Prayers for Children, July 15th

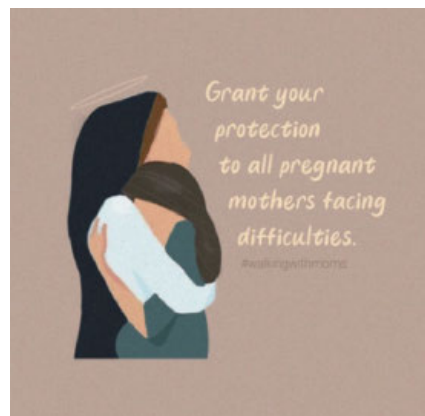

War is surely most dangerous when it becomes a norm in the minds of the young. More than two children die and another 450 are injured each day during the Russo-Ukrainian War. These children's childhood has been destroyed. Education has completely stopped for about 3 million children in the Ukraine. An estimated 40 million Ukrainians have had to leave their homes and about a third of that number are children.

Let us pray for Ukraine and its children, may their lives be spared and may this war soon end.

“No woman should ever face a pregnancy feeling alone, or desperate, or like she has no other options. These are our sisters. We cannot be indifferent to their fears. We need to be near to them, to help them in every way that we can.”

-Archbishop José H. Gomez

The Good Word

Lk 10:25-37

There was a scholar of the law who stood up to test Jesus and said, "Teacher, what must I do to inherit eternal life?" Jesus said to him, "What is written in the law? How do you read it?" He said in reply, "You shall love the Lord, your God, with all your heart, with all your being, with all your strength, and with all your mind, and your neighbor as yourself." He replied to him, "You have answered correctly; do this and you will live."

But because he wished to justify himself, he said to Jesus, "And who is my neighbor?" Jesus replied, "A man fell victim to robbers as he went down from Jerusalem to Jericho. They stripped and beat him and went off leaving him half-dead. A priest happened to be going down that road, but when he saw him, he passed by on the opposite side.

Likewise a Levite came to the place, and when he saw him, he passed by on the opposite side. But a Samaritan traveler who came upon him was moved with compassion at the sight. He approached the victim, poured oil and wine over his wounds and bandaged them. Then he lifted him up on his own animal, took him to an inn, and cared for him. The next day he took out two silver coins and gave them to the innkeeper with the instruction, 'Take care of him. If you spend more than what I have given you, I shall repay you on my way back.' Which of these three, in your opinion, was neighbor to the robbers' victim?" He answered, "The one who treated him with mercy." Jesus said to him, "Go and do likewise."

Religious Education for Children

Registration 2022-2023 - Our Faith Formation for Children serves to support the “domestic church” – the body of Christ in the home (Lunem Gentium #11) and accompany children on their faith journey in grades 1st through 5th.

Please contact **Dawn Ponnet**, at dponnet@holyfamily.org or 626.403.6128 for more information. About dialogue, the United States Bishops said, *"The pervasive influence of contemporary culture creates, at times, significant difficulties for the reception of Catholic teaching on homosexuality. In this context, there is need of a special effort to help [gay] persons understand Church teaching. At the same time, it is important that Church ministers listen to the experiences, needs, and hopes of [gay] persons to whom and with whom they minister. Dialogue provides an exchange of information, and also communicates a respect for the innate dignity of other persons and a respect for their consciences. Authentic dialogue, therefore, is aimed above all at the rebirth of individuals through interior conversion and repentance, but always with profound respect for consciences and with patience and at the step-by-step pace indispensable for modern conditions. Such dialogue facilitates an ongoing, interior conversion for all parties truly engaged in the exchange."*

Mission Haiti, Funding Report, Part Two

As you know from last week we recently asked Doug Campbell and Fr. Tom where our donations were being spent. From the beginning of our relationship with Hands Together we designated our funds as being unrestricted, meaning that Fr. Tom and Doug could spend the money wherever they felt was most critical at the time, i.e. projects or perhaps disaster relief in the form of food, water, shelter, medical aid.

Hands Together, recognizing the tremendous support from Holy Family, has specifically dedicated several projects to our community:

- Monsignor Connolly School**
- Ti Desdunnes - Holy Family School**
- Holtsnider Barefoot Kids Project**
- The Holy Family Bridge**

Holy Family School in the rural town Ti Desdunnes has 475 students in attendance. The school not only offers tuition free educations but also gives the students uniforms, school supplies and a daily meal. It has continued to pay teacher salaries and maintain the property even when the schools are closed due to violence or state mandates. This year, your donations totaled \$69,000.00 that was dedicated in full to Holy Family School.

Fr. Tom and Doug are grateful for your generosity. *Thank you Holy Family!*

The Mission Haiti Committee

PASTORAL CARE TO THE ILL AND HOMEBOUND

Our ministry attends to the spiritual needs of those whom we serve, with dignity and respect. Eucharist is brought to the home, hospital, retirement, or skilled nursing facility on a regular basis. Time is spent with the individual and prayers and reflections are shared. Eucharistic Ministers are given special training and guidance on sharing communion and the word of God with those who cannot participate with the community at Mass.

If you are interested in becoming a Eucharistic Minister or know someone who needs this ministry's services, please contact Mary Schimmoller at 626.403.6115 or email her at: mschimmoller@hollyfamily.org.

Did you Know? *Healthy vs. unhealthy relationships.* Knowing the difference between healthy and unhealthy relationships can help prevent human trafficking. Healthy relationships are based on respect, honesty, and trust. In these relationships, partners communicate and help hold healthy, safe boundaries. In unhealthy relationships, one partner holds power, forcing another to sacrifice friendships, family, and even emotional well-being. These relationships are often abusive. Talk with young adults and teenagers about these differences, how to build healthy relationships, and recognize the signs of unhealthy ones. For more information, read "Healthy vs. Unhealthy Relationships" at www.missingkids.org/content/ncmec/en/blog/2022/healthy-vs-unhealthy-relationships.html.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults. In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed "Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events."

- www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx

- Three hour VIRTUS® "Protecting God's Children." www.virtus.org

- Live Scan Fingerprinting - www.la-archdiocese.org/hr/Pages/fingerprinting.aspx

The VIRTUS® "Protecting God's Children" training is good for four years from the date on the Certificate.

- Must take the "Keeping the Promise Alive" Recertification before the Certificate expires.

- If the Certificate is more than four years old, they must retake the "Protecting God's Children" session.

Please contact: Donella Sotelo at donellasotelo@gmail.com, with any questions regarding our Safeguard the Children Program.

Carefully Curated Selection of Della Robbias

Holy Family Bookstore has been known for its ongoing, carefully curated selection of Della Robbia Plaques. At the present time, we have an extensive supply of these exquisite examples of classic Renaissance art. The glazed terracotta technique invented by Luca Della Robbia, along with his exceptional skill as a sculptor, placed him firmly in the rank of Renaissance artists in the 15th century. This quintessentially Florentine art - taking the form of dazzling multi-colored ornaments for major buildings of the city, delicately modeled and ingeniously constructed freestanding statues, serene blue and white devotional reliefs for domestic use, charming portraits of children, along with decorative and liturgical objects - flowed in abundance from Della Robbia's workshop for a hundred years. Passed down to family members and associated workshops and developed further by each generation, the closely held technique achieved new heights of refinement and durability in modeling and color, praised for combining elements of painting and sculptor in a new and all but eternal medium. Important patrons, from the Medici family to the French court, enhanced the reputation of the Della Robbia. In the 19th century, revived interest in the Renaissance in general and the Della Robbia in particular brought their works into major collections beyond Italy, particularly in England and the United States, and sparked the rediscovery of the technique by contemporary Italian ceramic workshops. Today we are the beneficiaries of this resurgence of interest in the Della Robbia ceramic pieces. Stop by the Bookstore to view our beautiful collection and consider a purchase if you are looking for a wedding or anniversary gift. They are timeless works of art that will be handed down through generations.

ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2021-2022

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.

In Loving Memory,

Holy Family announces the establishment of the Frank Ponnet Endowed Lecture Series and the dedication of the Ponnet Gathering Area adjacent to our church.

For over 30 years as a key member of our parish ministerial staff and 37 years as a parishioner, Frank Ponnet lived out the gospel call to discipleship. His death on July 7, 2021, left a void in our parish and in our hearts. Until a few weeks before his death when his health required that he step back, Frank was Holy Family's Director of Liturgy and Adult Education.

Over his years at Holy Family, he and his wife, Dawn, also served as directors of Christian Initiation (RCIA), Youth Ministry, and Remembering Church. Frank was the parish liaison to the Ecumenical Council of South Pasadena, and was committed to interfaith dialogue. He was a champion of the parish's social justice education and outreach programs. He oversaw the training of Eucharistic Ministers, Lectors and

Altar Servers. When members of our parish community lost loved ones and prepared for the Church's final rites, Frank's consoling presence accompanied them through difficult days.

His ministry was marked by evangelizing, healing, teaching, reconciling, uniting, counseling and praying. A student of Church history and the documents of the Second Vatican Council, Frank understood the Church's human weaknesses, but he celebrated and was faithful to a Church that is alive and open to growth. Frank embodied with his life the fullness of being true Church, the fullness of being a true follower of Jesus Christ.

Please join us for Frank's Memorial Mass, today, Sunday, July 10th at 9:30 a.m.
