GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Albert Einstein said that the "true measure of intelligence is not knowledge but imagination." Being a disciple of Jesus Christ requires a great deal of imagination. It is not enough to simply attend to facts, rules and rituals and consider the job done. Quite contrarily, the Gospels demands creativity, of trying to discern how to put flesh on the Beatitudes and properly serve God's children. Jesus never doled out a top down agenda. Not once did he ever demand conformity over conversion or sacrifice over mercy. The Gospel is always about putting people in touch with their compassionate, forgiving, and unconditionally loving God and meeting them where they are.

For Jesus, it often meant breaking a few rules. Well respected and time-honored traditions had to be set aside in order to attend to what really mattered. God's compassion, mercy and true conversion were always the trump cards. The story of the Good Samaritan, healing on the Sabbath, and bypassing of purification rituals all display this theme. Human beings can get too hung up on protocol and tradition. This is so much so that often preserving all of these things is of greater concern than the beggar knocking on our door or the sinner looking for mercy. It is no wonder, then, that we can easily become hypocritical. Many can see us on our knees in prayer while our true heart and actions, rooted in judgment and self-preservation, are hidden from others. It is a trap into which we can easily fall. Who cares how we live our lives as long as our hands are properly washed!

Here enters the need for imagination and the distinction of truly being a wise and intelligent person. It takes a good measure of creativity and a lot of guts to really be a doer of God's word and not merely a hearer. Being a person who doesn't just tell people about God but shows people God requires courage and ingenuity. That's why people like St. Francis of Assisi and St. Teresa of Calcutta are timeless. Their genuineness speaks volumes generation to generation. It's risky business taking the step to allow God into our hearts. Permitting God to release us from the grip of our evil thoughts, infidelity, greed, malice, sexual improprieties, licentiousness, envy, arrogance, folly, and the like takes courage. That's why we prefer to spend our energy rearranging the future rather than take measures to secure a foundation that is most certainly crumbling.

Doodles & Ramblings

- With Father Louis Sung

Hello Everyone and happy 22nd Sunday of Ordinary Time! For the last article of the month I will be talking one more time about superheroes I liked growing up. Last week I went over some of the DC (Justice League) superheroes that were my favorites but today I will go over some of my favorite Marvel heroes growing up. I know recently the Marvel movies have taken us by storm and so people are very familiar with the Marvel superheroes. The two biggest Marvel shows for me were the animated Spider-man show and the animated X-men show. These 2 were very popular 90s cartoons. Spider-man became my favorite Marvel superhero and the X-men as a group were also a favorite. I remember that my favorite X-men was Gambit who's superpower was to throw exploding playing cards. Watching these tv shows of my favorite heroes saving the world with their superpowers was definitely one of my favorite pastimes growing up.

ST. PETER CLAVER'S CANDLE LIGHTING CEREMONY

At all the masses on the weekend of September 11th and 12th, 2021

The candle has such a strong significance in our faith because the Candle represents Christ. "I am the light of the world; he who follows me will not walk in darkness but will have the light of life." (Jn 8:12).

The candle also goes hand-in-hand with prayer – it is a symbol of the light of faith. It burns as an offering of thanksgiving or petition.

As a parish, we plan to light these candles at our Parish Celebration Weekend to offer the prayers of our parish families. We will remember in a special way all the losses that we all experienced during this pandemic.

We ask that you pick up a candle provided by the church these next two weekends to take home and decorate. Some ideas for decoration include a photo of a family member you've lost to the pandemic, words of your favorite prayer or a picture of your family. Be creative and decorate the candle however you wish, respectfully and in the spirit of prayer.

During our Parish Celebration Weekend on September 11th and 12th, we will line up the candles surrounding the altar and light them. Afterwards, you are invited to take your candle home with you and continue to use it in your household for prayer throughout 2021.

Haiti Emergency Relief

On August 14th the people of Haiti experienced a catastrophic earthquake, causing immense damage and substantial loss of life. The earthquake was followed by a major tropical storm, which added even further devastation. The people of Haiti were still rebuilding after a major earthquake from 11 years ago and have also been dealing with other major challenges. The bishops of the United States are asking for your financial support, so that we can respond as a unified Church.

Emergency Relief envelopes are available at the doors of the church or you may write "Haiti Relief" on your check Memo line. Thank you for your generosity.

BAPTISM

Growing Firm in the Hope of the Gospel of Jesus Christ Offices of Faith Formation and Youth Ministry Reach Us At:

(805) 526-0680 or faithformation@saintpeterclaver.org
Laura Diaz, Director of Faith Formation

“He responded, “Well did Isaiah prophesy about you hypocrites, as it is written: This people honors me with their lips, but their hearts are far from me; in vain do they worship me, teaching as doctrines human precepts. You disregard God’s commandment but cling to human tradition.”

Mark 7:6-8

Jesus really challenges us in today’s Gospel to look at ourselves honestly. Do we come to Mass late, leave early and don’t participate while we are there? Do we see Faith Formation as another subject we learn to reach a goal, like math or history? Do

we tell Jesus we love Him, then treat others unkindly? Today Jesus tells us that what we do on the outside doesn’t matter if what we are on the inside is not good. This week let’s be accountable in our relationship with Jesus and how our love for Him causes us to think, speak and act. Make three simple goals for yourself to bring what’s inside, your heart and soul, closer to Him.

“You disregard God’s commandment but cling to human tradition
- Mark 7:8

**“I came that you might have life,
and have it abundantly.”** John 10:10

If you had to describe life in the past year, abundant is probably not the word you would choose. Alone, weary, and coping is probably more like it. Why? Because we thrive in relationships. Our souls thirst for connection. We were made for community, and it's time to come back.

Walking with Purpose is more than a women's Bible study. It is a faith community that supports, encourages, and challenges one another. It is a safe place where you will discover authentic friendships and meaningful discussions as your heart is transformed by the Word of God. It is everything you need to get back to living a life that you love.

Are you ready to come back? God is ready and waiting for you to show up just as you are. He wants to see you discovering your purpose while connecting with a life-giving community.

And God is not the only One waiting. We are, too. The abundant life awaits us, and we've got an open chair with your name on it.

It's time to come back to community. We can't wait to see you!

Our Walking with Purpose ladies will be on the plaza after all of the masses on August 28th and 29th. Please stop by to get more information about the upcoming fall/winter season.

Everyday Stewardship

Recognize God in your Ordinary Moments

Give it all Back

Pop culture has given us a unique idea of the term justice. Justice, we often think, is about taking. Taking what's owed. Taking revenge. Taking what we deserve. This worldview tends to make mincemeat of our Catholic social teachings. Seeking the good of the poor, a call to community and participation, solidarity - on the face of it, in a society where everything must be earned and we are encouraged to hoard for ourselves whatever success we can achieve, these principles look a lot like highway robbery.

But when you remember the presence of an omnipotent, all-loving and all-merciful God, it turns our gunslinging sense of justice on its head. For how does justice inhabit the same universe as a God who is so quick to give and indeed to forgive?

Well, very easily, when we remember Who exactly is the source of every good and perfect thing in this world. There is no law that cannot be traced back to the Word. And the Word saves our souls.

Is that justice? No, that is a gift. It is the reckless, indulgent gift of a father whose love is greater than His anger. What is justice in the Biblical sense?

The answer is simple. Look at your life. See the hours in your day? See your spouse, your kids, your grandkids? See the house they live in, the money in your wallet, the food in your fridge, the breath in your lungs?

Calling it all your own, refusing to share any of it - that's robbery. Giving it all back to the One who gave it to you - that's justice.

Did You Know?

Teach children how to answer the door safely

You would never knowingly let someone dangerous or unsafe into your home. But it is impossible to fully vet every stranger - maintenance worker, new neighbor, salesperson, etc. - who shows up at your door. Teach children a few tips about answering (or not answering) the doorbell. Consider these rules, or something similar, for your family: Always look to see who is at the door first. If the person is a stranger, get an adult to answer the door. Do not open the door to someone you do not know. For more information, request a copy of the VIRTUS® article "Beware of inviting other people and vulnerability - into your house," at lacatholics.org/did-you-know.

Ayuda de Emergencia para Haití

El 14 de agosto los ciudadanos de Haití sufrieron un terremoto catastrófico, causando daños inmensos y una pérdida de vida sustancial. El terremoto fue seguido por una gran tormenta tropical, que añadió a la devastación. La gente de Haití todavía se está reconstruyendo del gran terremoto de hace 11 años y también han estado lidiando con otros desafíos difíciles. Los obispos de los Estados Unidos están pidiendo su apoyo financiero, para que podamos responder como una Iglesia unificada. Los sobres para la Ayuda de Emergencia están disponibles en las entradas de la iglesia o usted puede escribir "Ayuda para Haití" en la línea del Memo en su cheque. Gracias por su generosidad.

¿Sabía Que?

Enseñe a los niños cómo abrir la puerta de forma segura

Usted jamás permitiría a sabiendas que alguien peligroso o inseguro entrara en su hogar. Pero es imposible examinar completamente a cada extraño (trabajador de mantenimiento, nuevo vecino, vendedor, etc.) que se presente a su puerta. Enseñe a los niños algunos consejos sobre cómo contestar (o no contestar) cuando tocan a la puerta o cuando suena el timbre. Considere estas reglas, o algo similar, para su familia: Siempre vea primero por una ventana o por la mirilla de la puerta para ver quién está en la puerta. Si la persona es un extraño, el niño o joven debe pedir a un adulto que abra la puerta. No abra la puerta a alguien que no conozca. Para obtener más información, solicite una copia del artículo de VIRTUS® en inglés, "Beware of inviting other people – and vulnerability – into your house" (Tenga cuidado con invitar a otras personas --y a la vulnerabilidad-- en su casa) en lacatholics.org/did-you-know.

CEREMONIA DE ENCENDER LAS VELAS DE SAN PEDRO CLAVER

En todas las Misas el fin de semana del 11 y 12 del 2021

La vela tiene un significado muy importante en nuestra fe porque la Vela representa a Cristo. "Soy la luz del mundo; el que me sigue no andará en tinieblas, sino que tendrá la luz de la vida". (Jn 8, 12).

La vela también va de la mano con la oración - es un símbolo de la luz de la fe. Arde como ofrenda de acción de gracias o de petición.

Como parroquia, planeamos encender estas velas en nuestro Fin de Semana de Celebración Parroquial para ofrecer las oraciones de nuestras familias parroquianas. Nosotros recordaremos de una manera especial todas las pérdidas que hemos experimentado durante esta pandemia.

Pedimos que tomen una de las velas que se les proveerá en la iglesia durante los próximos dos fines de semana y la lleven a casa para decorar. Algunas ideas para decorar son: incluir una foto de un familiar que ha fallecido por la pandemia, palabras de su oración favorita o una foto de su familia. Sea creativo y decore la vela como usted lo desee, de manera respetuosa y en el espíritu de oración.

Durante nuestro Fin de Semana de Celebración Parroquial el 11 y 12 de septiembre, las velas serán alineadas frente al altar y las encenderemos. Después, serán invitados a llevar su vela a casa para que la continúen usando en sus hogares para oración durante el
