## THE ISSUE OF WATER

Fresh drinking water is an issue of primary importance, since it is indispensable for human life and for supporting terrestrial and aquatic ecosystems. Sources of fresh water are necessary for health care, agriculture and industry. Water supplies used to be relatively constant, but now in many places demand exceeds the sustainable supply, with dramatic consequences in the short and long term. Large cities dependent on significant supplies of water have experienced periods of shortage, and at critical moments these have not always been administered with sufficient oversight and impartiality. Water poverty especially affects Africa where large sectors of the population have no access to safe drinking water or experience droughts which impede agricultural production. Some countries have areas rich in water while others endure drastic scarcity.

Home,”

### MINISTRY SPOTLIGHT

### BECOMING CATHOLIC

RISEN CHRIST CATHOLIC CHURCH  
JULY 26, 2020 INDIAN CREEK WINERY

During the pandemic this past year, our Becoming Catholics at Risen Christ Catholic Community succeeded in getting adults and children ready for Easter Sunday Vigil Sacraments. We appreciate our Rites of Christian Initiation for Adults (RCIA) and Children (RCIC) as well as Welcome Back Catholics core teams for their persistence and creativity. This year they stepped up to provide religious formation for both adults and children interested in becoming Catholics. If you know of an individual or a family who are interested in becoming Catholics, please contact Deacon Ted Vermaas ([vermaashr@gmail.com](mailto:vermaashr@gmail.com)) and Ludee Vermaas ([lvvermaas@gmail.com](mailto:lvvermaas@gmail.com)).

For our RCCC family, If you have a passion for igniting the love of Jesus in others, please join our core team. We are always looking for members to be part of this beautiful journey.

## Risen Christ Catholic Community Gardeners

God gives us all different and unique talents. It is our choice whether we wish to use them through our love as Jesus taught. Our ministry allows those families (or individuals) who wish to learn and/or share their gardening skills in a way that benefits those who, for whatever reason, are hungry and seek to grow. It is one of the ways we love our neighbor.

Our harvesting season has just begun. If you or your family would like to join us or you are interested in hearing more you can call Weeb at 208-250-9556. Our gardeners are generous and fun to work with. Through this, and other events we sponsor, we share our love with our community and beyond.

Whether you join us or not, I believe that love demands action. Meet our community and hopefully you will see Jesus working through each of us. Sometimes just shaking a hand is the beginning of great growth.

God bless you and your loving efforts,  
Weeb Martin.

## THE AMBRY

The Ambry has a place of special prominence in a church. There are kept the Oil of Catechumens, the Oil of Chrism and the Oil for the Sick.

The Oil of Catechumens is used for those, especially adults, who are preparing for baptism. The prayer associated with the imposition of this oil bespeaks the invitation to grow in wisdom and faith, that will lead to entrance into the Catholic Church through baptism.

The Oil of Chrism is used for those who enter upon an irrevocable decision, with an eternal trajectory, which they make at the time of their baptism, confirmation, ordination as priest, ordination as bishop.

The Oil of the Sick is used for those whose lives are impacted by acute or chronic illness in body, mind or spirit. The entire Church prays for their return to health, if at all possible. If recovery is not possible, the Church prays that they will never be defined by their illness.
