SACRAMENTAL EMERGENCY REQUIRING A PRIEST AFTER HOURS - 972-943-4581

FROM THE DESK OF FR. JOVITA

4th Sunday of Easter

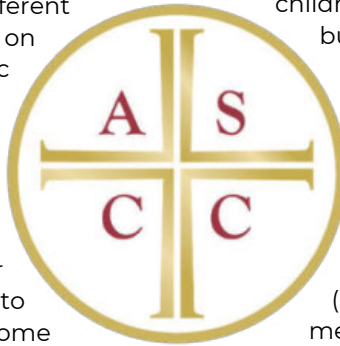

We recently had the chance to meet twice in a town hall meeting setting. The meetings were exciting and informative especially as we chart the course for creating a more vibrant and lively community of God's people. It was nice listening to different

people with different views and perspectives on the way forward for All Saints Catholic Community.

My appreciation first goes to the members of the Parish Pastoral Advisory Council and the staff who have been working tirelessly to create our five-year strategic plan. These men and women have been sacrificing their time, talent, and treasure to see how we got to where we are today. They were able to put some ideas together and those ideas helped us a lot on the night of Monday the 25th of April. To those who participated in-person and those who joined online, my sincere appreciation goes to you too as your ideas and contributions will help us in drafting the five-year plan.

Our goal is to work towards community ownership based on the four pillars—fellowship, spirituality, education and welcoming. All Saints belongs to all of us, and when we come together as a family and embrace the values of our parish, a stronger community develops where love, service and faith are the guides. We can only build this stronger family when we join together and treat our parish as a home. We plan to roll out the plan for the 1st year at the beginning of July.

The second night was dedicated to family catechesis as a program that we are re-introducing to our parish. This

program had been a huge success in our parish in the past but gradually was phased out. However, it is becoming obvious to both the leaders of the universal Church and our Diocesan leadership that this is the best way to go in the faith formation of both adults and children. Thus, the need to bring it back to our parish. I experienced the beauty and the values of this sort of program as a kid growing up and it helped form the foundation of my Christian life. While the transition may be tough, I do encourage parents and their children to trust the system and support it as we build it together.

It is worth noting that in all these endeavors, the final goal is to lead all of us to God's Kingdom, where we will be among the great multitude from every nation, race, people, and tongue that will stand before the throne and before the Lamb, wearing white robes and holding palm branches in their hands (Rev. 7:9). We will then receive eternal life as the men and women that heard and obeyed the voice of the Good Shepherd (John 10:27). As the Good Shepherd, Jesus keeps inviting us to not just hear His voice but also commit to doing what that voice calls us to do.

Jesus has called us together at All Saints and through the various ministries in our parish. He is asking us to serve one another with our unique gifts and talents. Take time to explore ways that you can serve and help in building a better family of God. No service is too little and none is too big. Once more, thanks for all you do at All Saints and may Jesus the Good Shepherd lead us to the Father's glory!

Remain Blessed,
Fr. Jovita Okoli
