Dear beloved of Christ,

Thank you to all who helped with a wonderful procession and picnic in our parish family this last Sunday! More than 300 people processed with their crucifixes through the neighborhood around St. Frances Cabrini.

Pain is not fun. Pain is the physical sensation or impression of something more than uncomfortable. We can get used to pain – some pain can be good, like sore muscles, or we can understand that pain is for a higher good – boot camp, getting one's blood drawn. Suffering is more than pain: it is an experience beyond a physical sensation alone. What God doesn't say is "this doesn't exist." That is bad advice. Haven't we found that to be the worst advice when we are actually in the midst of suffering? "It's not that bad," or a denial that someone is suffering? God doesn't deny it. He says, yes, your suffering is real. The sinfulness and brokenness of the world are real. But what my response is, says God, is not to deny this reality – but to be right in the middle of it so that even this suffering cannot take you from me. I will give you the means to maintain and restore that friendship with myself. The incarnation, life, passion, and death of Jesus Christ is God's response to human suffering. His bodily resurrection is the testimony of the new covenant – the new relationship that God invites each and every person into.

Last week, a synthesis from Phase 2 of Partners in the Gospel was published in the bulletin. I want to thank the PFAC (Parish Family Advisory Council) and our parish family staff for their assistance with this synthesis of Phase 2. Shortly, we will begin Phase "How Do We Get There?" The PFAC has been working and praying around specific initiatives so that, united around the friendship of Christ, as exemplified at the Eucharistic sacrifice, which is our source and summit, we all might virtuously cultivate the personal gifts and parish resources God has given our new future parish. Please pray for the fruitfulness of our parish family to bring all in our neighborhoods into the Church – the place where Jesus saves us!

As things continue to get started, I invite you to take a couple of moments to look through the bulletin and newsletter. It's organized around the three lenses of our parish family: **Communing in the Lord's Beauty (Prayer), Evangelizing through Catechesis (Formation), and Embodying the Works (Virtue & Charity)**. No one here in our parish is meant to be a mindless, mediocre consumer – God is calling each of us, no matter how small, to cultivate a responsible and active life of Faith in charity to our neighbor in the pew and beyond.

With the affection of Jesus Christ,
Fr. Lou

Queridos amados de Cristo,

¡Gracias a todos los que ayudaron a organizar la maravillosa procesión y el picnic de nuestra familia parroquial el domingo pasado! Más de 300 personas participaron en la procesión con sus crucifijos por el vecindario que rodea la parroquia de Santa Francisca Cabrini.

El dolor no es agradable. El dolor es la sensación física o la impresión de algo más que una simple incomodidad. Podemos acostumbrarnos al dolor —cierto dolor puede ser beneficioso, como el de los músculos tras el ejercicio— o podemos comprender que el dolor sirve a un bien mayor, como en un entrenamiento intensivo o al hacernos un análisis de sangre. El sufrimiento es más que dolor: es una experiencia que trasciende la mera sensación física. Dios no dice: "esto no existe". Ese sería un mal consejo. ¿Acaso no hemos comprobado que es el peor consejo cuando estamos realmente atravesando un sufrimiento? ¿Decir "no es para tanto" o negar que alguien está sufriendo? Dios no lo niega. Él dice: sí, tu sufrimiento es real. El pecado y el quebranto del mundo son reales. Pero mi respuesta —dice Dios— no es negar esta realidad, sino estar justo en medio de ella, para que ni siquiera este sufrimiento pueda apartarte de mí.

Te daré los medios para mantener y restaurar esa amistad conmigo. La encarnación, la vida, la pasión y la muerte de Jesucristo constituyen la respuesta de Dios al sufrimiento humano. Su resurrección corporal es el testimonio de la nueva alianza: la nueva relación a la que Dios invita a cada persona.

La semana pasada se publicó en el boletín un resumen de la Fase 2 de la iniciativa Partners in the Gospel (Compañeros en el Evangelio). Quiero agradecer al PFAC (Consejo Asesor de la Familia Parroquial) y al personal de nuestra familia parroquial por su ayuda en la elaboración de este resumen de la Fase 2. Pronto comenzaremos la fase titulada "¿Cómo llegamos ahí?". El PFAC ha estado trabajando y orando en torno a iniciativas concretas para que, unidos en la amistad de Cristo —tal como se ejemplifica en el sacrificio eucarístico, que es nuestra fuente y culmen—, todos cultivemos virtuosamente los dones personales y los recursos parroquiales que Dios ha otorgado a nuestra futura parroquia. Por favor, oren para que nuestra familia parroquial dé frutos y atraiga a la Iglesia a todos los habitantes de nuestros vecindarios: ¡el lugar donde Jesús nos salva!

*A medida que avanzamos en este proceso, los invito a dedicar unos momentos a revisar el boletín y el informativo parroquial. Se organiza en torno a los tres lentes o pilares de nuestra familia parroquial: **Comulgar con la belleza del Señor (oración), Evangelizar mediante la catequesis (formación) y Encarnar las obras (virtud y caridad)**. Nadie en nuestra parroquia está llamado a ser un consumidor mediocre y pasivo; Dios nos llama a cada uno de nosotros, por pequeña que sea nuestra contribución, a cultivar una vida de fe responsable y activa, vivida en caridad hacia el prójimo —tanto el que se sienta a nuestro lado en el banco como el que está más allá de él.*

Con el afecto de Cristo Jesús,
P. Lou
