The Good Word

John 20:19-23

On the evening of that first day of the week, when the doors were locked, where the disciples were, for fear of the Jews, Jesus came and stood in their midst and said to them, “Peace be with you.”

When he had said this, he showed them his hands and his side. The disciples rejoiced when they saw the Lord.

Jesus said to them again, “Peace be with you. As the Father has sent me, so I send you.”

And when he had said this, he breathed on them and said to them, “Receive the Holy Spirit. Whose sins you forgive are forgiven them, and whose sins you retain are retained.”

Religious Education for Children

Congratulations to our Faith Formation and school children who celebrated their First Holy Communion on May 7th! We are grateful to their parents, catechists and teachers who worked hard to prepare them for this very special day on their journey of faith! May the love of Jesus forever remain close to you as you receive Him in the Eucharist!

Registration 2022-2023 - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1st through 5th.

We gather weekly to share our faith and teachings of the Church in age-appropriate groups. We assist families in preparing children to receive the Sacraments of First Eucharist and First Reconciliation (a two-year process). Living and growing in faith is a lifelong experience, so we gather with families once a month to experience God’s love in a fun setting, grow liturgically and promote spiritual practice at home.

If you have any questions or would like the link when registration opens, please email **Colette Villegas** at: cvillegas@holyfamily.org. *We’d be delighted to have you join us!*

At our next meeting, we will be discussing **Live Not by Lies: A Manual of Christian Dissidents**, by Rod Dreher. In **Live Not By Lies**, Dreher explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of

modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, **Live Not By Lies** teaches American Christians a method for resistance:

- **SEE:** Acknowledge the reality of the situation.
- **JUDGE:** Assess reality in the light of what we as Christians know to be true.
- **ACT:** Take action to protect the truth.

Rod Dreher is an American writer and editor. He is a senior editor and blogger at The American Conservative and author of several books, including **How Dante Can Save Your Life** and **The Benedict Option**. He has written about religion, politics, film, and culture in National Review and National Review Online, The Weekly Standard, The Wall Street Journal, the Los Angeles Times, and other publications.

Society of St. Vincent de Paul

Did you know that the Society of St. Vincent de Paul is a worldwide organization currently active in 185 countries? Founded in 1922 at Holy Family, we are the oldest ministry in the parish.

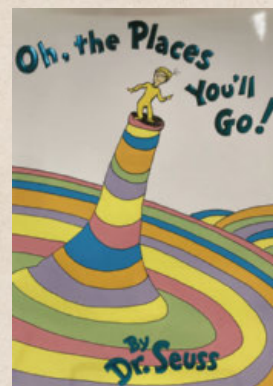

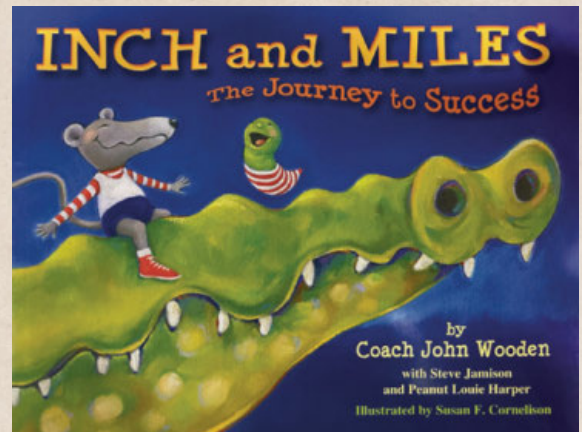

Home Visits: When our Vincentian conference becomes aware of families in our area who are in need, our members conduct a home visit to determine how we can best be of assistance. Most require an immediate response to a short-term issue such as help with rent, utilities, and food. Others are more complex such as helping a disabled immigrant to navigate resources such as occupational therapy, GED instruction and immigration court. And more importantly, in addition to all of these we also offer support, understanding and prayer.

We are grateful for the continued contributions of our Holy Family community. Your generous donations using our yellow envelopes in the church vestibules and through online giving at holyfamily.org help us continue our important ministry.

Mission Haiti, Rising Gang Violence

Excerpt from Article in Reuters - Haitian Jonas Joseph juggled running a busy hairdressing salon and a small bar in Port-au-Prince for five years, allowing him to provide for his young family. Then the gangsters took over. "I had to close my business and leave. The most important thing is my safety and that of my family. I'm now living with my cousin, I can't find work," said Joseph, 32, a father of two. "There's only one activity left here: It's gang activity."

Joseph is one of thousands of small business owners who have been forced to close their businesses in the past year as rising gang violence and lawlessness cripples the economy of Haiti. Mobs dealing in extortion rackets, drugs and arms smuggling, and kidnappings for ransom have grown in power since the assassination of Haitian president in July 2021, creating a power vacuum that gangs have exploited. Criminal groups have become de facto authorities in significant portions of the country, with gang-controlled slum neighborhoods at the mercy of gun-toting bandits.

Fr. Tom claims that the violence is unprecedented. Sadly, Anos, a young man who worked for Hands Together for several years was recently shot and killed. His job was to drive the water truck into the slums several times each day delivering life-saving potable water to thousands. Several months ago, he insisted on being Fr. Tom's early morning driver, delivering him to the nearby chapel of the Missionaries of Charity at 5:30 a.m. every day. Anos said, "Fr., We cannot allow you to be kidnapped." On his way home from work last week, Anos was stopped by armed men who took his phone and checked his calls. Apparently, they determined that he was friendly to their enemies so they killed him. Please keep Anos, his family and all Hands Together employees in your thoughts and prayers.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed "Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events." www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx
- Three hour VIRTUS® "Protecting God's Children." www.virtus.org
- Live Scan Fingerprinting - www.la-archdiocese.org/hr/Pages/fingerprinting.aspx

The VIRTUS® "Protecting God's Children" training is good for four years from the date on the Certificate.

- Must take the "Keeping the Promise Alive" Recertification before the Certificate expires.
- If the Certificate is more than four years old, they must retake the "Protecting God's Children" session.

Please contact: Donella Sotelo at donellasotelo@gmail.com, with any questions regarding our Safeguard the Children Program.

invites you to a

Call to Service

Connolly Parish Hall

Tuesday, June 7th

7:00 p.m.

Jesus Christ calls to us to serve others as He served us with His life. On June 7th, parishioners are invited to attend an evening of prayer and reflection on their gifts and talents and how they can apply them to build the Kingdom of God at Holy Family.

All are invited to come and spend time in the presence of the Blessed Sacrament and listen to the voice of Jesus and how He wants us to serve. At 7:00 p.m., we will read from the scripture and reflect, followed by faith sharing. After this, a representative from each ministry will briefly speak about their ministry, the commitment required, meetings, etc.

A handout with that information will be available for those who are interested including contact information. Those in attendance will have the chance to speak with the ministry leader and sign-up or receive more information! *Join us!*

HOLY FAMILY CATHOLIC SCHOOL ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.
