## **6<sup>TH</sup> SUNDAY IN ORDINARY TIME**

He said to him, "See that you tell no one anything, but go, show yourself to the priest and offer for your cleansing what Moses prescribed; that will be proof for them." The man went away and began to publicize the whole matter. He spread the report abroad so that it was impossible for Jesus to enter a town openly. - Mk 1:44-45b

## **OUR MISSION**

Our mission is to be a welcoming Catholic community by living our faith fully, sharing that faith freely, and transforming our world, discerning the will of God the Father, understood through the love of His Son Jesus Christ, empowered by the Holy Spirit.

The foundation of our parish life is praise, worship, and the sacraments. Strengthened by them, we strive to deepen our relationship with Christ and to meet the needs of others through a variety of ministries that include evangelization, education, spiritual enrichment and service to our growing community. Guided by the example of our patroness, St. Thérèse of Lisieux, "we seek to do small things well for the glory of God."

February 11th

O God, who teach us that you abide in hearts that are just and true, grant that we may be so fashioned by your grace as to become a dwelling pleasing to you. Through our Lord Jesus Christ, your Son, who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.

## Meet the Staff ...

Hi! My name is Natalie Thiel. I am the 5th & 6th grade Science and 6th & 7th grade Math teacher at Notre Dame Academy. Before moving to this beautiful state in July, I lived in Indianapolis, IN. I grew up in northwest Indiana where my family is still located. I studied elementary and special education at Ball State University before getting my first job! My first two years of teaching were at an elementary school in Noblesville, IN. I taught 3rd grade, following in the footsteps of my mom who taught 3rd grade for over 15 years.

Teaching 5th, 6th, and 7th grade this year has been a challenge, but I am learning so much and enjoy getting to experience a new age group of students! The 2023-2024 school year is my first with NDA! It has been such a year of growth for me, and I appreciate all the staff who support me in this transition of my life. The best thing about working here is the ability to share a common faith with my students and coworkers.

The move to California has brought me so much sun and time outside. I love getting to be outside walking, hiking, running, or just relaxing. When I am not outside, I love to cook and bake breads.
