6th Sunday in Ordinary Time

What has been the most difficult challenge you faced in your life? Many difficult human experiences can “turn up the heat” in our lives, causing us to question the why of things or even fall into despair. Some people just somewhat passively accept what life brings, even death, and chalk difficult experiences up to happening “because they do.” They seemingly endure and move on. Taking life at face value, there really is no ultimate meaning to things. It’s easier to ignore that inner prompting calling us to understand why. It’s there whether we admit it or not. To question or not to question — that is the question! People sometimes give up the God search because it causes too many questions. Once we open the door to the possibility of God’s existence, then all of the awkward, challenging, and tragic pieces of life have to find their place.

It gets messy. But the search is so important to living. We can easily dry up and become arid, abandoning any hope for purpose and meaning because it’s too difficult and non-rational at times. In searching for answers to the how and why of life, human beings also embark on a search for God. When one finally stumbles upon the real living tangible presence of God, then that discovery allows life’s ironies and tensions to be held side by side with the all-encompassing totally unconditional, unmerited love of God! Then when life’s heat gets turned up, difficulties and challenges abound, dryness and heartache become the norm, the soul remains in joyful repose. There is no fear.

The beatitudes celebrate life’s ironies and tensions, holding them all together in the Kingdom of God. Poverty, hunger, weeping, being insulted and hated are not things we would normally associate with being God’s friends. But they are! In fact, those who experience these uncomfortable realities of life are actually better off than those who do not. This is what makes Jesus’ message so intriguing! Don’t give up questioning. Questioning the apparent inequities and polarities of human experience will certainly challenge one’s faith. But it’s the only way to deepen it.

6° Domingo del Tiempo Ordinario

Dichosa la persona que confía en el Señor, es el eco del Evangelio de este sexto domingo del Tiempo Ordinario. Después de bajar del monte, el Señor da el discurso de las Bienaventuranzas, donde se transmiten todos los valores de la Sabiduría del Evangelio. Solamente que, Lucas resume en cuatro bienaventuranzas lo que Mateo describe en ocho. Lucas sintetiza la oposición de pensamiento entre el mundo y los que siguen al Señor. Dios pide que escuchemos a su Hijo en estas enseñanzas. Cambiar de pensamiento y actitud para darse cuenta que toda la riqueza, bienes y poder son pasajeros y se quedan en el mundo. Jesús, proyecta una dimensión de felicidad inmensa y definitiva en los bienes del cielo.

La invitación es cambiar esta sociedad marcada por la injusticia y la falta de valores espirituales. Tener el pensamiento de Dios es el reto de cada cristiano. Trabajar y hacer ministerio con la predica de Jesús debe crear conciencia de la necesidad de una sociedad más justa y equilibrada. Y si Cristo mismo las enseñó en su tiempo, son aplicables al cien por ciento ahora. “Felices ustedes los pobres, porque de ustedes es el Reino de Dios. Felices ustedes los que ahora tienen hambre, porque serán saciados. Felices ustedes los que lloran, porque reirán. Felices ustedes si los hombres los odian, los expulsan, los insultan y los consideran unos delincuentes a causa del Hijo del Hombre. Alégrese en ese momento y llénese de gozo, porque les espera una recompensa grande en el cielo” (Lucas 6,20-23). Vivir las bienaventuranzas es camino seguro a la santidad.

LIVE THE LITURGY INSPIRATION FOR THE WEEK

The human heart will always find itself wanting unless it finds its rest in God. Many people haven't yet figured out that pursuing purely secular ideologies and interests and side stepping their relationship with God causes them to fall short of their potential. When we seek our satisfaction, seek our strength, and establish priorities based entirely on the things of this world, we come up empty. There is never enough and we are always reaching for more. We develop distorted senses of justice, lose our moral axis, and lower our benchmarks for change, growth, and development. That is why knowing the beatitudes and God's vision they contain is so important. They remind us that our consumption, success driven lives can actually hurt and exploit others; quickly moving us away from God's idea of how things need to look. God ultimately will set things straight. We can assist in that mission now by trusting, hoping, and looking to God for our cues for how to live, set goals for ourselves and discern the best way to share this world with our brothers and sisters.

SAINT OF THE WEEK – EXAMPLES OF OUR FAITH St. Conrad of Piacenza | February 19

The history of St. Conrad of Piacenza is quite fascinating. A member of one of the most noble families of Piacenza, he was known for his utmost honesty. One day while out hunting with friends, he thought he saw some game in an area of brush and ordered his attendants to set fire to the brush in order to scare it out of hiding. Unfortunately, the dry brush quickly ignited, and fire started to spread. Soon, the surrounding area was engulfed in flames. Unfortunately, a known arsonist happened to be in the same area as the fire. This man was later imprisoned, tried, and condemned to death for the damage. But on his way to his execution, St. Conrad of Piacenza, full of guilt, stopped the proceedings and confessed to the fire. To make restitution for the damages, Conrad had to sell all his belongings, which reduced him to poverty. Soon after, he decided to retire to a hermitage, where he became a hermit of the Third Order of St. Francis, and his wife entered the Order of Poor Clares.

Did You Know

St Anne's is now a Baby Safe Haven. No longer does a mother have to live with the guilt of an abortion. There is a safe, harmless, and legal alternative to abortion. Arizona state law 13-3623.01 provides for the protection of the mother and safety of the baby. It states a parent or agent of a parent can leave an unwanted unharmed newborn baby at a designated Baby Safe Haven without fear of prosecution or answering any questions, they can remain anonymous.

A baby can be left at the parish office during normal office hours.
