Dear Parishioners:

The journey of the wise men or magi is one of the favorite stories of the gospel. It's a story of the journey of life, of guidance on the way, of delight in finding faith and God, of the intrigue of a greedy and jealous king, and of the good beating the bad. We like the end of the story when the wise men outwitted Herod.

The star started them on the journey and then guided them to the end. Like our faith. The star, which shone at our baptism, is the promise of God to guide us through life. Faith grows through the ordinary events of life. What can seem ordinary happenings can be extraordinary grace – the birth of a child in your family, the first time you fall in love, the people you meet who make a big difference in your life, success in a job, becoming a grandparent, an aunt, an uncle, anything creative in your life is a gift of grace from God. The presence of your star may strike you when on a retreat and you learned to pray, a time you felt in vocation or any other way you really helped some people, or really listening and talking with someone and you realize you're not the only one in life with problems.

At bad times when the star seemed dim but people helped – bereavement, crime in the

family, addiction to drugs or drink, involved in suicide or abuse, illness – all the small and big awful things that darken life and dim the star. The light of faith is bright in the good and bad times of life. The word of God and the help of another is the star lighting your journey.

Each of us has our own personal star guiding us – the star of prayer, love, friendship, support...the star has a different name at different times. Be grateful for your star – and be grateful that you have been a star for others. In the book of God, each of us is a star.

In Peace,

**Fr. Prasanna Mesa
Pastor**

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

By Colleen Jurkiewicz Dorman

Faith and Fear

When I was little, you could tell I believed in the destructive power of the monsters who lived beneath my bed because I would never let my ankles anywhere near the bottom of the mattress. (It's common knowledge that bare ankles are premium monster bait — ask any child you know).

You can often tell what a person believes by what they fear.

But here's the thing: belief isn't always enough. It's obvious that Herod believed in Christ's power because of how terrified he was by it and by the room he made in his life for the possible impact of the Messiah. In fact, if belief was the only measure of orthodoxy, you could stand most modern Christians next to Herod and he would tower above them.

Remember, there's something just as bad as disobeying God: discounting Him. I know I am guilty of that in a thousand small ways each day. In the person I ignore or the opinion I sneer at. In the unkind words I let roll from my tongue. In the prayers of thanksgiving that I don't say because I am "too busy."

I believe in God, but I do not fear Him — mostly because my very modern understanding of the concept of "fear" would lump God in with those monsters beneath my bed.

But what if we understood fear in a more traditional sense — awe, reverence, and wonder? "All kings shall pay him homage, all nations shall serve him." — Psalm 72:11

When Herod heard the news of the coming of the Messiah, it compelled him to do something. Not the right thing, mind you, but something. It moved him into action.

So, then, it should move us all.

We saw his star at its rising, and have come to do him homage. — Matthew 2:2

**GOSPEL MEDITATION -
ENCOURAGE DEEPER
UNDERSTANDING OF
SCRIPTURE**

The Epiphany of the Lord

A friend of mine is a young priest who teaches high school physics at a Catholic boys' prep school. Like many today, the boys often think science and religion are enemies. So, he delights in their raised eyebrows when he reminds them his first full-time job as a priest was to be an astrophysicist. He cataloged the size, shape, and matter of distant stars. He tells them, "Science gave me more love for God, not less."

The Magi were something like scientist-astronomers. Like today's scientists, they employed disciplined methods of discovering dependable patterns in the world. Their rigorous commitment to the truth led them to the joy of discovering Jesus. Their love for knowledge leads them to worship the Source of all knowledge. Luke says of them, "They were overjoyed at seeing the star."

We may see the universe as cold and empty and feel sad. But why should we do that? The Magi, like my priest-friend, show us there is another way to experience the

world. We use our intelligence to discover the beautiful patterns in the world — in mathematics, physics, astronomy, biology, neuroscience, and so on — and allow this to lead us to greater love for God. So, my fellow Magi: the world needs us to be overjoyed at finding God in science and, finally and fully, in Jesus.

Queridos feligreses:

El viaje de los sabios o magos es una de las historias favoritas del evangelio. Es una historia del viaje de la vida, de la guía en el camino, del deleite de encontrar la fe y Dios, de la intriga de un rey codicioso y celoso, y de los buenos venciendo a los malos. Nos gusta el final de la historia cuando los magos burlaron a Herodes.

La estrella los inició en el viaje y luego los guió hasta el final. como nuestra fe. La estrella, que brilló en nuestro bautismo, es la promesa de Dios para guiarnos en la vida. La fe crece a través de los acontecimientos ordinarios de la vida. Lo que puede parecer un acontecimiento ordinario puede ser una gracia extraordinaria: el nacimiento de un hijo en tu familia, la primera vez que te enamoras,

las personas que conoces que marcan una gran diferencia en tu vida, el éxito en un trabajo, convertirte en abuelo, una tía, tío, cualquier cosa creativa en tu vida es un regalo de la gracia de Dios. La presencia de tu estrella puede golpearte cuando en un retiro y aprendiste a orar, un momento en el que sentiste la vocación o cualquier otra forma en que realmente ayudaste a algunas personas, o realmente escuchando y hablando con alguien y te das cuenta de que no eres el único en la vida con problemas.

En los malos momentos, cuando la estrella parecía tenue pero la gente ayudaba: duelo, crimen en la familia, adicción a las drogas o la bebida, suicidio o abuso, enfermedad, todas las pequeñas y grandes cosas horribles que oscurecen la vida y oscurecen la estrella. La luz de la fe brilla

en los buenos y malos momentos de la vida. La palabra de Dios y la ayuda del prójimo es la estrella que ilumina tu camino. Cada uno de nosotros tiene su propia estrella personal que nos guía: la estrella de la oración, el amor, la amistad, el apoyo... la estrella tiene un nombre diferente en diferentes momentos. Sé agradecido por tu estrella y sé agradecido por haber sido una estrella para los demás. En el libro de Dios, cada uno de nosotros es una estrella.

En Paz,

**Padre Prasanna Mesa
Pastor**

MEDITACIÓN DEL EVANGELIO

ALENTAR UN ENTENDIMIENTO MÁS PROFUNDO DE LA ESCRITURA

Día de la Epifanía del Señor

Existe un refrán popular que dice así: "No hay peor sordo que el que no quiere oír". Y le agregaría el que no quiere ver. Los Magos del Oriente no se hicieron sordos ni ciegos, sino que, presurosos siguieron la estrella que los guiaba a Jesús. Preguntaron y escucharon su historia, por aquello de no perderse del lugar donde se encontraba aquel famoso recién nacido. "¿Dónde está el rey de los judíos que acaba de nacer? (Mateo 2,2). ¿Dónde está Jesús en nuestros días? ¿A quién hemos preguntado donde encontrarlo? Quizá, se encuentra en los corazones de los padres de familia que han perdido a sus hijos(as) en la violencia, o tal vez está ahí donde el inmigrante sufre y muere luchando por una vida mejor.

La liturgia de este Domingo de la Epifanía, manifestación de Jesús como salvador de todos los pueblos, nos invita a no ser oyentes pasivos sino activos,

comprometidos a la esperanza de una sociedad mejor. La voz del Papa Francisco es el eco de Dios que motiva a ver la luz de la estrella reflejada en el corazón de todo aquel que desea la paz. "El día de hoy debemos sentir cerca a los Magos, ellos tenían el corazón abierto al horizonte: «Vieron la estrella porque se habían puesto en el camino» (San Juan Crisóstomo). Su ejemplo nos anima a contemplar la estrella y a no conformarnos, sino a dejarnos fascinar por la bondad y la verdad. Ellos reflejan la imagen de todos los que no dejamos de levantar la mirada hacia el firmamento, poniendo en nuestro camino a nuestro Dios, Rey del Universo".

Our sanctuary and altar space were especially beautiful this year with the placement of trees, and the nativity displayed in front of the altar surrounded by red poinsettias. A host of members, parishioners, and friends made it happen this year. Jennifer Smyrl and Father Mesa also helped with their suggestions and expertise. As they say, "It takes a village". **Thank you** to all that gave of their time and hard work this Christmas season.

**ST. PAUL
GUADALUPANA
SOCIETY**

St. Paul Guadalupe Society members wish everyone a blessed and joyous New Year. We would like to welcome and congratulate our newest members, Marla Jean, Joe Trinidad and Mary Gensen.

We invite everyone to join us on the 3rd Sunday of every month for our monthly

Pope Francis, in continuing his call for a renewed sense of awe and appreciation of the Word of God, has proclaimed the third Sunday of Ordinary Time as "Word of God Sunday." On the weekend of January 21-22, 2023 we will observe the Word of God Sunday, and so this is a great time to reflect on the role that Scripture has in our lives as we seek to model our lives on Jesus Christ, the Word of God. In reflection, we can ask how do we allow the scriptures to permeate our lives so that God's word is alive in us? Maybe we have a favorite passage, one that we return to again and again to meditate on at different stages in our lives. Or maybe we haven't really spent much time with Scripture, aside from hearing it at Mass or other occasions in Church. The Word of God Sunday serves as a reminder to take the gift of Scripture and to allow the Word of God to seep into the rhythm of our lives so that we more fully and deeply come to know our Lord and ourselves.

If you do not own your own bible, beginning the weekend of January 7-8, we will have a variety of bibles available for a donation at the church. Bring your bibles to mass on the weekend of January 21-22 for a special blessing. Let us all begin this new year with a resolution to let the scriptures guide our lives.

El Papa Francisco, continuando con su llamado a un sentido renovado de asombro y apreciación de la Palabra de Dios, ha proclamado el tercer domingo del Tiempo Ordinario como "Domingo de la Palabra de Dios". El fin de semana del 21 al 22 de enero de 2023 observaremos el Domingo de la Palabra de Dios, por lo que este es un buen momento para reflexionar sobre el papel que las Escrituras tienen en nuestras vidas mientras buscamos modelar nuestras vidas en Jesucristo, la Palabra de Dios. Al reflexionar, podemos preguntarnos ¿cómo permitimos que las Escrituras impregnen nuestras vidas para que la palabra de Dios esté viva en nosotros? Tal vez tengamos un pasaje favorito, uno al que volvemos una y otra vez para meditar en diferentes etapas de nuestra vida. O tal vez realmente no hemos pasado mucho tiempo con las Escrituras, aparte de escucharlas en Misa u otras ocasiones en la Iglesia. El Domingo de la Palabra de Dios sirve como un recordatorio para tomar el regalo de las Escrituras y permitir que la Palabra de Dios se filtre en el ritmo de nuestras vidas para que lleguemos a conocernos a nosotros mismos y a nuestro Señor más plena y profundamente.

Si no tiene su propia biblia, a partir del fin de semana del 7 al 8 de enero, tendremos una variedad de biblias disponibles en la iglesia. Traiga sus biblias a misa el fin de semana del 21 al 22 de enero para una bendición especial. Comencemos todos este nuevo año con la resolución de dejar que las Escrituras guíen nuestras vidas.

Rosary which begins at 9:25 am followed by our **Guadalupe Mass** at 9:45 am.

Our next monthly membership meeting is January 15 at the Paula House after the 9:45 am Guadalupe Mass. We welcome all of our new and potential members. Annual membership dues are \$10. Please join us as we continue to honor Our Virgen de Guadalupe, develop friends and fellowship with our members. For more information, contact President: Aurora Kaiser @ 210- 379 -7476.

Join the ACTS community at 5:30pm mass the first Sunday of every month beginning April 3rd. We will pray the rosary beginning at 5pm. ALL ARE WELCOME.
