Then the two recounted what had taken place on the way and how he was made known to them in the breaking of bread.  -Lk 24:35

Entonces ellos contaron lo que les había pasado por el camino y cómo lo habían reconocido al partir el pan.

FROM THE BUSINESS MANAGER

As reported in last weekend’s bulletin, it was obvious on Good Friday that our Church roof is in need of replacement. During the service, several buckets were in the sanctuary to catch the falling rain, including three that were placed on the sacred altar of Christ. The roof has been repaired over the years and now is at the end of its life. We are presently securing bids for the roofs.

The roof replacements were part of our Living Stones Campaign goals and we will proceed with the project immediately. Parishioners have asked about giving to certain projects (i.e. the roof) without pledging to the campaign. You may go to our online giving site and find designated funds for capital projects or send/drop-off a check with the project designation.

In the last week, an anonymous donor has stepped forward with a matching gift to encourage fellow parishioners to consider a donation to the roofing project. Your donation will be matched dollar for dollar up to $10,000!

Thank you to the donor who made this matching opportunity possible, to those of you who have pledged your commitment to our capital improvement projects, and to those who are discerning their call to support as “Living Stones” of St. Pius X. Your generosity, sacrifice, and support during this time is commended and very much appreciated.

Peace,
Bill Smirniotis

April 24, 2020

Dear St. Pius X Family and Friends,

It gives me great joy to announce that a new principal has been selected for St. Pius X for the 2020-2021 academic year. After careful review and prayerful consideration of applicants, the search committee came to the unanimous decision that Ms. Marisa Amann is the best person to lead St. Pius X.

Ms. Amann earned her Bachelor of Arts in English, Theology & Religious Studies from the University of San Diego in 2011; her Master of Arts in Special Education from Loyola Marymount University in 2013; and her Administrative Services Credential from the University of San Diego in 2017.

Ms. Amann has been the full-time Vice Principal at the School of the Madeleine in San Diego since 2017. Prior to becoming Vice Principal, Ms. Amann taught Middle School (6-8) English, Language & Arts (ELA) and 8th Religion at Our Lady of Talpa School in Los Angeles from 2011 – 2014; and again, at Stella Maris Academy in La Jolla from 2014 – 2017, when she and her husband moved to San Diego.

Thank you to Ms. Zena Lujan, Mr. Joseph Walker, Mr. David Siddons, Ms. Karen Koehler, Dr. Julie Cantillon, Ms. Leticia Oseguera, Mr. Matthew Cordes, Fr. Peter McGuine and Fr. Corey Tufford for serving on the search committee. They spent many hours going through résumés and conducting interviews. I am grateful for their hard work!

I want to reiterate my gratitude to Mr. John Turskey for his six years as Principal of St. Pius X. I know you will join me in wishing him the very best in his new endeavors.

Please join me in supporting Ms. Amann as she embarks upon a new chapter in her life, leading St. Pius X into a bright future of continued academic excellence and strong Catholic faith formation. She is excited to meet and get to know the students, parents, teachers, and parishioners of St. Pius X.

To Ms. Amann, “Welcome to the St. Pius X family! Go Patriots!”

Faithfully yours in Christ,

Fr. Jay Bananal
Pastor

“Restore all things in Christ.” - Pope St. Pius X
Dear St. Pius X Community,

I am humbled and blessed to be your principal for the 2020-2021 school year and lead the school into its bright future. I look forward to meeting all of you and getting to know the special community that I will soon call “home”. My husband, John, also a principal in the diocese, and my children, Siena (4) and Kolbe (1), are excited to meet you all as well. We are praying you are staying healthy during this time and hope you are also taking the time to enjoy your family.

I deeply connect with the philosophy of St. Pius X in educating the whole child and I believe that all students can successfully learn when provided with a positive environment. I plan to build upon the successful program already in place at St. Pius X while advancing the school and supporting whatever growth is needed. My end goal, with collaboration from parents, faculty, and staff, is to help all students achieve their highest potential and grow closer to God.

I am passionate about curriculum and instruction and believe that my ability to build rapport with teachers, while being a collaborative leader, will allow us to continue to grow in our professional learning together. I believe in having a growth mindset for all and that every decision we make as a school should be student centered.

Parents, I want you to know how integral you are to the success of our school and students. With you as our primary educators, I plan on working hand in hand with others in the community to continue to grow St. Pius X into a school where our students become the people God is calling them to be.

To our students, I cannot wait to see you all! I know this time of distance learning is different and difficult, but I hope that we are able to come together again in the fall. I am excited to learn with you and celebrate all of your accomplishments during the 2020-2021 school year.

Please remember that my door is always open to you. I sincerely welcome your conversation and input and want to collaborate with each and every one of you as we keep our students the primary focus of our work. At the end of every day, I am firmly committed to student-centered learning that is rooted in our Catholic faith.

Blessings,

Marisa Amann

Even though he had risen from the dead, two of Jesus’ friends had not seen him yet. These men were still sad and confused. Imagine their surprise when Jesus walked with them, explained the Scriptures about the Savior, and then broke bread for a meal. They saw him alive!
