LIVE THE LITURGY Inspiration for the week

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

SAINT OF THE WEEK

The patron saint of Catholic schools, St. Elizabeth Ann Seton (August 28, 1774 – January 4, 1821) was born in New York City to a prominent family of the Episcopal faith. When she turned 19, she married a wealthy businessman with whom she had five children. He later died of tuberculosis in 1803, leaving her a young widow. After discovering the Catholic faith in Italy, where her husband had died, she returned to New York and converted to Catholicism in 1805.

After several years struggling as a single mother, Elizabeth moved in 1809 to Emmitsburg, Maryland, where she founded the Sisters of Charity of St. Joseph, the first community for religious women established in the United States. She also began St. Joseph's Academy and Free School, which started a chain reaction of Catholic-based education in the United States that continues today.

St. Elizabeth Ann Seton was canonized September 14, 1975 in St. Peter's Square by Pope Paul VI and was the first citizen born in the United States to be given the title of "saint."

A note from Father James

Our Christmas Octave would not be complete without paying special attention to the glorious Mother of God! Mary, the mother of Jesus, the mother of the Saviour of the World, is properly called the “Mother of God.” In calling Mary the “Mother of God,” we especially acknowledge one fact of human life. A mother is not just the source of one’s flesh, she is not just the mother of the body of her children, she is the mother of that person. Being a mother is not just something biological; it is something sacred and holy and is part of the divine order of God’s creation. Jesus was her Child and this Child is God. Therefore, it is proper logic to call Mary the “Mother of God.” It is an amazing fact to think about. God has a mother! He has a particular person who carried Him in her womb, nursed Him, raised Him, taught Him, loved Him, was there for Him, and pondered who He was throughout His life. This last fact is especially beautiful to look at.

The Gospel says, “Mary kept all these things, reflecting on them in her heart.” And she did this as a caring mother. Her love for Jesus was as unique as the love of any mother. However, it should be noted that she was a mother in perfection and loved Him with a perfect love, He who was not only her Son, but was also God and was perfect in every way. What does this reveal? It reveals that the motherly love shared between Mary and Jesus was profound, inspiring, mysterious, glorious and truly sacred! The mystery of their love is worth reflecting on throughout our lives, keeping it fully alive in our hearts. She is an example for every mother and is also an example for all of us who seek to love others with a pure and holy heart.

2021 has slipped away and 2022 has come to the picture. 2021 was filled with unexpected events in life. Some of them were joyful and others were sorrowful. All of them happened to us for a particular reason. They have taught us new things in life and they have given new insights for 2022. Like Mary, we are to keep them all in our hearts and ponder over them in order to learn the plan of God and to walk along with the Lord in all situations. May this 2022 be a year of walking with the Lord personally and as a family. Lord has called you by name to be His own and to be with Him always. Let our family be transformed into the cradle of love and peace that comes from the Lord. Let us not forget the Lord not even a second.

God bless you all and have a Blessed New Year..

Fr. James

Una Nota del Padre James

Nuestra Octava de Navidad no estaría completa sin prestar especial atención a la gloriosa Madre de Dios. Maria, la madre de Jesús, la madre de el Salvador del mundo, es propiamente llamada la “Madre de Dios.” Al llamar a Maria la “Madre de Dios”, reconocemos especialmente un factor de la vida humana. Una madre no es solo la fuente de la carne de uno, no es solamente la madre del cuerpo de sus hijos, ella es la madre de esa persona. Ser madre no es solamente algo biológico, es algo sagrado y santo y es parte de la orden de la creación divina de Dios. Jesús era su hijo y ese hijo es Dios. Por lo tanto, es lógico llamar a Maria “Madre de Dios.” Esto es algo verdaderamente asombroso de pensar. ¡Dios tiene una madre! Él tiene a una persona en particular que lo cargo en su vientre, lo amamanto, lo crio, le enseñó, lo amo, estuvo siempre con él, y medito sobre quien era Él durante toda su vida. Este último hecho es especialmente maravilloso.

El Evangelio dice, “Maria guardo todas estas cosas en su corazón.” Y ella lo hizo como una madre cariñosa. Su amor por Jesús era tan único como el amor de cualquier madre. Sin embargo, debe notarse, que ella era una madre en perfección y lo amo con un amor perfecto, a Él que no era solamente su Hijo, pero también era Dios y era perfecto en todos los sentidos. ¿Que revela esto? ¡Revela que el amor de madre entre Maria y Jesús era profundo, inspirador, misterioso, glorioso y verdaderamente sagrado! El misterio de su amor, vale la pena reflexionar durante nuestras vidas, manteniéndolo completamente vivo en nuestros corazones. Ella es un ejemplo para toda madre y también un ejemplo para todos nosotros que buscamos amar a otros con un corazón puro y santo.

El 2021 se ha ido rápidamente y ha llegado el 2022. El 2021 estuvo lleno de eventos inesperados en nuestras vidas. Algunos fueron alegres otros más tristes. Todos nos sucedieron por una razón en particular. Nos han enseñado cosas nuevas en la vida y nos han dado nuevas perspectivas para el 2022. Como Maria, debemos guardarlos todos en nuestro corazón y reflexionar sobre ellos para aprender cual es el plan de Dios y caminar junto al Señor en todas las situaciones. Que este 2022 sea un año de caminar con el Señor de manera personal y como familia. El Señor te ha llamado por tu nombre para ser Suyo y para estar con Él siempre. Que nuestra familia se transforme en la cuna de amor y paz que viene del Señor. No nos olvidemos ni un segundo del Señor.

Dios los bendiga a todos y tengan un Bendito Año Nuevo

Padre James

The Three Wise Men told Herod about a King being born. Herod was jealous. He did not want another king to be more powerful than he. Herod told them to come back and tell him where the baby was. They thought Herod was truly interested in Jesus. After they gave him their gifts of gold, frankincense, and myrrh, an angel warned them, "Go back a different way. Herod wants to kill the baby Jesus."
