## GRATITUDE, LIKE FAITH, IS A MUSCLE.

The more you use it, the stronger it grows, and the more power you have to use it on your behalf. If you do not practice gratefulness, its benefaction will go unnoticed, and your capacity to draw on its gifts will be diminished. To be grateful is to find blessings in everything. This is the most powerful attitude to adopt, for there are blessings in everything.

~ Alan Cohen

## VATICAN CORNER

The 16th World Youth Day (WYD) takes place in Lisbon, Portugal in the presence of Pope Francis on Aug. 1-6, 2023. It is the largest Catholic event in the world, with an expected one million pilgrims from around the globe coming to a small country with only 10 million inhabitants. The United States has the largest number of participants outside of Europe with about 27,000. The event is held usually every 3 years, but was delayed a year because of the pandemic and there was fear of another delay because of the Pope's health problems. Pope St. John Paul II was the founder of this great meeting event of young people.

Pope Francis' in his August prayer intentions said "in Lisbon, I would like to see a seed for the world's future, a world where love is at the center, where we can sense that we are sisters and brothers." The event organizers are promoting sustainability and the participants will install a carbon footprint calculator in their mobile phone upon arriving. By answering questions, the participants learn how much greenhouse gases including carbon dioxide and methane they generate by their actions, and with a manual can learn how to reduce those gases. There are more than 500 events spread over 100 locations with free admission. Music will have great prominence with 290 performances and more than 100 bands or solo artists. There are 27 movie screens showing documentaries about Jesus' followers, figures in the life of the Church and Pope Francis' favorite films. Seven live musical shows will be put on by young pilgrims. In a video-mapping show, an interactive digital circuit will show the history of salvation and WYD every night. There will be dance performance throughout the city and 17 exhibitions of ecology, peace, and Our Lady of Fátima. The usual soccer tournament and the first ever beach volleyball tournament will be held for those pilgrims who previously signed up. There are other sports opportunities such as blind soccer, walking soccer, and korfbal (a mix of basketball and lacrosse). The organizers said the main objective of the sports is to provide a sharing of the Christian experience and meeting of cultures through that universal language. The image of Our Lady of Fátima will be brought from the chapel in Fátima, Portugal to the altar in Lisbon at the Mass celebration presided by Pope Francis on Aug. 6. Participants will be able to pray next to the relics of St. John Paul II, St. Mary Magdalene, St. Thomas Aquinas, St. Teresa of Calcutta, St. Thérèse of Lisieux, and Blessed Carlo Acutis. Pope Francis will be at a welcome ceremony on Aug. 3, Stations of the Cross on Aug. 4, rosary at Fátima and vigil with young people Aug. 5 and Sunday Mass on Aug. 6. There will be the first world meeting of evangelizers and digital missionaries Aug. 4, both in person and on-line where together there will be shared testimonies, experiences, prayer and singing. To see the event on-line you can visit the Vatican News YouTube channel and the WYD2023 social networks will show everything that is happening at every moment. EWTN will provide coverage on TV. But be aware of the time zone differences when trying to view items live, with Lisbon, Portugal being 8 hours ahead of Pacific Daylight Time.,
