TODAY'S REFLECTION

Bombarded with Christmas decorations and music for weeks now, we are undoubtedly already anticipating the celebration of our Savior's birth. But today we are reminded that Christ's coming was not a single, one-time-only event. In the Gospel Jesus warns us that he will come again when we least expect. He is referring to the end of the world, but in truth he can also come to us in our hearts at any time: during a traumatic event, in a chance encounter with a stranger, or even through someone who's prematurely spreading the Christmas spirit. May we remain vigilant for our Lord's coming in whatever way or whatever time it may happen.

Bombardeados con las decoraciones y la música navideña ya desde hace semanas, sin duda alguna estamos ya anticipando la celebración de la natividad de nuestro Salvador. Pero hoy se nos recuerda que la venida de Cristo no fue un acontecimiento de una sola vez. En el Evangelio Jesús nos advierte que él vendrá de nuevo cuando menos lo esperemos. Él se refiere al fin del mundo, pero en realidad Jesús puede también venir a nuestro corazón en cualquier momento: durante un acontecimiento traumático, en el encuentro casual con un desconocido o aun a través de alguien que propaga prematuramente el espíritu navideño. Oremos para poder permanecer en vela para la venida del Señor de cualquier manera o en cualquier lugar que ocurra.
