## TODAY'S GOSPEL MEDITATION ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

Maybe the work is best left to the professionals. That's how many people view the preaching of the Gospel. That's the stuff priests, religious, deacons, lay ministers, and other professional Church people do. It has little to do with me. Well, that's not really true. The fact of the matter is that preaching the Gospel has everything to do with you, with all of us who are baptized members of the Body of Christ. Nobody gets off the hook from that job. The question is, however, how do we do it? Well, there's a safe way, which many choose, to preach the Gospel — and the risky way. The safe way pretty much keeps the Gospel in church and around like-minded people. I say my prayers, go to Mass, contribute to the food pantry, tithe, and attend Bible Study. That pretty much covers the bases, right? Wrong.

The risky way is the more challenging way and for many, the "road less traveled." Imagine those first disciples going out and into people's homes. They must have had some amazing conversations with folks about God's kingdom, changing their hearts, forgiving sins, and looking at the world differently. They must have met people who were hurting, exiled from their communities, neglected, lost, or living self-insulated lives in a society that served the rich and neglected the poor. While there were many who welcomed what they had to say and the conversations they had, there were others who no doubt rejected them and literally tossed them out on their ears! The Gospel, while being a message of joy and hope, is not always received well by those who are very comfortable keeping things as they are.

The risky way involves example and conversation. We have to take the Gospel from church and carry it with us wherever we go. What kinds of conversations do we have with others? We interact with those closest to us, in our work, social circles, institutions, corporations, in politics, and beyond. Our conversations with others reveal a great deal about how we see things and what we consider important. If we are really interested in seeing God's vision for the world succeed, then we will talk about it. It will become a part of our everyday conversation and find its way into our interactions with others. How will we preserve the dignity of human life and encourage others to have a relationship with God? We must be the example, live value centered, virtuous lives, stand against injustice, combating racism, and learn ways to resolve conflicts without violence.

If we are going to succeed going forward, we have to find a way to bring our prayer centered lives into the marketplace. Our conversations have to change. Not everyone wants to hear what the Gospel has to say. That's a risk God asks us to take.

A consistent ethic of life... far from... equating all issues touching on the dignity of human life – recognizes instead the distinctive character of each issue while giving each its proper place within a coherent moral vision. –US Bishops' Pastoral Plan for Pro-Life Activities, 2001

**Reflection:** The fundamental pro-life principle is that we never target the innocent.

War and capital punishment are never justified if they do, whereas abortion is never successful if it doesn't.

**Prayer:** Lord, give us a consistent respect for every life and a proper understanding of every life issue.

## WHY SHOULD I REGISTER AT MY PARISH?

If you have been attending the same parish for a time and don't see yourself moving or attending elsewhere, you should absolutely register at your parish. Here's why:

- 1. Connectedness.** Once you register, you feel more at home in church. You become part of your church family in a tangible way. It gives you a sense of belonging and allows your priest to get to know you as well.
- 2. Accountability.** We are all responsible for helping the greater Church grow in strength and numbers. As a registered parishioner, it adds weight to that role. As an "official" member of the parish who is open to the voice of the Holy Spirit, you will feel led to contribute to the needs of the church.
- 3. Commitment.** Becoming a member of your parish is a promise to be active in your faith.
- 4. Access to parish information.** This gives your parish the ability to reach out to you and let you know about events, prayer and study opportunities and ways you can give back.

**Bottom line** – register at your parish. Declare your commitment to your faith proudly and officially join your church family!

## PRAYER FOR VOCATIONS

Lord, you call us all by name to follow your path. You always bless your Church and guide your followers to become leaders who think of others before themselves.

Mold us in the image of your Son, to respond to your call as Sisters, Priests, Brothers, Deacons and Lay servants of the Gospel. Embolden us all to grow in knowing of you, and allow this knowledge to open our hearts, minds, and souls to your enduring call. We ask this in Jesus' name. Amen.

## EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

### What We Carry from Town to Town

In my experience, there are two kinds of people: the folks who kick off their shoes the second they walk through the door, and the ones who don't.

People can feel strongly about this on both sides. The main thrust of the Shoes-Off Brigade seems to be this: we track a lot of weird stuff on the soles of our feet. Little reminders of all the places we've been — whether it's a private home or a public bathroom — cling to our shoes long after we leave.

This same theory applies to our spiritual lives. As human beings and as disciples, we visit a lot of figurative towns and pick up a lot of figurative dust. Sinfulness. Shame. Defeat. Anger. Fear. Doubt. No matter how hard we try to keep free of it, these things have a way of attaching themselves to us, sometimes without us even noticing. We need to take a good look at what unhelpful and unconstructive baggage from our past we're tracking into our present and future encounters.

What is the "town" God is asking you to visit today in His name? Is it a tough conversation with a friend, a brief witness to a stranger in the check-out line, a call to be present to someone in your family? Before you go, remember, shake off the dust. Don't let a past disappointment constrain you. Don't allow yesterday's failures or burdens to keep you from the joy of today's witness, whatever form it might take.

— Tracy Earl Welliver, MTS

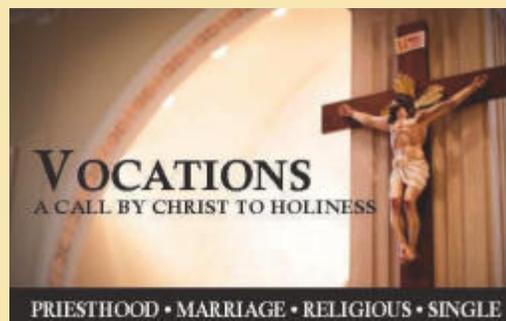

## ROSARY BEFORE WEEKEND MASSES

We are happy to announce that the Rosary will again be said before all weekend Masses. The schedule is:

Saturday 4:30PM – Rosary begins at 3:40PM

Sunday 8:00AM – Rosary begins at 7:10AM

Sunday 10:30AM – Rosary begins at 9:40AM

Last week we discussed the definition of vocation and how it is a calling or summons to something more. What about single people? What if they yearn for the married life with a beloved spouse and children? What if they want to stay single? What are they being "called to"? They are called to be generous of heart and soul to God's people. They are called to serve in some capacity, as a volunteer, ministry leader, CFF teacher, sports coach. There are endless possibilities in a world yearning for an authentic Catholic witness.

## OUR LADY OF MOUNT CARMEL

The origins of this July 16<sup>th</sup> feast reach all the way back to the Old Testament. In the book of Kings, we read the story of the prophet Elijah. Much of his prayer, fasting, and public ministry occurred from Carmel, a mountain in Israel. Christian hermits -- seeking solitude -- made their homes on the mountain during the first millennium. Over time, the hermits assembled into a community and were given a Rule of Life. They named their church after Mary -- Our Lady of Mount Carmel. Political upheaval forced the Carmelite order out of the Holy Land and into Europe, where they established monasteries for both men and women across the continent. Many great saints and doctors of the Church have come from the Carmelite order, including St. Teresa of Avila, St. John of the Cross, St. Therese of Lisieux, and St. Edith Stein. Our Lady of Mount Carmel. Pray for us!

## LOAVES & FISHES VOLUNTEERS

Want a great way to fulfill Christ's call to feed the hungry? St. Mel Parish needs volunteers to help in the meal preparation area at Loaves & Fishes on the first Friday of each month. This is a rewarding and humbling experience to help those who are hungry and less fortunate. It usually is about a 3-5-hour commitment. You do not need to serve every month. Volunteers are welcome to help when it fits into your schedule. If you are interested and would like more information, please contact Richard Phelps 916-807-0943 (phone or text). Email Richard at: [wetduck33@gmail.com](mailto:wetduck33@gmail.com)

## eGIVING WITH FAITH DIRECT

Please consider online giving through Faith Direct. With Faith Direct, parishioners can make Church contributions through either direct debit from your checking/savings account or your credit/debit card. No more writing checks or searching for envelopes on the way out the door. Visit [www.faithdirect.net](http://www.faithdirect.net) to enroll securely online. Our parish code is **CA731**. Our parish is grateful for your continued support at this time.

## What is a transitional deacon?

There are two types of deacons in the church. Both are members of the clergy. Both have the same liturgical role. Both have the service of the community as their primary work. One is called a permanent deacon, usually a married man ordained as a deacon with no intention of becoming a priest. They preach, baptize, witness marriages, conduct funeral services, and look after the needs of the poor. They also visit the sick and take Communion to them, although they cannot celebrate the sacrament of the Anointing of the Sick. They might also assist the pastor in his administrative duties. Permanent deacons are usually well known and respected in their communities and have roots there.

A transitional deacon is one who functions as a deacon for a period of time prior to ordination as a priest. His diaconate assignment serves as a kind of internship of ordained ministry. During his year or two as a deacon, he will learn the practical aspects of parish life, getting a firsthand look at the life of a priest. His work has a different focus than a permanent deacon in that he is looking forward to ordination as a priest.
