For a Synodal Church

Synthesis of Our Listening Sessions

Celebrating

Liturgy is the source and summit of our Catholic lives, and our people believe it “must feed our souls” and support our Catholic identity. “What is missed is the transcendency and awe of Eucharist...which serves to draw everyone together”. Worship should draw us into the sacred and the community, with corporate and personal prayer and most of all joy. People yearn to see the participation of youth and children in our worship services again.

Many ask for more lay participation at worship and prayer, particularly in the homily/reflection.

Homilies are especially important to the parishioners. Some criticize homilies that are judgmental or political. Many enjoy diversity at Masses and other prayer services.

Dialoguing

Many parishioners are participating directly in community issues without Catholic Church involvement. Not long ago, the Catholic Church was at the forefront, in formation, justice, and supporting evangelization, and now seems behind. A first step to ecumenical collaborating with other Christians is for our pastors to team up, cooperate, and share resources to more effectively alleviate suffering allowing parishioners to serve the people of God. With that foundation, the Church can pursue more ecumenical opportunities. The Church needs to serve in a variety of functions such as, leadership, mentoring and heartfelt participation with other churches. “Jesus was a revolutionary, we need to be more like him.”

Ecumenical collaboration is simpler in homogenous communities. Where real diversity in faith, economics, race, and gender exists it is difficult to reach agreement of what is an issue much less what to do about it. The Church must represent itself by action.

Discerning & Deciding

The most frequent comments in these listening sessions are the most frequent ones heard internationally in public and private forums. What is the role and definition of the priesthood? An overwhelming number of participants would like to include more people into ordination, including women, both single and married, as well as married men. The participants also shared frustration with legalism for legalism’s sake, (the concern about the validity of baptism). Many would like to see a continuation of strong lay leadership roles such as Parish Life Directors.

When making judgements clerics and church leaders are to be led by the Spirit of God as voiced by Pope Francis.

Listening & Speaking

The Church must be equitable at each level (parish, diocese and global church) and in each apostolate. If we cannot show our equitability, we lose our reputation of being Christian and cannot lead the journey for a more equitable world. The Good News is clouded by sexual abuse scandals and mixed messaging by Church leadership. Perceived focus on legalism rather than the Spirit of God excludes many people from speaking, despite their gift of courage. Technology can expand learning and speaking but it can also be a barrier.

Going On Mission

We need a deeper connection with others. We need to be true evangelizers, meeting people where they are, and with the help of the Holy Spirit to call every baptized person to participate in the mission. The church needs to go out to where the people are and not expect them to come to the Church. We need to continue to support Bible study and charismatic catechesis with children, adults and youth.

Each one of us has unique gifts. Direct, understandable opportunities such as the Corporal Works of Mercy encourage people to use these gifts to reach out to the un-baptized and un-affiliated. In the past, being in a Catholic family, school or neighborhood was an effective evangelization process. Now the church will need multiple evangelization tools to invite and reinvite children and teens to the Church. The Church needs to continue to support Catholic families and Catholic schools.

Synodality

We need to strive for unity and recognize God’s unconditional love. We connect our ritual and history to share joy.

Can the church speak and share joy with our children, youth and adults? The Church should help us share the message that we are broken, blessed and beloved. The Church should not shame or judge.

The Holy Spirit has called Church members to support each other at hours of need. Sharing common goals bring people together in the Church. The large number of people in the Church can be intimidating and needs to be balanced with smaller groups like faith sharing groups.

The synod process itself informs parishioners about communion, participation and mission. This process invites people to journey together.

The Good Word

Jn 14:26

Jesus said to his disciples:

“Whoever loves me will keep my word, and my Father will love him, and we will come to him and make our dwelling with him. Whoever does not love me does not keep my words; yet the word you hear is not mine but that of the Father who sent me.

“I have told you this while I am with you. The Advocate, the Holy Spirit, whom the Father will send in my name, will teach you everything and remind you of all that I told you. Peace I leave with you; my peace I give to you. Not as the world gives do I give it to you. Do not let your hearts be troubled or afraid. You heard me tell you, ‘I am going away and I will come back to you.’ If you loved me, you would rejoice that I am going to the Father; for the Father is greater than I. And now I have told you this before it happens, so that when it happens you may believe.”

Religious Education for Children

Congratulations to our Faith Formation and school children who celebrated their First Holy Communion on May 7th! We are grateful to their parents, catechists and teachers who worked hard to prepare them for this very special day on their journey of faith! May the love of Jesus forever remain close to you as you receive Him in the Eucharist!

Registration 2022-2023 - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1st through 5th.

We gather weekly to share our faith and teachings of the Church in age-appropriate groups. We assist families in preparing children to receive the Sacraments of First Eucharist and First Reconciliation (a two-year process). Living and growing in faith is a lifelong experience, so we gather with families once a month to experience God’s love in a fun setting, grow liturgically and promote spiritual practice at home.

If you have any questions or would like the link when registration opens, please email **Colette Villegas** at: cvillegas@holyfamily.org. *We’d be delighted to have you join us!*

At our next meeting, we will be discussing **Live Not by Lies: A Manual of Christian Dissidents**, by Rod Dreher. In **Live Not By Lies**, Dreher explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of

modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, **Live Not By Lies** teaches American Christians a method for resistance:

- **SEE:** Acknowledge the reality of the situation.
- **JUDGE:** Assess reality in the light of what we as Christians know to be true.
- **ACT:** Take action to protect the truth.

Rod Dreher is an American writer and editor. He is a senior editor and blogger at The American Conservative and author of several books, including **How Dante Can Save Your Life** and **The Benedict Option**. He has written about religion, politics, film, and culture in National Review and National Review Online, The Weekly Standard, The Wall Street Journal, the Los Angeles Times, and other publications.

Society of St. Vincent de Paul

Did you know that the Society of St. Vincent de Paul is a worldwide organization currently active in 185 countries? Founded in 1922 at Holy Family, we are the oldest ministry in the parish.

Home Visits: When our Vincentian conference becomes aware of families in our area who are in need, our members conduct a home visit to determine how we can best be of assistance. Most require an immediate response to a short-term issue such as help with rent, utilities, and food. Others are more complex such as helping a disabled immigrant to navigate resources such as occupational therapy, GED instruction and immigration court. And more importantly, in addition to all of these we also offer support, understanding and prayer.

We are grateful for the continued contributions of our Holy Family community. Your generous donations using our yellow envelopes in the church vestibules and through online giving at holyfamily.org help us continue our important ministry.

Did you Know? *Amusement park safety.* Heading to a family amusement park this summer? Prepare your family with some easy safety tips. Amusement parks are crowded and exciting — and unfortunately, they can also be the perfect scenario for children to get distracted and separated from the family. Before you go, discuss the rules with your children: specify where they can go and who they can go with. Establish a buddy system and a family meet-up spot in case you get separated. For more tips, request a copy of the VIRTUS® article "Keeping Kids Safe at Amusement Parks" at lacatholics.org/did-you-know/.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed "Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events." www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx
- Three hour VIRTUS® "Protecting God's Children." www.virtus.org

May Memorial Service 2022

Monday, May 23, 2022

6:30 p.m.

Connolly Parish Hall

The Memorial Service is a time to join as a community to remember those who have passed into the sweet embrace of our loving God, a time to reflect on memories and to celebrate the lives of those we love. During times of grief, it is important to know that our church continues to support, in all ways possible, those who grieve.

The Bereavement Ministry will display the pictures of those who died on the Table of Remembrance and read the names during the service. Please bring a photograph of the beloved departed. Refreshment and Fellowship to follow.

HOLY FAMILY CATHOLIC SCHOOL

ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.

May Crowning: Friday May 6, 2022

After two years of modified May Crownings, it was such a wonderful feeling to join together as a school community and celebrate in the gathering area and then at Mass. Congratulations to our 3rd graders on a beautiful May Crowning celebration!

Let us Pray, O God, since you have given us Mary, the Mother of your Son, to be our mother and our queen, grant that we, who crown her today, may attain the glory of your children in the kingdom of heaven.

We ask this through Christ our Lord.

Amen.
