# THE OLDEST EASTER EGGS

In fact, in many ancient cultures the egg was a symbol of 'fertility', 'rebirth'.

In Egyptian mythology, the phoenix burns its nest to be reborn later from the egg that is left. Hindu scriptures say that the world developed from an egg.

This ostrich egg from Egypt dates to about 2,000 BC.

The oldest decorated eggshells, are estimated to be 60 000 years old and were found in South Africa.

**Community Connections Mentoring is a community-based program for youth ages kindergarten through 7<sup>th</sup> grade. Mentoring pairs have the flexibility of meeting at any of your favorite public locations around town or during school lunch and time together can include our monthly group activities and community service projects.**

Research confirms that quality mentoring relationships have powerful positive effects on young people in a variety of personal, academic, and professional situations. Unfortunately, one in three young people will grow up without any type of mentor. And with each additional risk factor a young person experiences, the less likely he or she will connect with a mentor. To close this gap, it will take everyone from parents, students and teachers to counselors, coaches and family friends – anyone who has a touch point in a young person's life.

### What does it take to be a mentor?

- Have the willingness to listen and offer encouragement
- Ability to share what you've learned about life
- Be 18 or older and reside in Lincoln County
- Complete the application and matching process
- Spend 4 to 8 hours a month interacting with your mentee – learn a new skill together, walk the dog, run errands, have ice cream, get to know each other and have some fun!
- Be consistent and reliable, expect some ups and downs, and be willing to learn as you go

When youth in our program were asked "What is the best thing about having a mentor?" they responded:

"Being nicer, being happier, being more responsible."

"That adults don't have to be just family. They can be friends and help you out."

"I'm more confident. I used to think I didn't deserve a spot in the world, but now I do."

"I've learned how to golf, kinds of trees, different restaurant. I've learned to compare books I've read to movies that I see with my mentor."

**Mentoring, at its core, guarantees young people that there is someone who cares about them, assures them they are not alone in dealing with day-to-day challenges, and makes them feel like they matter.**

## RECIPE

### Easter Bird's Nest

#### Ingredients

- 3 cups miniature marshmallows
- ¼ cup creamy peanut butter
- 3 tablespoons butter
- 4 cups crispy chow mein noodles
- cooking spray
- 40 candy-coated milk chocolate eggs

#### Directions

1. Cook and stir marshmallows, peanut butter, and butter in a saucepan over medium heat until the marshmallows melt completely into the mixture, about 5 minutes.
2. Put chow mein noodles into a large bowl. Pour marshmallow mixture over the chow mein noodles; stir to coat.
3. Spray hands with cooking spray or coat with butter so the noodles will not stick to your hands. Scoop noodle mixture from bowl with an ice cream scoop and form into balls, hollowing the center out to create the nest. Arrange 4 chocolate eggs into each nest.

**Join Foster Grandparents Today.**  
A child needs **YOU** to become a Classroom Grandparent

As a Foster Grandparent, you will help children in our community develop the academic and life skills that are critical to their development and future success. We need volunteers to serve in their communities with children in schools and pre-schools. You will serve with kids who need extra support from a loving, caring grandparent figure. Volunteers are age 55 and up. Must be willing to serve 5 hours per week.
