FAITH ■ COMMUNITY ■ SERVICE ■ EXCELLENCE

As our students head into October, it seems as if September flew by in the blink of an eye. We've been "getting into the groove" of a productive, adventurous and exciting school year. Lessons taught, questions asked, laughter and athletics in the school yard, nourishment for our bodies at breaks and lunchtime as well as the Living Water of our faith, daily.

We are an incredibly blessed school community!

Interested in Becoming an Altar Server? *Sign up today!*

"*Serving at the altar,*" says Pope Francis, is a privileged way to draw closer to Jesus, which in turn "enables you to open yourselves to others, to journey together, to set demanding goals and to find the strength to achieve them."

All Souls Novena

As we approach All Souls Day, November 2nd, Mass cards to pray for our beloved deceased are available at the vestibule of the church and the Holtsnider Pastoral Center. Our beloved departed will be remembered at Mass for nine consecutive days (Novena of Masses).

Praying for the deceased is a result of our belief in the Resurrection of the Dead and the Communion of Saints. As we ask the Saints to intercede for us, we pray to God for our deceased loved ones to help them as they continue their journey to heaven and for the forgiveness of any sins they have committed.

The practice of praying for the dead is also found in Scripture in the Book of 2 Maccabees 12:38-46.

May the souls of the faithful departed rest in peace.

The Good Word

Lk 17:11-19

As Jesus continued his journey to Jerusalem, he traveled through Samaria and Galilee.

As he was entering a village, ten lepers met him. They stood at a distance from him and raised their voices, saying, "Jesus, Master! Have pity on us!" And when he saw them, he said, "Go show yourselves to the priests." As they were going they were cleansed. And one of them, realizing he had been healed, returned, glorifying God in a loud voice; and he fell at the feet of Jesus and thanked him. He was a Samaritan. Jesus said in reply, "Ten were

cleansed, were they not? Where are the other nine? Has none but this foreigner returned to give thanks to God?" Then he said to him, "Stand up and go; your faith has saved you."

Jesse Romero believes that Catholics are called to radically live their faith, not just study it, talk about it, and hide their light under a bushel. For those who find themselves living in a kind of spiritual coma, Jesse jolts them out of that lukewarm, tepid state. Instead of passively allowing circumstances to wash over you, **Catholics, Wake Up!** shows how to claim every situation for the Lord. We are called to be spiritual warriors, and are meant to triumph with God's strength over life's difficulties. This powerful book will energize and empower you to take action and live your Catholic faith vibrantly and courageously.

Mission Haiti, The Companion Program, Part I

The following is a paraphrased version of a letter that Fr. Tom recently shared, providing some of the history that led to the idea of a new program.

In 1987, Fr. Tom took college age volunteers to Haiti to decide if they could provide assistance to the poorest of the poor. They made a decision to do so and began their work. Doug Campbell was one of the students. Very early on however, the student volunteers and Fr. Tom started to question their very presence in Haiti. They began to realize that they had a vertical approach in the way that they were helping the Haitian poor and that their presence may be toxic. Over the period of one year, they chose to discern the proper way to help the very poor prayerfully. They read and studied the book, **Pedagogy of the Oppressed** by Paulo Freire. They often reflected on why they named their project "Hands Together." They ultimately decided to be totally horizontal in their work with the Haitian poor. They began to look for and to affirm the linkages and commonalities that they shared with the people. They began to join hands not to dominate or to lead and not to follow, but to walk together and share as companions on the same journey. This philosophy significantly contributed to the spirit and soul of Hands Together.

The years passed and Hands Together experienced a great deal of success. This apparent success however also began to cloud the spirit of Hands Together. There was enormous pressure to hold ambitious fundraising events. Slowly it was apparent that success was measured by the amount of money raised in a given year. The year 2020 marked the beginning of the pandemic and with it came the realization that Hands Together had paid a high price for its success. There were now hundreds of projects helping tens of thousands of people. In difficult times, maintaining it all was overwhelming. How could they let go of some projects when so many people depended upon them? But the money was running low. In the struggle, there was a sense that something was missing and the original mission of Hands Together seemed unclear. There was too much to do, too many people to help.

Searching for answers, Fr. Tom and others realized that they were losing the importance of maintaining the side by side, hands together, horizontal approach to working with the poor. Perhaps they cannot run all of the projects. Giving the glory as well as the burdens to God needs to be first and foremost. Walking hand in hand with others in a human and spiritual manner is at the core of the mission. We need to gather together as a group in order to support the poor. We need to go back to the roots of the mission and discern. We need to pray.

Next week, we will share more about the new Companion Program.

Did you Know? *What happens when children are exposed to violence?* Children who are exposed to violent or traumatic events can have a range of reactions. Many children will become afraid, preferring to stay at home or close to their parents. They also may begin to struggle in school, or have trouble sleeping or eating. Other children may learn to resolve their own conflicts in violent ways. Parents should be mindful about the ways in which children may be exposed to violence, including in the media and online apps their children consume and even in their own homes. For more information, read "Childhood Exposure to Violence" at www.healthychildren.org/English/safety-prevention/at-home/Pages/Crime-Violence-and-Your-Child.aspx.

The Archdiocese of Los Angeles requires that all adults working or volunteering with or around children comply with Safeguard the Children Program requirements to ensure that Holy Family Church and School are safe places for our youth and vulnerable adults.

In order to volunteer at Holy Family Church and School, there are three requirements that need to be met:

- Signed "Guidelines for Adults Interfacing with Minors at Parish or Parish School Activities or Events."

www.la-archdiocese.org/org/protecting/safeguard/Pages/policies.aspx

- Three hour VIRTUS® "Protecting God's Children." www.virtus.org

- Live Scan Fingerprinting - www.la-archdiocese.org/org/hr/Pages/fingerprinting.aspx

The VIRTUS® "Protecting God's Children" training is good for four years from the date on the Certificate.

- Must take the "Keeping the Promise Alive" Recertification before the Certificate expires.

- If the Certificate is more than four years old, they must retake the "Protecting God's Children" session.

Please contact: Donella Sotelo at donellasotelo@gmail.com, with any questions regarding our Safeguard the Children Program.

PRAYER TO ST. JOSEPH

*St. Joseph, humble servant of God,
 entrusted to care and protect mother & child,
 we ask for your intercession as we strive to care
 for expecting mothers and their unborn children,
 help us to protect the most vulnerable in our society and those whose lives are threatened.
 Most valiant and obedient St. Joseph give us the courage to do God's will.
 Help us to live lives of holiness. Keep us faithful to all that is true, do not allow us to be
 misled by ignorance or corrupted fear.
 Give us courage and strength as we work to build a culture
 that cherishes and protects every human life.
 St Joseph, defender of life, pray for us.
 Amen*

PRAY

Join Embracing the Beginning of Life Rosary at Holy Family every third Tuesday in the Grotto area. Invite prayer groups in your parish to pray for expecting mothers. Mental Wellness Ministry World Mental Health Day

The World Health Organization appointed October 10th as World Mental Health Day. This day is to remind everyone of the importance of making our mental health a priority as much as we do our physical wellbeing. The past two years has shined a light on our mental wellness and that of our neighbors within and outside our parish. Mental health is not a stigma to be shunned or ignored, but to be recognized in ourselves and each other. So, on this day, remind yourselves of how important self-care is everyday and recognize that we, and our brothers and sisters in Christ, may struggle sometimes and that reaching out can be the start on the road to helping them to know they are not alone.

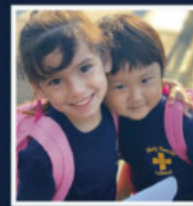

HOLY FAMILY CATHOLIC SCHOOL

ELEMENTARY SCHOOL STUDENT NONDISCRIMINATION POLICY 2022-2023

The school, mindful of its mission to be a witness to the love of Christ for all, admits students regardless of race, color, national origin, and/or ethnic origin to all rights, privileges, programs, and activities generally accorded or made available to students at the school. The school does not discriminate on the basis of race, color, disability, medical condition, sex, or national and/or ethnic origin in the administration of educational policies and practices, scholarship programs, and athletic and other school-administered programs, although certain athletic leagues and other programs may limit participation and some archdiocesan schools operate as single-sex schools. While the school does not discriminate against students with special needs, a full range of services may not always be available to them. Decisions concerning the admission and continued enrollment of a student in the school are based upon the student's emotional, academic, and physical abilities and the resources available to the school in meeting with the student's needs.
