This is what John the Baptist proclaimed: "One mightier than I is coming after me. I am not worthy to stoop and loosen the thongs of his sandals. I have baptized you with water; he will baptize you with the Holy Spirit."

December 21,2020 Note on the morality of using some anti-Covid-19 vaccines:

The California Catholic Conference affirms that the imminent Pfizer and Moderna COVID-19 vaccines are morally acceptable and commits to working closely with Catholic health care ministries and Catholic Charities to: Promote and encourage COVID-19 vaccinations in collaboration with state and local governments and other entities; Advocate on behalf of vulnerable populations to ensure that they have access to safe and effective COVID-19 vaccines; and, provide regular and accurate information to parishioners and the community in support of morally acceptable, safe and effective COVID-19 vaccines.

Life has changed this year in ways few of us could have imagined. The COVID-19 pandemic has brought loss of life and livelihood to every community, rich and poor. We mourn for those who have died and for their families, and we offer our prayers and assistance to those struggling with loss of businesses, unemployment, loneliness, anxiety and other traumas brought on by this calamity. Fortunately, two COVID-19 vaccine candidates will likely be granted emergency use authorization from the U.S. Food and Drug Administration (FDA) before the end of the year, and one or more vaccines will likely become widely available in 2021. While the vaccines are still under review, they have been extensively studied in rigorous clinical trials and early safety and effectiveness findings look promising. The chairs of the U.S. Catholic Conference of Bishops' Committees on Doctrine and Pro-Life Activities, the Catholic Health Association and other respected moral theologians have found the early vaccine candidates to be morally acceptable.

We welcome this news and look forward to the distribution of safe and effective vaccines with a sense of relief while recognizing the formidable logistical challenges that lay ahead for vaccine developers, health care providers, governments and others. All the dioceses in California together with Catholic health care ministries and Catholic Charities support the eradication of disease that disrupts human life.

The Pfizer and Moderna vaccines promote health in face of a devastating pandemic that no one expected. We want to reemphasize that the origins of the vaccines are morally acceptable from a Catholic perspective and their advancement fosters the common good. We also affirm that those who are most vulnerable must have a privileged place in their distribution and allocation. Therefore, California dioceses, various state and local outreach ministries, Catholic health care systems and hospitals offer to assist with this massive undertaking in the following ways: The California Catholic Conference, Catholic health care systems and Catholic Charities commit to promoting and encouraging COVID-19 vaccinations in the communities we serve.

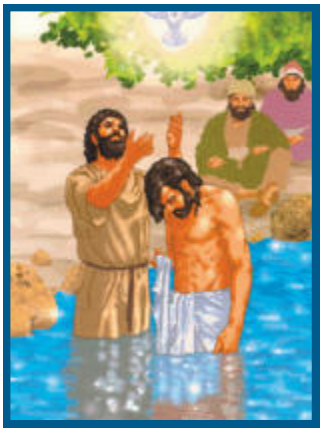
VIVIR LA LITURGIA - INSPIRACIÓN DE LA SEMANA



Llevamos una mayor confianza en nosotros mismos y la posibilidad de tener éxito cuando tenemos afirmación, un sentido de dirección y un propósito claro en la vida. Cada uno de ellos sirve para dotar de sentido a nuestra vida, permitiéndonos establecer claramente prioridades y metas. También son necesarios para la integridad, que es la convicción y la determinación que nos mantiene enraizados en la verdad de quiénes somos. "Tú eres mi Hijo amado; contigo estoy muy complacido." El bautismo de Jesús le proporciona exactamente lo que necesita para llevar a cabo su misión como Hijo de Dios. Se le da lo que necesita para tener éxito en el cumplimiento del propósito para el que fue enviado. Nuestros bautismos nos dan estos mismos dones. Recibimos la afirmación que necesitamos de Dios, sabiendo que somos uno de sus amados hijos e hijas. Estamos dotados de la dirección y el propósito claro que necesitamos para ser corresponsables productivos y cristianos fieles. ¿Estamos listos y dispuestos a responder al llamado?

En observancia del día del Dr. Martin Luther King Jr. las oficinas parroquiales estarán cerradas el lunes 18 de enero 2021

NO MAS REGISTRACIONES EN LINEA PARA ASISTIR A MISA
La dispensa de no estar obligados a ir a Misa el domingo continúa en efecto hasta el 31 de enero del 2021. No recomendamos que vengan las personas mayores y los que tengan problemas de salud.
Ya estamos celebrando sacramentos de iniciación, bodas, quinceañeras, bautismos y funerales.
Importante: Si quiere participar en Misa y recibir la Comunión, debe obedecer normas y protocolos específicos. Si usted no quiere o no se siente capaz de obedecer estas normas, le pedimos que por favor se quede en casa y participe en la Misa en línea.
1) Solamente 150 personas pueden participar (no incluye el sacerdote y sus asistentes).
2) Todos los participantes mayores de 10 años deben llevar mascarillas o cubre bocas durante la Misa y mientras estén en la propiedad de la parroquia.
3) Nadie será admitido hasta que las puertas abran, treinta minutos antes de que la Misa empiece. Necesitamos bastante tiempo antes y después de cada Misa para desinfectar el edificio y los baños.
4) Se debe observar el distanciamiento mientras se espera para entrar.
5) Se les tomará la temperatura a todos antes de entrar a la iglesia.
6) Todos los participantes deben traer su propio desinfectante de manos.
7) Se tomará su nombre y teléfono en las listas de asistencia.
8) Para la colecta se utilizarán canastas de mango largo para poner su donación. Por favor tenga su donación lista.
9) No habrá agua bendita en la iglesia.
10) Un ministro de hospitalidad lo conducirá al asiento que le toca, manteniendo el protocolo de distanciamiento social. Los miembros de una misma familia podrán sentarse juntos.
11) Por favor no pida asientos especiales. Algunos espacios deberán permanecer vacíos para cumplir el distanciamiento social.
12) No habrá rito de la paz (no darse la mano o besarse).
13) La Santa Comunión se llevará a los fieles a sus asientos mientras ellos permanecen de pie. Debe tener la mascarilla puesta hasta que el sacerdote/Ministro se haya movido y luego comulgar. La Comunión solamente se dará en la mano. Si Usted no se siente cómodo entonces haga una Comunión Espiritual.
14) Al final de la Misa, por favor permanezca en su asiento hasta que un ministro de hospitalidad le indique cómo salir.
15) Les rogamos a todos los participantes a dirigirse directamente a sus vehículos después de Misa y no congregarse en ninguna parte de la propiedad a socializar.

Antes de venir a la iglesia todos deben estar de acuerdo en cumplir estas normas.
¡Muchas gracias y que Dios los bendiga!

Obispos Presidentes de los Comités de Actividades Pro-Vida y Doctrina abordan las preocupaciones éticas relacionadas a las vacunas contra el COVID-19

Conferencia Católica de California, Ministerios de la Salud Católicos y Caridades Católicas Apoyan Vacunas Contra el COVID-19 La Conferencia Católica de California afirma que las inminentes vacunas contra el COVID-19 de Pfizer y Moderna son moralmente aceptables y se comprometen a t rebajar en estrecha colaboración con los ministerios de la salud católicos y Caridades Católicas para: Promover y fomentar la vacunación contra el COVID-19 en colaboración con los gobiernos estatales y locales y otras entidades; Abogar en nombre de las poblaciones vulnerables para garantizar que tengan acceso a vacunas seguras y eficaces contra el COVID-19; y Proporcionar información continua y precisa a los feligreses y a la comunidad en apoyo de las vacunas contra el COVID-19, que sean moralmente aceptables, seguras y eficaces. La vida ha cambiado este año en formas que pocos de nosotros podríamos haber imaginado. La pandemia COVID-19 ha supuesto la pérdida de vidas y medios de subsistencia para todas las comunidades, ricas y pobres. Lamentamos la muerte de antas personas y acompañamos a las familias en su dolor, también ofrecemos nuestras oraciones y ayuda a aquellos que luchan con la pérdida de negocios, el desempleo, la soledad, la ansiedad y otros traumas causados por esta calamidad. Afortunadamente, es probable que la Administración de Alimentos y Medicamentos de los Estados Unidos (FDA, por sus siglas en inglés) autorice el uso de emergencia de dos posibles vacunas contra el COVID-19 antes de que finalice el año, y es probable que una o más vacunas estén ampliamente disponibles en el año 2021. Si bien las vacunas todavía están en proceso de revisión, se han estudiado ampliamente en rigurosos ensayos clínicos y los primeros resultados de seguridad y eficacia parecen ser prometedores. Los presidentes de los Comités de Doctrina y Actividades Pro-Vida de la Conferencia de Obispos Católicos de los EE.UU., la Asociación Católica de la Salud y otros prestigiosos teólogos morales han juzgado que las primeras posibles vacunas son moralmente aceptables.
Acogemos con beneplácito esta noticia y esperamos con interés la distribución de vacunas seguras y eficaces con una sensación de alivio, reconociendo al mismo tiempo los formidables desafíos logísticos que se avecinan para los fabricantes de las vacunas, los proveedores de atención de la salud, los gobiernos y otros. Todas las arqui/diócesis en California conjuntamente con los ministerios de la salud católicos y Caridades Católicas apoyan la erradicación de las enfermedades que perjudican la vida humana. Estas vacunas de Pfizer y Moderna promueven la salud frente a una pandemia devastadora que nadie esperaba. Queremos volver a recalcar que los orígenes de las vacunas son moralmente aceptables desde una perspectiva católica y que su avance fomenta el bien común. También afirmamos que los más vulnerables deben tener un lugar privilegiado en su distribución y suministro.
