"Give, and it shall be given to you. Good measure pressed down, shaken together, running over, will they pour into the fold of your garment. For the measure you measure with, will be measured back to you."

Luke 6: 38

The Good Word

Lk 10:1-9

At that time the Lord appointed seventy-two others whom he sent ahead of him in pairs to every town and place he intended to visit. He said to them, "The harvest is abundant but the laborers are few; so ask the master of the harvest to send out laborers for his harvest. Go on your way; behold, I am sending you like lambs among wolves. Carry no money bag, no sack, no sandals; and greet no one along the way. Into whatever house you enter, first say, 'Peace to this household.' If a peaceful person lives there, your peace will rest on him; but if not, it will return to you. Stay in the same house and eat and drink what is offered to you, for the laborer deserves his payment. Do not move about from one house to another. Whatever town you enter and they welcome you, eat what is set before you, cure the sick in it and say to them, 'The kingdom of God is at hand for you.'"

FOURTEENTH SUNDAY IN ORDINARY TIME

Reflection Question of the Week

Your peace will rest on how you treat others.

Adults

Pope Francis tells us that Catholics are called by Baptism to be "missionary disciples" for Christ. How can you act on it?

Teens

Although most of us don't go from town to town proclaiming the kingdom of God, many of us find rejection among our friends. How you deal with it?

Children

It says in today's Gospel that your name is written in heaven. How does that make you feel?

Families

Is there a family member or friend who needs your prayer? As a family plan to pray for this person.

Embracing the Beginning of Life

Embracing the Beginning of Life ministry seeks to bring an awareness in accordance with the Catechism of the Catholic Church, 2270.

The next **Life Rosary** is **Tuesday, July 19th at 6:30 p.m.** outdoors by the Blessed Virgin Mary grotto. The rosary will be repeated every 3rd Tuesday of the month. Questions? Contact us at embracinglife@holyfamily.org.

Religious Education for Children

Registration 2022-2023 - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1st through 5th.

We gather weekly to share our faith and teachings of the Church in age-appropriate groups. We assist families in preparing children to receive the Sacraments of First Eucharist and First Reconciliation (a two-year process). Living and growing in faith is a lifelong experience, so we gather with families once a month to experience God's love in a fun setting, grow liturgically and promote spiritual practice at home.

If you have any questions or would like the link when registration opens, please email **Colette Villegas** at: cvillegas@holyfamily.org. *We'd be delighted to have you join us!*

Keeping the Air We Breathe as Clean As Possible

In order to ensure the cleanest and safest possible air quality, we have taken a number of steps to upgrade our ventilation systems at Holy Family. We have installed MERV 13 filters in every building on campus as well as Bipolar Ionization Generators in the Church, Education Center, Pastoral Center and Hall. Bipolar Ionization Generators cause small particles of dust and contaminants to bond together into a larger particle. These particles are then removed through various filters in the system.

Particle reduction can be achieved anywhere from 50 to 90%, depending on the size of the particle. The joining of particles through ionization helps to increase their size and the greater likelihood of the particle being filtered out. We are also using a higher efficiency filter, improving the particle capture by over 65%. The implementation of these new upgrades will give us almost clinical grade filtration. We are very grateful to our generous donors who have made these important upgrades possible!

Mission Haiti, Funding Report

We recently asked Doug Campbell and Fr. Tom where our donations were benefiting the people of Haiti. From the beginning of our relationship with Hands Together, we designated our funds as being unrestricted, meaning that Fr. Tom and Doug could spend the money wherever they felt was most critical at the time, i.e. projects or perhaps disaster relief in the form of food, water, shelter, medical aid. Throughout the years when traveling to Haiti, we were shown in person flourishing projects funded by Holy Family. Since we have been unable to travel to Haiti in the last number of years, Doug has provided us with an accounting of money spent on the various projects. We will present this information over the next few weeks.

Hands Together recognizes the extraordinary support from Holy Family over the past 17 years. They have specifically dedicated several projects to the Holy Family community:

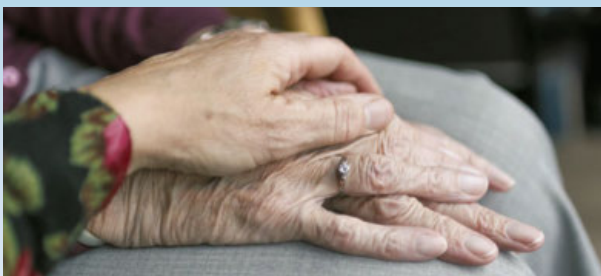

- Monsignor Connolly School**
- Ti Desdunnes Holy Family School**
- Holtsnider Barefoot Kids Project**
- The Holy Family Bridge**

Beginning with the Monsignor Connolly School (K - 6) in the Bellicou neighborhood of Cite Soleil, \$ 244,927 have been spent. This school is one of largest and most effectively run of all of the Hands Together schools. There are 850 students and 30 staff members. In addition, the elderly program held on campus feeds a daily meal and provides basic medical checks and care to 150 elderly people. This represents the largest percentage of your donations sent over the last year at 39 percent.

Thank you Holy Family!

Beyond the Parish, The Fireside Fellowship

Finding a Better, More Meaningful Life

Join parishioners from your home computer!

Wednesday, July 6th — 7:00 - 8:30 p.m. TOPIC - **HUMOR**

The Fireside Fellowship is a spiritual supplement to the book **Do You See What I See? Discovering the Obvious**, which has been praised by His Eminence, Timothy Cardinal Dolan, His Eminence, Wilton Cardinal Gregory, Bishop Gerald Wilkerson and major media outlets. Through the use of storytelling and interaction with parishioners, these once-a-month Zoom discussion meetings provide practical stories and spiritual perspectives on universal topics that effect a positive change in the life and faith of each person.

This month's practical, true story—*The Duck In The Mirror*, An upset young actress, finds self-worth and humor in dealing with a difficult challenge.

The spiritual perspective—St. Philip Neri, known as The Humorous Saint, said, “Cheerfulness strengthens the heart and makes us persevere in a good life.”

View discussion meeting videos and find further information at: Robert-Hanley.com/TheFiresideFellowship.php or call us at (818) 366-7263.

Did you Know? *Teach your children what to do when they are lost.* Preparing your children for a situation where they might get lost or separated from you can help resolve a scary situation more quickly. Talk to your children about what to do if they ever get lost in a crowd. First, tell them to stay where they are. Teach them how to locate another safe adult — a park or store employee, someone in uniform, another mom with children — and how to ask for help. A great tip for parents is to start immediately shouting a name, age, and description of the missing child so others around you are searching too. For more tips, read “What your child should know about being lost” at busytoddler.com/kids-get-lost.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed “Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events.”

- www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx

- Three hour VIRTUS® “Protecting God’s Children.” www.virtus.org

- Live Scan Fingerprinting - www.la-archdiocese.org/hr/Pages/fingerprinting.aspx

The VIRTUS® “Protecting God’s Children” training is good for four years from the date on the Certificate.

- Must take the “Keeping the Promise Alive” Recertification before the Certificate expires.

ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.

In Loving Memory,

Holy Family announces the establishment of the Frank Ponnet Endowed Lecture Series and the dedication of the Ponnet Gathering Area adjacent to our church.

For over 30 years as a key member of our parish ministerial staff and 37 years as a parishioner, Frank Ponnet lived out the gospel call to discipleship. His death on July 7, 2021, left a void in our parish and in our hearts. Until a few weeks before his death when his health required that he step back, Frank was Holy Family's Director of Liturgy and Adult Education.

Over his years at Holy Family, he and his wife, Dawn, also served as directors of Christian Initiation (RCIA), Youth Ministry, and Remembering Church. Frank was the parish liaison to the Ecumenical Council of South Pasadena, and was committed to interfaith dialogue. He was a champion of the parish's social justice education and outreach programs. He oversaw the training of Eucharistic Ministers, Lectors and

Altar Servers. When members of our parish community lost loved ones and prepared for the Church's final rites, Frank's consoling presence accompanied them through difficult days.

His ministry was marked by evangelizing, healing, teaching, reconciling, uniting, counseling and praying. A student of Church history and the documents of the Second Vatican Council, Frank understood the Church's human weaknesses, but he celebrated and was faithful to a Church that is alive and open to growth. Frank embodied with his life the fullness of being true Church, the fullness of being a true follower of Jesus Christ.

Please join us for Frank's Memorial Mass, Sunday, July 10th at 9:30 a.m.
