Apostolic Exhortation

Veneremur Cernui – Down in Adoration Falling (continued...)

74. The Saints always love Sunday and keep it holy. As a young girl, Saint Maria Goretti walked fifteen miles back and forth to Sunday Mass. Saint Lawrence of Brindisi once walked forty miles for Mass. In parts of Africa today, for example, some of our Catholic brothers and sisters walk for long hours to attend Mass. Families, individuals, and small communities who attempt to be good stewards of the Lord's Day quickly discover a treasure which changes their whole experience of the week. Sunday is no longer just another day. It becomes the day of the Eucharist. It is the day of encountering the joy of the Risen Lord, who strengthens, nourishes, and sends them, together, on mission the rest of the week.

Exhortación Apostólica

Veneremur Cernui – Veneremos inclinados (continuada...)

74. Los Santos siempre aman el domingo y lo santifican. De joven, Santa María Goretti caminaba quince millas de ida y vuelta a la Misa dominical. San Lorenzo de Brindisi una vez caminó cuarenta millas para asistir a Misa. Hoy en día, por ejemplo, en algunas partes de África, algunos de nuestros hermanos y hermanas Católicos caminan durante largas horas para asistir a Misa. Las familias, los individuos y las pequeñas comunidades que intentan ser buenos servidores del Día del Señor descubren rápidamente un tesoro que cambia toda su experiencia de la semana, el domingo ya no es un día más. Se convierte en el día de la Eucaristía, el día del encuentro con la alegría del Señor Resucitado, que los fortalece, alimenta y los envía juntos a la misión el resto de la semana.

INSPIRATION

God clearly reveals his identity as "I am who am." God, who is really beyond all names, is the One who simply "is" as the ground of all being. This ever-existing, uncreated, and all-encompassing presence of unconditional God, who is Love, is very patient as he waits for us to grow and change. God is so near to us that it is easy to miss his presence. As true love requires, God seeks a devoted, intimate, free, and exclusive relationship with each of us. As we walk through the parched, desert experiences of our lives it is easily in our thirst for water and a respite from the heat that we reach for and construct idols that will bring us immediate relief and satisfaction. These false gods, made out of our comforts and earthly desires can quickly take the place of the One who really has first dibs on our hearts. Humans have often wandered far away from God as St. Paul reminds us. In helping each other cultivate and fertilize the ground upon which we walk, God gives us yet another chance to bear fruit and return.

REFLECTING *with the Readings*

First Reading

In his initial encounter with the Lord, Moses learns the name of God, "I AM." What insight does this give us into the nature of the divine?

Second Reading

Paul believed that the past mistakes of the ancient Israelites in the desert served as an example of the dangers of too much self-confidence. How can one best avoid arrogance in faith?

Gospel

In the parable of the barren fig tree, Jesus taught the crowds of the need to repent in order to bear good fruit. For what do you need to repent in this season of Lent?

PALABRA

Primera Lectura

En su encuentro inicial con el Señor, Moisés aprende el nombre de Dios, "YO SOY." ¿Qué percepción nos da esto sobre la naturaleza de lo divino?

Segunda Lectura:

Pablo creía que los errores pasados de los antiguos israelitas en el desierto servían como ejemplo de los peligros de tener demasiada confianza en sí mismos. ¿Cuál es la mejor forma de evitar la arrogancia en la fe?

Evangelio:

En la parábola de la higuera estéril, Jesús enseñó a las multitudes la necesidad de arrepentirse para dar buenos frutos. ¿De qué necesitas arrepentirte en este tiempo de Cuaresma?

INSPIRACIÓN

©LPi

Dios revela claramente su identidad como "Yo soy el que soy." Dios, que está realmente más allá de todos los nombres, es Aquel que simplemente "es" como la base de todo ser. Esta presencia eterna, increada y omnipresente de Dios incondicional, que es Amor, es muy paciente mientras espera que crezcamos y cambiemos.

Dios está tan cerca de nosotros que es fácil pasar por alto su presencia. Como lo requiere el amor verdadero, Dios busca una relación dedicada, íntima, libre y exclusiva con cada uno de nosotros. Mientras caminamos a través de las experiencias de nuestras vidas, resacas y desérticas, es fácil que, en nuestra sed de agua y un respiro del calor, busquemos y construyamos ídolos que nos traerán alivio y satisfacción inmediata. Estos dioses falsos, hechos de nuestras comodidades y deseos terrenales, pueden rápidamente ocupar el lugar de Aquel que realmente tiene prioridad en nuestros corazones. Los seres humanos a menudo se han alejado de Dios, como nos recuerda San Pablo. Al ayudarnos unos a otros a cultivar y fertilizar el suelo sobre el que caminamos, Dios nos da otra oportunidad más para dar frutos y regresar.
