11:30am Mass - Parish Hall

Plan to attend this special Mass as Fr. Orrin unpacks some of the beauty of the Mass

pray

As the average age of our parish rises, so does the need for help from time to time. We have a growing number of parishioners who can no longer drive

to Mass on Sunday. Most people who find themselves in this situation would be delighted to attend Mass once a month. Can you give them a ride?

Do you have a loved one who needs a ride to Mass? Call the church office if you are interested in this ministry and we will do our best to connect those in need with someone who can help. What a great way to serve others.

Simply create a Faith Direct account, choose the donations you wish to make, and let Faith Direct do the remembering for you. You can set all of your desired donations for the entire year and Faith Direct will withdraw them at the proper time. Faith Direct is good for the church also - no checks or cash to deposit. # Anointing of the Sick

In the Church's Sacrament of Anointing of the Sick, through the ministry of the priest, it is Jesus who touches the sick to heal them from sin – and sometimes even from physical ailment. His cures were signs of the arrival of the Kingdom of God. The core message of His healing tells us of His plan to conquer sin and death by his dying and rising.

The Rite of Anointing tells us there is ***no need to wait until a person is at the point of death*** to receive the Sacrament. A careful judgment about the serious nature of the illness is sufficient.

When the Sacrament of Anointing of the Sick is given, the hoped-for effect is that, if it be God's will, the person be **physically healed** of illness. But even if there is no physical healing, the primary effect of the Sacrament is a **spiritual healing** by which the sick person receives the Holy Spirit's gift of peace and courage to deal with the difficulties that accompany serious illness or the frailty of old age.

~from the *United States Catholic Catechism for Adults*

## FAQ's

### WHO CAN RECEIVE THE SACRAMENT OF ANOINTING?

Any Baptized Catholic

### WHEN CAN ONE RECEIVE THE SACRAMENT OF ANOINTING?

Whenever their health is seriously impaired by sickness or old age. A sick person may be anointed before surgery whenever a serious illness is the reason for the surgery.

### WHO CAN ADMINISTER THE SACRAMENT OF ANOINTING?

A Priest

### WHO DO WE CALL TO RECEIVE THE SACRAMENT OF ANOINTING?

Call the church office to request an appointment to receive the anointing.

### WHEN DO WE CALL TO RECEIVE THE SACRAMENT OF ANOINTING?

Sooner rather than later. Family or caretakers should call the church office at the first sign of a serious illness. Many times families wait too long to request the Sacrament and a priest does not arrive in time to administer.

### WHAT DOES THE SACRAMENT OFFER?

Grace. The Sacrament gives the grace of the Holy Spirit to those who are sick: by this grace the whole person is healed and saved, sustained by trust in God, and strengthened against the temptations of the Evil One and against anxiety over death.
