# The Good Word

*Lk 9:17*

Jesus spoke to the crowds about the kingdom of God, and he healed those who needed to be cured. As the day was drawing to a close, the Twelve approached him and said, "Dismiss the crowd so that they can go to the surrounding villages and farms and find lodging and provisions; for we are in a deserted place here." He said to them, "Give them some food yourselves." They replied, "Five loaves and two fish are all we have, unless we ourselves go and buy food for all these people." Now the men there numbered about five thousand. Then he said to his disciples, "Have them sit down in groups of about fifty." They did so and made them all sit down. Then taking the five loaves and the two fish, and looking up to heaven, he said the blessing over them, broke them, and gave them to the disciples to set before the crowd. They all ate and were satisfied. And when the leftover fragments were picked up, they filled twelve wicker baskets.

SOLEMNITY OF THE BODY AND BLOOD OF CHRIST

*Reflection Question of the Week*  
*There is Plenty of Bread*

<p><u>Adults</u> In what way will you "become bread" for others?</p>	<p><u>Teens</u> Jesus established the Eucharist at a special meal, the Passover. Why are meals so important to us humans?</p>		<p><u>Children</u> How does receiving Holy Communion make you stronger?</p>	<p><u>Families</u> After having a special family meal, how does your family show thankfulness?</p>

## Religious Education for Children

*Congratulations to our Faith Formation and school children who celebrated their First Holy Communion on May 7<sup>th</sup>!* We are grateful to their parents, catechists and teachers who worked hard to prepare them for this very special day on their journey of faith! May the love of Jesus forever remain close to you as you receive Him in the Eucharist!

**Registration 2022-2023** - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1<sup>st</sup> through 5<sup>th</sup>.

We gather weekly to share our faith and teachings of the Church in age-appropriate groups. We assist families in preparing children to receive the Sacraments of First Eucharist and First Reconciliation (a two-year process). Living and growing in faith is a lifelong experience, so we gather with families once a month to experience God’s love in a fun setting, grow liturgically and promote spiritual practice at home.

If you have any questions or would like the link when registration opens, please email **Colette Villegas** at: [cvillegas@holyfamily.org](mailto:cvillegas@holyfamily.org). *We’d be delighted to have you join us!*

Please join us for a great book discussion, wine, appetizers and great fellowship!

At our next meeting, we will be discussing **Live Not by Lies: A Manual of Christian Dissidents**, by Rod Dreher. In **Live Not By Lies**, Dreher explains how the totalitarianism facing us today is based less on overt violence and more on psychological manipulation. He tells the stories of

modern-day dissidents--clergy, laity, martyrs, and confessors from the Soviet Union and the captive nations of Europe--who offer practical advice for how to identify and resist totalitarianism in our time. Following the model offered by a prophetic World War II-era pastor who prepared believers in his Eastern European to endure the coming of communism, **Live Not By Lies** teaches American Christians a method for resistance:

- **SEE:** Acknowledge the reality of the situation.
- **JUDGE:** Assess reality in the light of what we as Christians know to be true.
- **ACT:** Take action to protect the truth.

Rod Dreher is an American writer and editor. He is a senior editor and blogger at The American Conservative and author of several books, including **How Dante Can Save Your Life** and **The Benedict Option**. He has written about religion, politics, film, and culture in National Review and National Review Online, The Weekly Standard, The Wall Street Journal, the Los Angeles Times, and other publications.

### *A Special Request*

**Blessings in a Backpack** - Every week we fill 40 backpacks with food and deliver them to Santa Teresita School in Boyle Heights. This program is designed to provide non-perishable food every Friday to children that would benefit from supplemental nourishment over the weekend. We work closely with Holy Family's Giving Bank to make this happen!

## Bookstore News

### Della Robbias

Although the floral and fruit embellishment around the edges of Della Robbias is most common, the simple blue and white style is also very popular. Although we don't get them often, we try to order them whenever we see them.

Remember that the Bookstore is closed today, June 19<sup>th</sup>, so that our employees and volunteers can celebrate Father's Day with their families. We will re-open on Tuesday morning at 10:00 a.m.

## Beyond the Parish, Retrouvaille

Retrouvaille was founded in the late 1970's as a way of helping troubled marriages and recovering the marriage that we once had. Rather than filing for separation or divorce, Retrouvaille is a proven Christian-based alternative to get help in communicating effectively with your spouse and returning to the loving sacrament of marriage. Experience joy in God's and our spouse's love again. *There is a way!*

Retrouvaille is a three-phase program that begins with a weekend experience followed by several post-weekend presentations. Finally, a monthly group meeting offers ongoing support. Retrouvaille is a non-profit Christian-Catholic peer ministry (open to anyone of any faith) and program costs are affordable.

**Retrouvaille of Los Angeles has an upcoming weekend on:**

**Did you Know?** *Open lines of communication are critical to child safety.* A predator often works within a culture of silence to isolate and abuse children. When parents and other trusted adults fail to see the warning signs of abuse, silence can cause deep harm to young victims. Sometimes, an adult who is willing to simply listen without judgment or disbelief can save a child from abuse. Communication and listening can be lifesaving. For more information, read the VIRTUS® article “Our Kitchen Table: Keeping an Open Dialogue about Sexual Abuse” at [lacatholics.org/did-you-know/](http://lacatholics.org/did-you-know/).

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed “Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events.” [www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx](http://www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx)
- Three hour VIRTUS® “Protecting God’s Children.” [www.virtus.org](http://www.virtus.org)
- Live Scan Fingerprinting - [www.la-archdiocese.org/hr/Pages/fingerprinting.aspx](http://www.la-archdiocese.org/hr/Pages/fingerprinting.aspx)

The VIRTUS® “Protecting God’s Children” training is good for four years from the date on the Certificate.

- Must take the “Keeping the Promise Alive” Recertification before the Certificate expires.
- If the Certificate is more than four years old, they must retake the “Protecting God’s Children” session.

## Looking for Great Summer Reading?

*Here are Two New Additions to Msgr. Connolly's Recommended Book Shelves*

**GRACE, On the Journey to God** - Benedictine monastic spirituality has emerged as an antidote to the spiritual and cultural challenges facing people of faith today. In this book, the author focuses specifically on GRACE, and the benevolence of God as it expresses itself in many different ways along our spiritual journey. What is a person likely to experience when beginning to give up him or herself conscientiously to the spiritual journey?

In this beautiful guide, gradually, we come to realize that everything that happens in our lives is somehow the gift of our loving Father.

Every journey is ultimately individual. As Casey explains, what you hear within your own spirit is more significant than what he can say. But his aim is to help you listen to the voice of God in your heart.

**From Strength to Strength** - The roadmap for finding purpose, meaning, and success as we age, from bestselling author, Harvard professor, and the Atlantic's happiness columnist Arthur Brooks.

Many of us assume that the more successful we are, the less susceptible we become to the sense of professional and social irrelevance that often accompanies aging. But the truth is, the greater our achievements and our attachment to them, the more we notice our decline, and the more painful it is when it occurs.

What can we do, starting now, to make our older years a time of happiness, purpose, and yes, success? At the height of his career at the age of 50, Arthur Brooks embarked on a seven-year journey to discover how to transform his future from one of disappointment over waning abilities into an opportunity for progress. From Strength to Strength is the result, a practical roadmap for the rest of your life.

Drawing on social science, philosophy, biography, theology, and eastern wisdom, as well as dozens of interviews with everyday men and women, Brooks shows us that true life success is well within our reach. By refocusing on certain priorities and habits that anyone can learn, such as deep wisdom, detachment from empty rewards, connection and service to others, and spiritual progress, we can set ourselves up for increased happiness.

Sharing with depth, humor and practical examples, presenting couples relate their stories, struggles and successes. Discussions with other participants, personal reflection time and private time with your spouse underscore the value of a strong marriage to you, your family, the church and the community. Prayer and liturgies throughout the workshop, ending with Mass on Sunday, create opportunities for faith renewal and greater appreciation for your Sacrament of Matrimony.

As an investment in your marriage the weekend is time well spent. *Won't you join us?*

For general questions, please call Thuy (Twee) Onstott 818.667.5530

Faithful to the Roman Catholic Church's definition that marriage is a covenant that exists between one man and one woman, the Marriage Renewal Workshop is designed for engaged and married couples in this context.

# For a Synodal Church

## Synthesis of Our Listening Sessions

### Celebrating

Liturgy is the source and summit of our Catholic lives, and our people believe it “must feed our souls” and support our Catholic identity. “What is missed is the transcendency and awe of Eucharist...which serves to draw everyone together”. Worship should draw us into the sacred and the community, with corporate and personal prayer and most of all joy. People yearn to see the participation of youth and children in our worship services again.

Many ask for more lay participation at worship and prayer, particularly in the homily/reflection.

Homilies are especially important to the parishioners. Some criticize homilies that are judgmental or political. Many enjoy diversity at Masses and other prayer services.

### Dialoguing

Many parishioners are participating directly in community issues without Catholic Church involvement. Not long ago, the Catholic Church was at the forefront, in formation, justice, and supporting evangelization, and now seems behind. A first step to ecumenical collaborating with other Christians is for our pastors to team up, cooperate, and share resources to more effectively alleviate suffering allowing parishioners to serve the people of God.

With that foundation, the Church can pursue more ecumenical opportunities. The Church needs to serve in a variety of functions such as, leadership, mentoring and heartfelt participation with other churches. “Jesus was a revolutionary, we need to be more like him.”

Ecumenical collaboration is simpler in homogenous communities. Where real diversity in faith, economics, race, and gender exists it is difficult to reach agreement of what is an issue much less what to do about it. The Church must represent itself by action.

### Discerning & Deciding

The most frequent comments in these listening sessions are the most frequent ones heard internationally in public and private forums. What is the role and definition of the priesthood? An overwhelming number of participants would like to include more people into ordination, including women, both single and married, as well as married men. The participants also shared frustration with legalism for legalism’s sake, (the concern about the validity of baptism). Many would like to see a continuation of strong lay leadership roles such as Parish Life Directors.

When making judgements clerics and church leaders are to be led by the Spirit of God as voiced by Pope Francis.

### Listening & Speaking

The Church must be equitable at each level (parish, diocese and global church) and in each apostolate. If we cannot show our equitability, we lose our reputation of being Christian and cannot lead the journey for a more equitable world. The Good News is clouded by sexual abuse scandals and mixed messaging by Church leadership. Perceived focus on legalism rather than the Spirit of God excludes many people from speaking, despite their gift of courage. Technology can expand learning and speaking but it can also be a barrier.

### Going On Mission

We need a deeper connection with others. We need to be true evangelizers, meeting people where they are, and with the help of the Holy Spirit to call every baptized person to participate in the mission. The church needs to go out to where the people are and not expect them to come to the Church. We need to continue to support Bible study and charismatic catechesis with children, adults and youth.

Each one of us has unique gifts. Direct, understandable opportunities such as the Corporal Works of Mercy encourage people to use these gifts to reach out to the un-baptized and un-affiliated. In the past, being in a Catholic family, school or neighborhood was an effective evangelization process. Now the church will need multiple evangelization tools to invite and reinvite children and teens to the Church. The Church needs to continue to support Catholic families and Catholic schools.

### Synodality

We need to strive for unity and recognize God’s unconditional love. We connect our ritual and history to share joy.

Can the church speak and share joy with our children, youth and adults? The Church should help us share the message that we are broken, blessed and beloved. The Church should not shame or judge.

The Holy Spirit has called Church members to support each other at hours of need. Sharing common goals bring people together in the Church. The large number of people in the Church can be intimidating and needs to be balanced with smaller groups like faith sharing groups.

The synod process itself informs parishioners about communion, participation and mission. This process invites people to journey together.

## HOLY FAMILY CATHOLIC SCHOOL ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.

# THE MOST HOLY BODY & BLOOD OF CHRIST

---

Then taking the five loaves and the two fish, and looking up to heaven, he said the blessing over them, broke them, and gave them to the disciples to set before the crowd. - Lk 9:16
