Prayers for Children, June 15th

Lord God, our hearts are broken with pain as we bear again of death and despair caused by gun violence. Families mourn, children live in fear, and the nation asks why.

We ask, O Lord, that you comfort those families wounded by gun violence. Care for the souls who grieve and help us work for greater and lasting peace.

Help us to transform our own hearts, to turn from violence, and to seek peaceful ways of resolving differences.

Let our hands connect with those who feel alone, those who live in fear, and those suffering from mental illness. Let our voices be raised asking lawmakers to create the means to protect all in our society, especially those most vulnerable.

And let our choices be those that make our nation a healthy, holy home.

We ask this in the name of Jesus Your Son, who lives and reigns with you and the Holy Spirit, the Lord and giver of life. Amen.

The Good Word

Jn 16:15

Jesus said to his disciples:

"I have much more to tell you, but you cannot bear it now. But when he comes, the Spirit of truth, he will guide you to all truth. He will not speak on his own, but he will speak what he hears, and will declare to you the things that are coming. He will glorify me, because he will take from what is mine and declare it to

you. Everything that the Father has is mine; for this reason I told you that he will take from what is mine and declare it to you."

Reflection Question of the Week

Mighty God, Blessed Christ, Holy Spirit

Adults

When this coming week will you create time to listen to and experience God's love for you?

Teens

Jesus suggests that we, the hearers of this gospel, cannot bear what he has to say. What do you find difficult to hear?

Children

Jesus says he will guide us to truth. What is something you really want to know more about?

Families

God fills us with love. How, this week will you show your family that you love them as God loves them?

Religious Education for Children

Congratulations to our Faith Formation and school children who celebrated their First Holy Communion on May 7th! We are grateful to their parents, catechists and teachers who worked hard to prepare them for this very special day on their journey of faith! May the love of Jesus forever remain close to you as you receive Him in the Eucharist!

Registration 2022-2023 - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1st through 5th.

We gather weekly to share our faith and teachings of the Church in age-appropriate groups. We assist families in preparing children to receive the Sacraments of First Eucharist and First Reconciliation (a two-year process). Living and growing in faith is a lifelong experience, so we gather with families once a month to experience God’s love in a fun setting, grow liturgically and promote spiritual practice at home.

If you have any questions or would like the link when registration opens, please email **Colette Villegas** at: cvillegas@holyfamily.org. *We’d be delighted to have you join us!*

Our next meeting will be on June 21st at 7:00 p.m. in the Guadalupe Room. We usually meet on the 3rd Tuesday of the month. Email our ministry chair, Ramon Barreras, at ramon.barreras@gmail.com with any questions. Please join us for a great book discussion, wine, appetizers and great fellowship!

At our next meeting, we will be discussing **Live Not by Lies: A Manual of Christian Dissidents**, by Rod Dreher. In **Live Not By Lies**, Dreher explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of

modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, **Live Not By Lies** teaches American Christians a method for resistance:

- **SEE:** Acknowledge the reality of the situation.
- **JUDGE:** Assess reality in the light of what we as Christians know to be true.
- **ACT:** Take action to protect the truth.

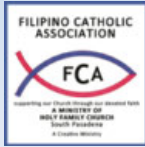

Rod Dreher is an American writer and editor. He is a senior editor and blogger at The American Conservative and author of several books, including **How Dante Can Save Your Life** and **The Benedict Option**. He has written about religion, politics, film, and culture in National Review and National Review Online, The Weekly Standard, The Wall Street Journal, the Los Angeles Times, and other publications.

Society of St. Vincent de Paul

Did you know that the Society of St. Vincent de Paul is a worldwide organization currently active in 185 countries? Founded in 1922 at Holy Family, we are the oldest ministry in the parish.

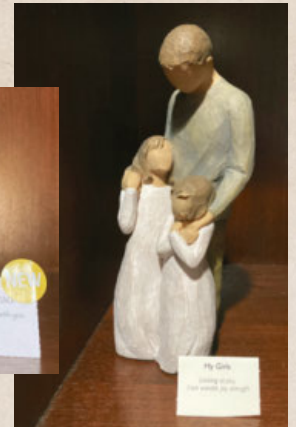

Home Visits: When our Vincentian conference becomes aware of families in our area who are in need, our members conduct a home visit to determine how we can best be of assistance. Most require an immediate response to a short-term issue such as help with rent, utilities, and food. Others are more complex such as helping a disabled immigrant to navigate resources such as occupational therapy, GED instruction and immigration court. And more importantly, in addition to all of these we also offer support, understanding and prayer.

We are grateful for the continued contributions of our Holy Family community. Your generous donations using our yellow envelopes in the church vestibules and through online giving at holyfamily.org help us continue our important ministry.

Willow Tree

Shown here are just two of the lovely inspirational figures from Willow Tree depicting dads and their children. A splendid gift for Father's Day, these figures are very popular and of course, you can think outside the box and gift dad with a beautiful Della Robbia plaque from Italy or a statue for the garden of Saint Francis, Saint Fiacre, or the blessed mother.

We also have a great selection of cards for Father's Day that express just the perfect sentiment! The bookstore will be closed on Father's Day so that our staff and volunteers can celebrate with their families. So please plan ahead and do your shopping early. Remember, gift wrapping is available for your purchase!

Let us pray for the repose of the souls of all victims of violence, for consolation and peace for their loved ones, for the transformation of hearts that people may turn from hatred to forgiveness and from violence to peace. Mission Haiti, Rising Gang Violence

Excerpt from Article in Reuters - Haitian Jonas Joseph juggled running a busy hairdressing salon and a small bar in Port-au-Prince for five years, allowing him to provide for his young family. Then the gangsters took over. "I had to close my business and leave. The most important thing is my safety and that of my family. I'm now living with my cousin, I can't find work," said Joseph, 32, a father of two. "There's only one activity left here: It's gang activity."

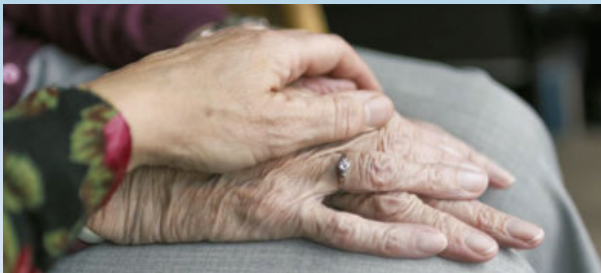

Joseph is one of thousands of small business owners who have been forced to close their businesses in the past year as rising gang violence and lawlessness cripples the economy of Haiti. Mobs dealing in extortion rackets, drugs and arms smuggling, and kidnappings for ransom have grown in power since the assassination of Haitian president in July 2021, creating a power vacuum that gangs have exploited. Criminal groups have become de facto authorities in significant portions of the country, with gang-controlled slum neighborhoods at the mercy of gun-toting bandits.

Fr. Tom claims that the violence is unprecedented. Sadly, Anos, a young man who worked for Hands Together for several years was recently shot and killed. His job was to drive the water truck into the slums several times each day delivering life-saving potable water to thousands. Several months ago, he insisted on being Fr. Tom's early morning driver, delivering him to the nearby chapel of the Missionaries of Charity at 5:30 a.m. every day. Anos said, "Fr., We cannot allow you to be kidnapped." On his way home from work last week, Anos was stopped by armed men who took his phone and checked his calls. Apparently, they determined that he was friendly to their enemies so they killed him. Please keep Anos, his family and all Hands Together employees in your thoughts and prayers.

Beyond the Parish, Retrouvaille

Retrouvaille was founded in the late 1970's as a way of helping troubled marriages and recovering the marriage that we once had. Rather than filing for separation or divorce, Retrouvaille is a proven Christian-based alternative to get help in communicating effectively with your spouse and returning to the loving sacrament of marriage. Experience joy in God's and our spouse's love again. *There is a way!*

Retrouvaille is a three-phase program that begins with a weekend experience followed by several post-weekend presentations. Finally, a monthly group meeting offers ongoing support. Retrouvaille is a non-profit Christian-Catholic peer ministry (open to anyone of any faith) and program costs are affordable.

Retrouvaille of Los Angeles has an upcoming weekend on:

July 8-10, 2022 & December 9 – 11, 2022

To register for an upcoming weekend or for any questions, call 909-900-5465.

Did you Know? *Review boating safety measures before going on family vacation.* If your family is planning a beach or lake vacation, it is time to review a few simple boating safety measures. Discuss these rules with your family before you go out on the water so everyone knows what is expected. Everyone should wear life jackets that fit them safely. Children should also be monitored for any signs of hypothermia, especially after playing in the water. Keep dry blankets, towels, and extra clothes on hand to change into if children are too cold. Parents should learn or refresh basic CPR and water rescue skills before vacation. For more tips, visit www.safekids.org/safetytips/field_risks boating.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed "Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events."

www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx

- Three hour VIRTUS® "Protecting God's Children." www.virtus.org

- Live Scan Fingerprinting - www.la-archdiocese.org/org/hr/Pages/fingerprinting.aspx

The VIRTUS® "Protecting God's Children" training is good for four years from the date on the Certificate.

- Must take the "Keeping the Promise Alive" Recertification before the Certificate expires.

- If the Certificate is more than four years old, they must retake the "Protecting God's Children" session.

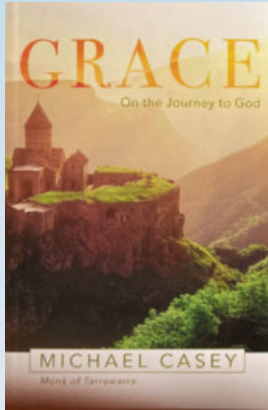

Please contact: Donella Sotelo at donellasotelo@gmail.com, with any questions regarding our Safeguard the Children Program.

Looking for Great Summer Reading?

Here are Two New Additions to Msgr. Connolly's Recommended Book Shelves

GRACE, On the Journey to God - Benedictine monastic spirituality has emerged as an antidote to the spiritual and cultural challenges facing people of faith today. In this book, the author focuses specifically on GRACE, and the benevolence of God as it expresses itself in many different ways along our spiritual journey. What is a person likely to experience when beginning to give up him or herself conscientiously to the spiritual journey?

In this beautiful guide, gradually, we come to realize that everything that happens in our lives is somehow the gift of our loving Father.

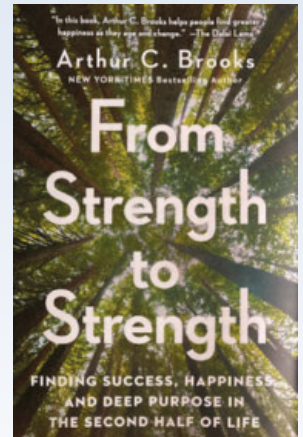

Every journey is ultimately individual. As Casey explains, what you hear within your own spirit is more significant than what he can say. But his aim is to help you listen to the voice of God in your heart.

From Strength to Strength - The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks.

Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs.

What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of your life.

Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness.

HOLY FAMILY CATHOLIC SCHOOL ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.
