bunnies and Eggs as Easter symbols

Despite what you might read on social media, Eggs and Bunnies have been symbols of the Easter story since the very early years of Christianity. The Egg was first used in Passover celebrations going back far before the time of Jesus as a symbol of the Jewish people during times of persecution. Rulers would try to turn the heat up on the Jews, so to speak, but that only made them stronger. A cooked egg is solid and does not break easily, a reminder to Jews celebrating Passover that they are made of stronger stuff than they think.

A traditional Passover seder plate

An Easter bunny who brings the Easter eggs, also is much more than a secular Easter symbol that has long been associated with Mary, the Mother of the Church. Christian art in early prayer books from the Middle Ages often had images of a rabbit or hare in the margins, invoking Mary. Even some of the tombs of martyrs, called catacombs from ancient Rome have crude depictions of rabbits painted on the walls like graffiti. This was a secret way of invoking our Mother Mary's protection over the tombs of the dead with symbols the Romans would not understand.

A whimsical Medieval Pieta depiction from an 11th Century illuminated manuscript shows Mary, depicted as a hare, holding the body of Jesus as he is taken down from the cross.

Many of the early followers of Jesus were Jews, and the religious symbol of the egg took on a new meaning with the Resurrection of Jesus with the shell being a tomb that the chick (Jesus) burst out of. Early Eastern icons depicting the Resurrection often intentionally used the egg shape as a Tomb symbol.

While some Pagan religions may have concurrently used eggs or rabbits as symbols, there is no direct historical evidence that Christianity appropriated such symbols from them. If Christians borrowed them from any one group, it was from Christianity's historic roots in Judaism and viewing Jesus as the Paschal (Passover) lamb. Easter eggs and bunnies have a long and rich history in Christianity.

Happy Easter!
