### EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

First Corinthians and the Stewardship of Social Media

“Love is patient, love is kind ...” As familiar as these words are, they never seem to stray into the territory of becoming trite or silly. At their core they communicate a truth about us and about our Creator that never fails to inspire.

But despite the fact that you’ve probably heard it at many weddings over time, First Corinthians isn’t just for newlyweds. It wasn’t written for married folks. It’s for every single one of us, in every state of life and every social situation, in every country and culture and language across the globe.

Which means that First Corinthians is even for the online world. It’s for Facebook and Twitter and Instagram and all the other platforms I’m forgetting (there seems to be a new one every day, doesn’t there?).

A sense of division — whether rooted in politics, culture or anything else — is growing in our world, and it’s never more obvious than when we observe interactions online. It is far easier, after all, to remember what love is when a human being of flesh and blood stands before us. When all we see is an avatar or a profile picture on a screen — especially accompanied by an opinion with which we vehemently disagree — even the most loving Christians can throw First Corinthians out the window.

As everyday stewards we know that we are charged to be not only gracious but grateful. We receive others but we also give thanks for what they bring to us — even if that’s an opportunity to “strive eagerly for the greatest spiritual gifts.”

So before the next time you post anything online, I suggest giving First Corinthians a read — and remember, love never fails.

— Tracy Earl Welliver, MTS

### LA CORRESPONSABILIDAD DIARIA: RECONOCE A DIOS EN TUS MOMENTOS ORDINARIOS

Primera de Corintios y la Corresponsabilidad de las Redes Sociales

“El amor es paciente, el amor es bondadoso...” Por muy familiares que sean estas palabras, nunca parecen desviarse al territorio de volverse triviales o tontas. En su esencia, comunican una verdad sobre nosotros y sobre nuestro Creador que nunca deja de inspirar.

Pero a pesar de que probablemente las hayas escuchado en muchas bodas a lo largo del tiempo, La primera de Corintios no es solo para recién casados. No fue escrita para personas casadas. Es para cada uno de nosotros, en cada estado de vida y cada situación social, en cada país, cultura e idioma en todo el mundo.

Lo que significa que Primera de Corintios es incluso para el mundo en línea. Es para Facebook, Twitter e Instagram y todas las demás plataformas que me estoy olvidando (parece que hay una nueva todos los días, ¿no es así?).

Un sentido de división ya sea enraizado en la política, la cultura o cualquier otra cosa, está creciendo en nuestro mundo, y nunca es más obvio que cuando observamos las interacciones en línea. Después de todo, es mucho más fácil recordar lo que es el amor cuando tenemos ante nosotros un ser humano de carne y hueso. Cuando todo lo que vemos es un avatar o una foto de perfil en una pantalla, especialmente acompañado de una opinión con la que vehementemente no estamos de acuerdo, incluso los cristianos más amorosos pueden tirar Primera de Corintios por la ventana.

Como corresponsables diarios, sabemos que estamos obligados a ser no solo amables sino también agradecidos. Recibimos a los demás, pero también damos gracias por lo que nos brindan, incluso si esa es una oportunidad para "luchar con entusiasmo por los mayores dones espirituales."

Entonces, antes de que publiques algo en línea la próxima vez, te sugiero que leas Primera de Corintios, y recuerdes que, el amor nunca falla.

- Tracy Earl Welliver, MTS
