## Saint of the Week

Central America's first saint, St. Pedro de San José Betancur (1626-1667) was born a poor shepherd in the Canary Islands. His family lands were seized because of debt, and he worked as an indentured servant until his early adult life when Pedro left his home to travel to Guatemala. His money for the journey ran out long before he arrived. He was destitute when he did arrive and was forced to join the bread line the Franciscan Friars had for the poor.

In 1655, he joined the Third Order of St Francis. Pedro began to serve the poor, the enslaved, immigrants, abandoned children, anyone that needed him. In 1658 he was given a hut which he made into a hospital for the poor. This small start grew into a shelter for the homeless, a school for the poor, an inn for priests, and several small chapels in poor areas. He was supported by many patrons and was joined in his work by both men and women, who became the Bethlehemite Brothers and the Bethlehemite Sisters.

Pedro prayed for the souls of those in purgatory, walked through the streets of rich neighborhoods ringing a bell and calling the wealthy to repent, and ministered to prisoners. Most accounts credit him with beginning the tradition of *posadas*, a procession in which people representing Mary and Joseph ask for lodging from their neighbors. This tradition continues today in Mexico and Central America. Because of his work with the poor and marginalized Pedro is often referred to as the "Saint Frances of the Americas". St. Pedro was canonized on July 30, 2002, in Guatemala City, Guatemala by Pope John Paul II.

# THANK YOU FOR YOUR CONTRIBUTIONS TO UKRAINE

With your support we have been able to collect \$42,296 . We greatly appreciate your donations. Your donation will be forwarded to Catholic Relief Services on April 30th. With your gift, families in Ukraine and the surrounding countries receive food, clothing, transport to safe shelter, cash assistance, counseling and care for children. If you would still like to contribute, here is the direct link to Catholic Relief Services (<https://bit.ly/3vjTOYa>) to which you can donate. Thank you for your support of Ukraine in this difficult time.

## INCENTIVES FOR DSF 2022

Last year, rebates to parishes totaled over \$1.6 million. These incentives are an opportunity to secure more money for our parish community while meeting our DSF goal.

- 1) 100% rebate on every dollar a parish raises over goal (instead of the traditional 50%)
- 2) A 50% rebate on the total amount given by first time DSF donors.  
Example: if a first time donor (someone who has never given to DSF before) makes a gift to your parish of \$50, you will receive a rebate of \$25.
- 3) The parish in each vicariate with the greatest increase in participation over DSF 2021 will receive a \$5,000 check at the DSF Vicariate meeting.  
Increase in participation will be calculated against registered families. If there is a significant drop in families within the parish but the number of donors remains the same, this would be an artificial increase in participation and would not be considered for the prize. (Winners of the \$5,000 incentive must be present at the Vicariate meeting to qualify.)
- 4) Income from these incentives are tax-free for the purposes of Cathedraticum

## SYNOD ONLINE SURVEY

Synod Online Survey Pope Francis invites the entire Church to reflect on a theme that is decisive for its life and mission: "It is precisely this path of synodality which God expects of the Church of the third millennium." If you were unable to attend a listening session at your parish, we invite you to share your answers using this anonymous online survey. Answer any or all of the questions from the personal experiences you've had with the Church in Galveston-Houston. None of the responses are required. This survey will close on April 30, 2022. All feedback received will be taken into consideration in preparing the Archdiocese of Galveston-Houston's report to the Synod of Bishops.

## SHROUD OF TURIN

ST. CECILIA CATHOLIC CHURCH | JUNE 7TH AT 7 PM

**SEEKING THE FACE OF CHRIST HOW THE SHROUD OF TURIN REVEALS GOD'S LOVE**

**Discover the whole story. The image of God's reflected love, the unique harmony of history, science and faith evidenced by the shroud.**

The Shroud of Turin is an ancient linen cloth which holds a graphic depiction of a scourged and crucified man. It is widely regarded as the most scientifically studied artifact in history, yet no one can explain how the mysterious image was formed. The wounds of the Man of the Shroud mirror the Biblical narrative of the suffering and death of Jesus Christ.
