FROM FR. MARK

Dear St. Cecilia Community,

This weekend we are taking the time to say farewell to Ruth Anne Wolansky, our parish administrator, and her husband Ernie who are moving back to Indiana. Many of you have known Ruth Anne much longer than me, and I recognize that we are losing an excellent administrator, a faithful parishioner, and a wonderful friend. Yes, I am the pastor, but Ruth Anne always seemed to be two steps ahead of me thinking about the parish and what needs to be done, and always with a positive attitude and a great sense of humor!

Ruth Anne has done an incredible job guiding our parish finances and leaves us in a solid position, even as we come out of the pandemic. Her efforts to keep our finances in good shape during the COVID shutdown were nothing short of heroic and our parish is extremely grateful for all her hard work. I am going to miss Ruth Anne as a friend and how she supported me with some of her famous lines, "Don't worry, we'll get through it," or "Everything's going to be okay!" Ever willing to roll up her sleeves and pitch in to take on even menial tasks to make sure things get done, Ruth Anne leads by example with her faith and with her deep commitment to St. Cecilia Parish.

Please take the opportunity over the next few days to say goodbye to Ruth Anne and Ernie and to wish them well on their move to Indiana. We will miss them both!

God is good, all the time!

Fr. Mark

PRINCIPAL CORNER

Coach Henry

On Good Friday this past April as I was finishing up my daily jog, I saw a man loading a big bag of basketballs into the back of his truck from a garage filled with sports equipment. Me being the curious person that I am, I asked if he was a coach. Turns out, Coach Henry Guterson founded and runs Island Hoops, a small youth recreation program on Bainbridge. He is also the head boys' basketball coach at Kingston High School.

Coach Henry's goal is to provide an inclusive environment in which children have fun, improve as athletes, give their best effort, and work well with others. He believes the gym is a kind of classroom too, a place to build character traits that will serve kids well throughout their lives, not only in the world of sports, but in the world at large (www.saintceciliaschool.org).

We are delighted that Coach Henry is now our SCCS PE teacher!

With energy and enthusiasm,
Susan Kilbane
