## Saint of the Week

St. Rita of Cascia (1381 – 1457) had the opportunity to live her life as a wife, mother, widow, and eventually, member of a religious community. Born in central Italy, St. Rita felt the calling to become a nun, but was pressured at a young age into marriage. During her 18-year marriage to a cruel man, she raised two sons. When her husband was killed in a brawl and her sons died, St. Rita decided to go back to her first love and attempted to join the Augustinian nuns in Cascia. Her status as a widow caused some complications to her entering, but she eventually succeeded in professing vows.

Throughout her lifetime, St. Rita of Cascia was known for her prayerfulness and charity. She also experienced stigmata on her forehead, meditated frequently on Christ's passion, and cared for the nuns of her religious community and those in the lay community who came to her for counsel.

### SEEKING THE FACE OF CHRIST: HOW THE SHROUD OF TURIN REVEALS GOD'S LOVE

**Discover the whole story. The image of God's reflected love, the unique harmony of history, science and faith evidenced by the shroud.** The Shroud of Turin is an ancient linen cloth which holds a graphic depiction of a scourged and crucified man. It is widely regarded as the most scientifically studied artifact in history, yet no one can explain how the mysterious image was formed. The wounds of the Man of the Shroud mirror the Biblical narrative of the suffering and death of Jesus Christ.
