Jesus said,
 “My children,
 I will be with you
 only a little while
 longer.
 I give you a new
 commandment:
 love one another.”
 - Jn 13:33a, 34a

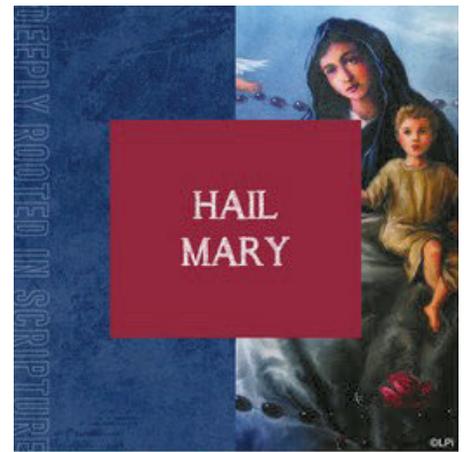

Excerpts from the Lectionary for
 Mass ©2001, 1998, 1970 CCD.

Prayer of Christian Love

Fill our hearts, O Lord, with Your
 love, the deepest, richest, purest
 love any of us has ever known.
 May Your love be our standard for
 love.
 May Your love be what we bring
 and communicate to the world.
 May Your love define us as
 Christians, made in Your image
 and likeness.
 Amen.

Live The Liturgy Inspiration of the Week

There is an invitation in the empty tomb and
 the abandoned burial cloths. What great
 things could we accomplish, if we only believe
 that Christ has conquered death? Go forth
 this Easter season, boldly embracing the
 hope of the resurrection.

**HAIL
 MARY**

Devotions, *Explained!*

The words of the Hail Mary
 — undoubtedly the most
 recognizable Catholic prayer
 after the Lord's Prayer — are
 deeply rooted in scripture,
 but Catholics did not begin
 to utilize the Hail Mary
 prayer in its current form
 until around the 11th century.

VATICAN CORNER

Here is information about the new pope

by the **numbers**. On Thursday **May 8, 2025**, Cardinal Robert Francis Prevost was elected to be the **267th** pope and the leader of the world's **1.2 billion** Catholics. He was elected by over **75%** of the voting Cardinals, on the **fourth** ballot, during the **two-day** conclave at the Vatican. For the **second** conclave in a row, the College of Cardinals shocked the world with its choice of the next pope. Pope Leo is **69 years-old**, the youngest pope in **50 years**, and the **first** pope in North American history. He has taken the name Leo **XIV**, and that name Leo is the **fourth** most popular name for popes, with John being *number 1*. Vatican watchers said that Prevost's decision to name himself Leo was particularly significant given that the previous Pope Leo **XIII** (who is referred to as the **first** modern pope) had a legacy of social justice and reform when he led the Church from **1878 to 1903**. Also, in naming himself Leo, he could have wanted to signal a strong line of continuity. In the **13th** century Brother Leo was the name of a great companion to St. Francis of Assisi, who Pope Francis named himself after. Prevost grew up the youngest of **3** brothers; Louis Martín is the oldest brother. He lives in Port Charlotte, Florida with his wife Deborah. He served in the Navy, just as their father did. His second brother - John Joseph, **71** is a retired educator and school principal. He lives in New Lenox, a suburb of Chicago. Pope Leo was raised in the suburbs of Chicago's south side. His father, Louis Marius Prevost was of French and Italian ancestry. His mother, Mildred Martinez, was of Spanish ancestry and was a librarian. Pope Leo's brother John says that Robert always wanted to be a priest. As a child he would "play priest", converting the family ironing board into an altar. When Robert Prevost was in the first grade, his neighbor told him he would be the first American pope. Cardinal Prevost received a bachelor's degree in **Mathematics** from Villanova University in Pennsylvania in **1977**. After graduating from the university, Pope Leo attended the Catholic Theological Union in Hyde Park, Chicago, from **1978 to 1982**. Shortly after his ordination, he left the U.S. to serve as a missionary in Chulucanas, Peru until **1986**. In 1988 he led the Augustinian seminary in Trujillo, Peru and taught canon law. Pope Francis appointed him to lead the Diocese of Chiclayo. Pope Leo was chosen to become the head of the global Augustinian order *in 2001* and held that position for two consecutive terms *until 2013*, *traveling to 47 countries where Augustinians are present*.. In **2014** he became bishop and head of the Peruvian bishops conference. He became a Peruvian citizen in **2015**, becoming a dual citizen. He speaks **5** languages: English, Spanish, Italian, French and Portuguese and can read Latin and German. Throughout his leadership in the Augustinian order, he placed special emphasis on missionary work, especially in Latin America. Pope Francis made him a Cardinal and in **2023** brought him to the Vatican to take over the powerful Dicastery for Bishops, the office that vets bishop nomination from around the world. Cardinal Prevost brought on **three** women to aid him in the selection of bishops, a first in that department's history. The conclave was an exceptionally fast one for being the largest and most geographically diverse in history. Pope Leo was the **sole** Augustinian in conclave. Side note: Pope Leo's childhood home was on the market for under **\$250 thousand** dollars just before he became Pope. That price has surely gone up by now don't you think?
