First Down with Fr. Eric

Dear Friends,

Every November we celebrate Stewardship/Commitment Sunday for our parishioners. It is a wonderful reminder that the parish community takes responsibility for forming disciples of Jesus Christ and offering one's resources and personal gifts to serve the Lord and his people.

The weekend of November 20-21 we will be reintroducing our Offertory Baskets at the altar area. Most of us might be familiar with the practice of having parishioners come forth with their gifts and place them in the basket.

Three things people can bring with them to offer to the Lord. It can be a financial gift that helps meet our expenses. When one already gives financially online, there are two more things to offer the Lord. A card that one writes on by placing their prayer requests and/or what one has prayed about during the week. The other can be writing acts of service from the past week, things we did to serve the Lord and others. It really calls on everyone to reflect on what we can bring to the Lord. It is more than money that one brings: their hearts of love and service matter to God as well. Each Wednesday our Parish Staff prays over the financial envelopes, cards of prayers and cards of service asking the Lord to bless everyone who shared with the community.

To love the Lord with one's whole heart, mind, soul and strength is much more than giving money: it is offering all we are to the Lord, and the community honors that by allowing the whole community to witness that we come forward to the altar and place our gifts.

Peace in Christ,

Fr. Eric

Offer many prayers of thanksgiving,
that the Lord will help you to always be good.

Stewardship

On this last Sunday of Ordinary Time for the liturgical year, we celebrate the Feast of Christ the King. This feast was instituted by Pope Pius XI in 1925, at a time when the world was experiencing a rise of secularism, materialism and individualism, and an increasing denial of Christ's existence and authority.

The hope was that the establishment of this feast would accomplish three goals: that nations would see that the Church has the right to freedom, that leaders and nations would see that they are required to give respect to Christ, the King of kings, and that the faithful would be strengthened and encouraged by the reminder that Christ must reign in our hearts, minds, wills, and bodies.

This feast is needed more than ever for all people and for us especially, as Christian stewards. It reminds us of three vital truths. First, even when it seems the world is spinning out of control, we need not fear because we have a King of Kings who is very much in charge and who is loving, merciful and just. Second, if Christ is King of all, then He is also King of me, personally. I am not "lord" of my time, talents, and treasure. He is. I am a servant of the King and a steward of His gifts to me. Third, as His disciple, I am called to imitate my King. Christ's kingship is characterized by humble service, by emptying Himself for the good of others. The Scriptures tell us He went about doing good and He says of Himself, "I came not to be served but to serve." How can I live in any other way than as a humble servant like my King?

2021 CHRISTMAS OUTREACH PROGRAM

SUPPORTING ROADRUNNER SCHOOL

St. Patrick Ministry for Women is supporting Roadrunner School this Advent Season. Roadrunner is a K-12 school for children with severe emotional problems from low socioeconomic homes. Many of the students are not able to purchase items for their families during the holidays, as most parents are not able to help their child with purchases. This unique K-12 self contained special education school allows students to earn points then use them to "purchase" gifts for their families. This is a learning opportunity for the students about giving to others.

ROADRUNNER SCHOOL

Due to the overwhelming generosity of St. Patrick parishioners, the Christmas Store at Roadrunner School is very well stocked! We are accepting donations of gift wrap, gift bags and tissue, gift tags and clear tape help the students wrap the gifts for their families!

There are also some specific items that you can provide by using the Amazon Wish List link below or the QR code to the left. Simply open your phone over the code and you'll be taken to Amazon. Anything you purchase will have free shipping directly to the school address.

NOVEMBER 20 - DECEMBER 5

There will be collection boxes in both the parish office and in front of Fenlon.

THANK YOU!

Singing Angels

Our children's choir, is starting up soon!

We meet on Tuesday afternoons from 3:45 pm to 4:30 pm. You have to be a 1st through 8th grader. We will be rehearsing to sing for our parish Advent/Christmas event, "Cookies and Carols" on Tuesday, Dec. 14 at 7:00 pm with a rehearsal on Monday, the 13 at 6:15 pm. We also will be hopefully working toward singing for Christmas eve in the afternoon. Call or email Paul Hillebrand at 480-264-4212 or phillebrand@stpatcc.org to sign up or for more Information. See you soon!!!

NURSES CORNER

The pandemic has been stressful for everyone. Holidays can be challenging in the best of times. Here are some suggestions to help Thanksgiving go more smoothly and create an atmosphere of gratitude and thankfulness this holiday.

Be present: Keep in mind not everyone, including yourself, may be comfortable at a family gathering or traveling long distances. Find ways to include others and be sensitive to their concerns and needs, use phone calls, Zoom meetings, or FaceTime.

Unplug Technology: Enjoy the Macy parade or a football game and avoid technology that may be distracting and disconnecting you from the day – you can check the news, etc. later.

Be agreeable: Remember "the old saying that politics, money and religion are topics you want to avoid at most social gatherings". Surely, this is wise advice for the holidays.

Be Moderate: Try not to over eat or drink – think about that extra helping.

Move: Take time to take a walk after dinner. It can be a time to visit with others.

Volunteering: Helping others by volunteering to serve a meal, donating to a food bank or visiting someone who is lonely, can help others in need and help us feel happier.

Think positively: During times of stress it has been reported that positive thinking can reduce feelings of anxiety, depression, and can increase happiness and feelings of wellness.

"Gratitude is the inward feeling of kindness received. Thankfulness is the natural impulse to express that feeling. Thanksgiving is the following of that impulse." ~ Henry Van Dyke

Rethinking our ways with..Richard DiCarlo

Maybe it's time to let the old ways die
Maybe it's time to let the old ways die
Nobody speaks to God these days

I'd like to think he's looking down and laughing at our ways

It takes a lot to change your plans
And a train to change your mind
Maybe it's time to let the old ways die

These are some words to ponder from the song ***"Maybe It's Time"*** sung by Bradley Cooper in the movie, *A Star is Born*. The lyrics summarize the personal introspection of his character, Jackson Maine, who is seeking to pivot and transform his life towards a different pathway. The beauty of any song's lyrics when we hear them is that they can be adapted and used to reflect upon one's own personal life-situation at a given moment. Are we paying attention, adapting, and allowing change? Or, does it "take a train to change your mind" like the song says?

With the holidays fast approaching, we continue to hear the plethora of panic being fed to us about how the supply chain is in disarray and there may not be enough gift items on the shelves to purchase for Christmas. Buy now! Buy quick! It won't be the same as in years past!

Well, then, ***maybe it's time...***to minimize our gift purchasing.....to design our holidays where we just sit at the table or the living room and reacquaint ourselves with simple conversation with our guests....and God.....without looking at our phones.....enjoying and appreciating the time we have with those in our presence....begin new traditions that are not consumed around materialism... re-engage in fellowship. Simplicity at its finest. My heart tells me we will prevail. What a great teaching moment for all of us, too, to recognize that sometimes we must relent to things not in our control.

Maybe it's time....to shed all the angst that comes with getting the newest and better....to just be present to those around us. ***Maybe it's time***....to allow a form of rebirth into our holiday priorities. ***Maybe it's time***...to truly recognize the real gift of family and friendship.

Maybe...it's...time...to (fill in the blank). I like to think we are being given a breath of fresh air to just relent to simplicity.
